(2023/C 271/50)

*Language of the case: English***Parties**

Applicant: Next Media Project, SLU (Barcelona, Spain) (represented by: R. Simar and L. Trefon, lawyers)

Defendant: European Fisheries Control Agency

Form of order sought

The applicant claims that the Court should:

- annul the decision of the European Fisheries Control Agency of 8 June 2023, by which it decided to reject Next Media Project's offer;
- order the European Fisheries Control Agency to pay the costs.

Pleas in law and main arguments

In support of the action, the applicant alleges that the defendant failed to comply with points 12.2 and 29.3 of Annex 1 to Regulation 2018/1046,⁽¹⁾ with its tender specifications (Article 3.4.2. of the special specifications of tender EFCA/2022/OP/0004) and with its duties of diligence and meticulousness; it is further argued that the defendant committed a manifest error of assessment.

- The legal ground seeks to demonstrate that the opposite party was required to take into consideration the applicant's offer, since that offer is not tainted by an irregularity, within the meaning of point 12.2 of Annex 1 to the said Regulation 2018/1046.
