Proposal for a

COUNCIL DECISION

on the signature and provisional application of an Agreement in the form of an exchange of letters between the European Community and the former Yugoslav Republic of Macedonia concerning the transitional points system applicable to heavy goods vehicles travelling through Austria

Proposal for a

COUNCIL DECISION

on the conclusion of an Agreement in the form of an exchange of letters between the European Community and the former Yugoslav Republic of Macedonia concerning the transitional points system applicable to heavy goods vehicles travelling through Austria

(presented by the Commission)

EXPLANATORY MEMORANDUM

1. The Agreement between the European Community and the former Yugoslav Republic of Macedonia in the field of transport¹ provides for a system of ecopoints applicable to traffic of the former Yugoslav Republic of Macedonia in transit through Austria with effect from 1 January 1999.

In accordance with the provisions of Article 12(3)(b), a system of ecopoints similar to that provided for by Article 11 of Protocol 9 to the Act of Accession of Austria, Finland and Sweden to the European Union will apply until 31 December 2003.

2. During its meeting on 14 and 15 December 2001 in Laeken, the European Council asked for the system of ecopoints which applies in the Community to be extended. On 20 December 2001, the Commission adopted a proposal for a Regulation of the European Parliament and of the Council establishing a system of ecopoints to be applied to heavy goods vehicles in transit through Austria for the year 2004.² This proposal was the subject of an agreement between the European Parliament and the Council following the conciliation procedure on 25 November 2003. This agreement will lead to the adoption of a Regulation which will enter into force on 1 January 2004.
3. The Agreement in the form of an exchange of letters between the European Community and the former Yugoslav Republic of Macedonia concerning the system of ecopoints to be applied to transit traffic of the former Yugoslav Republic of Macedonia through Austria as from 1 January 1999³ establishes the number of ecopoints allocated to heavy goods vehicles of the former Yugoslav Republic of Macedonia for the period 1999-2003 on the basis of the "no less favourable treatment for Community heavy goods vehicles" principle.
4. The Community should therefore now open negotiations with the former Yugoslav Republic of Macedonia in order to reach a formal agreement.
5. Given the short timescale in which the Agreement must be applied (from 1.1.2004), the Commission calls on the Council to pronounce, at the same time, on the recommendation for negotiations and the proposals for Council decisions on the signature, provisional application and conclusion of the Agreement. It therefore submits the relevant recommendation and proposals for decisions to the Council.
