COUNCIL DECISION

on the conclusion on behalf of the European Community of the Agreement between the European Community and Switzerland concerning the criteria and mechanisms for establishing the State responsible for examining a request for asylum lodged in a Member State or in Switzerland

(presented by the Commission)

EXPLANATORY MEMORANDUM

Negotiations between the European Community and the Swiss Confederation on Seven Agreements were concluded in June 1999. All those Agreements entered simultaneously into force on 1 June 2002. Attached to the agreements, the Swiss Confederation made a declaration on migration and asylum policy declaring its intention to participate in the EU system for coordinating asylum policies and proposing that negotiations be entered into for the conclusion of a convention parallel to the Dublin Convention.

Following the authorization given to the Commission on 17 June 2002, negotiations were held with the Swiss Confederation on its association with the implementation, application and development of the Schengen Acquis as well as with the legislation establishing Eurodac¹ and the legislation on the State responsible for examining requests for asylum (which has been adopted subsequently and which will be referred to as “Dublin” Regulation²). Consequently, the texts of two separate agreements have been agreed upon.

According to the negotiating directives, the agreements follow the model of the agreements with Norway and Island - concerning the latter’s association with the implementation, application and development of the Schengen acquis³ and concerning the criteria and mechanisms for establishing the State responsible for examining a request for asylum lodged in a Member State or Iceland or Norway⁴ - adapted to the specific constitutional requirements of Switzerland.

In addition, the negotiating directives requested that Switzerland must accept the Schengen acquis and its development as well as the Dublin/Eurodac acquis and its development without exception and derogation. Furthermore the directives demanded a clear link between the implementation and the termination of the two Agreements. The negotiating directives also requested that Switzerland provide an annual contribution of to the administrative cost and operational costs of Schengen and of Dublin/Eurodac.

The Commission considers that the texts are in accordance with the negotiating directives adopted by the Council on 17 June 2002. The sole exception to the principle of full acceptance of the current and future Schengen acquis is the derogation granted to Switzerland in respect of the acceptance of future acquis related to requests for search and seizure in respect of offences in the field of direct taxation, which if committed in Switzerland, would not be punishable under Swiss law with a custodial penalty. This derogation was necessary in order to conclude an Agreement with Switzerland in the field of savings taxation, which in turn was necessary for the entry into force of Council directive 2003/48/EC of 3.6.2000 on taxation of savings income in the form of interest payments⁵. COREPER approved this

² Council Regulation N° 343/2003/EC of 18.2.2003 establishing the criteria and mechanisms for determining the Member State responsible for examining an asylum application lodged in one of the Member States by a third-country national (OJ L 50 of 25.2.2003, p. 1)

derogation on 17.5.2004 as part of an overall compromise with Switzerland in a wide range of sectors, which was agreed upon in the EU/Switzerland summit on 19.5.2004⁶.

As far as indirect taxation is concerned, no derogation has been granted as regards both current and future acquis. Switzerland will grant full judicial cooperation under Article 51 of the Schengen Convention concerning cases of indirect tax evasion.⁷ Indirect tax evasion is prosecuted in Switzerland by administrative authorities where the decision may give rise to proceedings before a court having jurisdiction in particular in criminal matters. Therefore, Article 51 a) second alternative of the Schengen Convention is applicable.

Since the two agreements on Schengen and on Dublin/Eurodac are linked, both agreements should be signed simultaneously.

The following points are highlighted in order to show the differences with or adaptations to the corresponding Agreements concluded with Norway and Iceland:

Schengen:

As the Commission has clearly indicated in its declaration made at the time of the adoption of the directives for negotiation for the agreement on the Schengen acquis, it is regrettable that these directives foresaw a single agreement, including elements from the first as well as from the third pillar. These elements from different pillars are of a fundamentally different nature (the elements from the first pillar are of a Community law nature, including supremacy and possible direct effect, whereas the elements from the third pillar are not), they are subject to different procedures with respect to approval and conclusion (e.g. the third pillar elements are not subject to an opinion of Parliament) and are subject to the ECJ's jurisdiction to different degrees. In order to take account of these differences, the Commission proposes to adopt the Agreement on the Schengen acquis, by two separate acts, one based on the Community Treaty and the other on the Union Treaty, each decision indicating by a reference to Council Decision 1999/436/EC⁸ which parts of the Schengen acquis, covered by the Agreement, fall within the Community Treaty and which within the Treaty on European Union. This will particularly assist the Court as to the extent of its jurisdiction.

Agreement:

Article 7 (2) b):

Switzerland is granted a two year period for acceptance and implementation of future acquis into its internal legal order in case a referendum is requested. If possible, Switzerland has to apply the development of the acquis on a provisional basis. If Switzerland cannot apply the content of the development on a provisional basis, EU and EC may take proportional and necessary measures against Switzerland in order to ensure the efficient functioning of the Schengen cooperation.

This safeguard clause makes it possible for EU and EC to accept an eventual two year delay for the implementation of future acquis by Switzerland. In this context, Switzerland explained

⁶ Council document 9544/04

⁷ cf non-paper of the services of the Commission on the Schengen acquis concerning letters rogatory for search and seizure, MD 59/03 (EFTA group)

⁸ OJ L 176 of 10.7.1999, p. 17.

that only 5 % of the measures developing the Schengen acquis and adopted between the integration of the Schengen acquis in the framework of the European Union in 1999 and today could have lead to an eventual referendum.

Article 7 (5):

According to the negotiating directives, Switzerland accepts the Schengen acquis and its development in its entirety. The only exception to this general principle is laid down in Article 7 (5) on the future development of the Schengen acquis and concerns a possible future act or measure relating to a request or order for search and seizure made for the purposes of investigating or prosecuting offences in the field of direct taxation, which, if committed in Switzerland, would not be punishable under Swiss law with a custodial penalty.

Article 11:

The calculation of the percentage determining the annual contribution of Switzerland to the administrative costs is based on the relevant Norwegian and Icelandic contributions, in relation to the GDP of these three countries.

Article 13:

According to Denmark's special position with regard to acts adopted pursuant to Title IV of the Treaty establishing the European Community, Denmark needs to conclude a separate Agreement with Switzerland in order to create rights and obligations with Switzerland in relation to the Schengen acquis adopted pursuant to Title IV.

In addition, Norway and Iceland also need to conclude an agreement with Switzerland in order to create rights and obligations between all associated partners applying the Schengen acquis.

Article 15:

Paragraph 1 lays down the principle that the Schengen acquis can only be implemented by Switzerland after the Council decides that all preconditions for that implementation have been fulfilled by Switzerland and that controls at its external borders are effective.

In addition, paragraph 1 provides for the different scenarios for this decision taking according to the protocols annexed to the Amsterdam Treaty and to the Act of Accession of the ten new Member States.

Paragraph 3 and 4 implement the demand of the negotiating directives to provide for a link between the implementation and termination of the Schengen agreement and the implementation and termination of the agreement on the criteria and mechanism for establishing the State responsible for examining a request for asylum.

Article 16:

Article 16 allows Liechtenstein to join the present Agreement. This provision avoids the conclusion of a separate Agreement with Liechtenstein and thus the creation of a third Mixed Committee once Liechtenstein would be associated with the Schengen acquis. Liechtenstein can take part in the present organisational structure.

Annexes A and B list the Schengen acquis and its development and will be updated until the date of signature.

Final Act:

Declaration 2 makes clear that EU/EC does not exercise external competences on behalf of Switzerland. When negotiations with third countries have an impact on the Schengen acquis (e.g. negotiations on visa waiver agreements) EU/EC will invite third countries to conclude similar agreements with the three associated countries. The declaration can only concern Switzerland, but the same commitment is valid for Norway and Iceland, although it has not been explicitly mentioned in the final Act to the Agreement with these two countries.

Declaration 3 is based on the special provision granted to Luxembourg and is a result of the compromise reached with Switzerland concerning its derogation mentioned in Article 7 (5) of the Agreement.

In declaration 5 Switzerland commits itself to speed up as much as possible the different procedures where a referendum is asked.

Declaration 6 is a consequence of accepting the Schengen acquis without exception and derogation.

Declaration 8 only serves information purposes.

Exchange of letters on Switzerland's participation in Committees assisting the Commission in the exercise of its executive powers:

Like Norway and Iceland, Switzerland will also participate as observer in the work of the Committees assisting the Commission in the exercise of its executive powers. In declaration 2 annexed to the Agreement with Norway and Iceland, the European Union stated that it considers Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data⁹ to be an integral part of the Schengen acquis. It has not been included in the list of the Schengen acquis attached to the Agreement with Iceland and Norway as the directive already formed part of the EEA acquis and therefore was applied already by Iceland and Norway.

The participation of these two countries in the work of Committees established in the EEA is laid down in Article 100 of the EEA Agreement, which is different to the participation in "Schengen Committees": in Committees dealing with matters which have an impact on the EEA acquis, representatives of EEA countries are not present. Their participation is ensured as wide as possible in the preparatory stage of draft measures. Switzerland is not member of the EEA, but it is excluded that via an association with the Schengen acquis, the rights of Switzerland would go beyond the rights granted to Norway and Iceland which have chosen for an even deeper cooperation with the EU in form of the EEA Agreement.

Consequently, in order to establish equal rights and obligations, Switzerland's position must be the same as that for Iceland and Norway. Since the data protection directive covers areas going beyond the Schengen acquis, information given to Switzerland must be limited to

⁹ OJ L 281, 23.11.1995, p. 31

points which are specifically relevant for the application of the Schengen acquis. In addition, Switzerland, like Iceland and Norway, can designate a representative to participate as observer in the “Working Party on the Protection of Individuals with regard to the Processing of Personal Data” (Article 29) concerning those points which are specifically relevant for Schengen.

Common declaration on joint meetings of the Mixed Committees

The Agreement with Iceland and Norway as well as the Agreement with Switzerland establish a Mixed Committee in order to address all Council items relevant for the implementation, application and development of the Schengen acquis. All parties agree that the meetings of these two Mixed Committees shall be held jointly.

In order to maintain the current structure that for the first period of six months of the year the representative of the European Union and for the second period of six months, an associated country presides the Mixed Committee at the level of senior officials and ministers, all associated countries expressed their wish to cede, as necessary, the exercise of their presidencies and rotate it among them in alphabetical order of name.

Dublin/Eurodac:

Agreement:

Article 4 (3) (corresponds on substance to Article 7 (2) b of the Schengen agreement):

Switzerland is granted a two years period for acceptance and implementation of future acquis into its internal legal order in case a referendum is requested. If possible, Switzerland has to apply the development of the acquis on a provisional basis. If Switzerland cannot apply the content of the development on a provisional basis, the EC may take proportional and necessary measures against Switzerland in order to ensure the efficient functioning of the Dublin/Eurodac cooperation.

Article 8:

The calculation of the contribution of Switzerland to the costs of the central unit of Eurodac is based on the relevant Norwegian and Icelandic contributions, in relation to the GDP of these three countries.

Article 11:

According to Denmark’s special position with regard to acts adopted pursuant to Title IV of the Treaty establishing the European Community, Denmark needs to be associated via a protocol to the present Agreement in order to create rights and obligations between Denmark and Switzerland in relation to the provisions of Dublin/Eurodac.

In addition, Norway and Iceland need to conclude an agreement with Switzerland in order to create rights and obligations between all associated partners applying the Dublin/Eurodac acquis.

Article 12:

According to this article, some parts of the Agreement, e.g. the creation of the Joint Committee, are provisionally applied upon signature. This provisional application (and a similar provisional application is provided for in Schengen) will allow Switzerland to prepare itself for the technical implementation of the Agreement during the period of ratification.

Article 14:

This article creates the necessary link between the implementation and termination of the agreement on Dublin/Eurodac and the implementation and termination of the Schengen agreement.

Article 15:

As for Schengen, this provision allows Liechtenstein to join the agreement between the EC and Switzerland on Dublin/Eurodac.

Final Act:

Declaration 2 stipulates that Switzerland's position concerning its participation in the data protection directive, laid down in the exchange of letters on Switzerland's participation in Committees assisting the Commission in the exercise of its executive powers annexed to the Schengen Agreement, applies *mutatis mutandis* for items which specifically concern the application of the Dublin regulation or Eurodac.

Declaration 3 corresponds to the similar declaration made by Switzerland in relation to the Schengen Agreement (declaration 5) by which it commits itself to speed up as much as possible the different procedures in case a referendum is asked.

Declaration 4 only serves information purposes. It is nevertheless worth mentioning that for Dublin/Eurodac the participation in Committees assisting the commission in its exercise of executive powers - in accordance with the Iceland and Norway model for their participation in Dublin/Eurodac - follows the same structure as that foreseen in article 100 of the EEA Agreement (see Article 2 (6) of the Draft Agreement).

Common declaration on joint meetings of the Joint Committees

The Agreement with Iceland and Norway as well as the Agreement with Switzerland establish each a Joint Committee in order to address all items relevant for the implementation, application and development of the Dublin/Eurodac acquis. All parties agree that the meetings of these two Joint Committees shall be held jointly.

In order to prevail the current structure that for the first period of six months of the year the representative of the European Union and for the second period of six months, an associated country presides the Joint Committee, all associated countries expressed their wish to cede, as necessary, the exercise of their presidencies and rotate it among them in alphabetical order of name.

Declarations of the heads of delegations (agreed minutes):

For the sake of completeness, attention is drawn to the following declaration of the heads of delegations in the context of the Schengen Agreement, which, however, do not form part of the Agreement:

Declaration 1 lays down that the General Secretariat of the Council and the Swiss mission are in regular contacts in order to allow Switzerland to proceed as fast as possible with its internal procedures to fulfil its constitutional requirements (e.g. if a Member State lifted an parliamentary reservation etc).

Declaration 2 states that Council Directive 91/477/EEC of 18 June 1991 on control of the acquisition and possession of weapons does not apply to the acquisition or possession of weapons and ammunition by - amongst others - the armed forces. Switzerland requested the Commission's services to verify that its current Swiss system on the loan issuance of military weapons in the framework of young marksmen preservice course, the issuance of military weapons during the military service and the issuance of the service weapon – transformed into a semi-automatic weapon - after the military service, is covered by the above mentioned exemption from the application of the directive.

Declaration 3 reflects the interest to develop, as far as possible, Switzerland's cooperation with Eurojust and with the European Judicial Network.

AGREEMENT

between the European Union, the European Community and the Swiss Confederation on the latter's association with the implementation, application and development of the Schengen *acquis*

THE EUROPEAN UNION,

THE EUROPEAN COMMUNITY,

and

THE SWISS CONFEDERATION,

hereinafter referred to as “the Contracting Parties”,

WHEREAS with the entry into force of the Treaty of Amsterdam, the European Union has set itself the objective of maintaining and developing the Union as an area of freedom, security and justice, in which the free movement of persons is assured in conjunction with appropriate measures with respect to external border controls, asylum, immigration and the prevention and combating of crime.

WHEREAS the Schengen *acquis*, which is integrated into the framework of the European Union, constitutes part of the provisions designed to achieve this area of freedom, security and justice in so far as these provisions create an area without internal border controls and provide for compensatory measures to ensure a high level of security.

CONSIDERING the geographical position of the Swiss Confederation.

WHEREAS the participation of the Swiss Confederation in the Schengen *acquis* and in its further development will, on the one hand, enable certain obstacles to the free movement of persons resulting from the geographical position of the Swiss Confederation to be eliminated and, on the other hand, strengthen cooperation between the European Union and the Swiss Confederation in the fields covered by the Schengen *acquis*.

WHEREAS the Agreement concluded on 18 May 1999 by the Council of the European Union and the Republic of Iceland and the Kingdom of Norway³⁰ associated the latter with the implementation, application and development of the Schengen *acquis*.

WHEREAS it is desirable that the Swiss Confederation be associated on an equal footing with Iceland and Norway in the implementation, application and development of the Schengen *acquis*.

WHEREAS an agreement should be concluded between the European Union, the European Community and the Swiss Confederation containing rights and obligations similar to those agreed between the Council of the European Union, of the one part, and Iceland and Norway, of the other part.

³⁰ OJ L 176, 10.7.1999, p. 35.

CONVINCED of the need to organise cooperation between the European Union and the Swiss Confederation as regards the implementation, practical application and further development of the Schengen *acquis*.

WHEREAS it is necessary, in order to associate the Swiss Confederation with the activities of the European Union in the fields covered by this Agreement and to enable it to participate in those activities, to set up a committee in accordance with the institutional model established for the association of Iceland and Norway.

WHEREAS Schengen cooperation is based on the principles of freedom, democracy, the rule of law and respect for human rights, as guaranteed in particular by the European Convention for the Protection of Human Rights and Fundamental Freedoms of 4 November 1950.

WHEREAS the provisions of Title IV of the Treaty establishing the European Community and the acts adopted on the basis of that Title do not apply to the Kingdom of Denmark pursuant to the Protocol on the position of Denmark annexed by the Treaty of Amsterdam to the Treaty on European Union and to the Treaty establishing the European Community, and whereas the decisions designed to develop the Schengen *acquis* in application of that Title which Denmark has transposed into its domestic law are only liable to create international-law obligations between Denmark and the other Member States.

WHEREAS the United Kingdom of Great Britain and Northern Ireland and Ireland participate in certain provisions of the Schengen *acquis*, in accordance with the decisions taken pursuant to the Protocol integrating the Schengen *acquis* into the framework of the European Union and annexed by the Treaty of Amsterdam to the Treaty on European Union and to the Treaty establishing the European Community.³¹

WHEREAS it is necessary to ensure that the States with which the European Union has established an association for the purpose of implementing, applying and developing the Schengen *acquis* also apply this *acquis* in their relations with each other.

WHEREAS the smooth operation of the Schengen *acquis* requires that this Agreement be applied simultaneously with the agreements between the various parties associated with or participating in the implementation and development of the Schengen *acquis* governing their mutual relations.

HAVING REGARD TO the Agreement on the association of the Swiss Confederation with the implementation, application and development of the Community *acquis* concerning the establishment of criteria and mechanisms to determine the State responsible for examining a request for asylum lodged in one of the Member States and concerning the setting-up of the “Eurodac system”.

BEARING IN MIND the link between the Schengen *acquis* and the Community *acquis*.

WHEREAS this link requires that the Schengen *acquis* be applied simultaneously with the Community *acquis* concerning the establishment of criteria and mechanisms for

determining the State responsible for examining a request for asylum lodged in one of the Member States and concerning the setting-up of the "Eurodac" system,

HAVE AGREED AS FOLLOWS:

Article 1

1. The Swiss Confederation, hereinafter referred to as "Switzerland", shall be associated with the activities of the European Community and the European Union in the fields covered by the provisions referred to in Annexes A and B to this Agreement and their further development.

2. This Agreement creates reciprocal rights and obligations in accordance with the procedures set out herein.

Article 2

1. The provisions of the Schengen *acquis* as listed in Annex A to this Agreement as they apply to the Member States of the European Union, hereinafter referred to as "Member States", shall be implemented and applied by Switzerland.

2. The provisions of the acts of the European Union and of the European Community listed in Annex B to this Agreement, to the extent that they have replaced and/or developed corresponding provisions of, or provisions adopted pursuant to, the Convention signed in Schengen on 19 June 1990 implementing the Agreement on the gradual abolition of checks at common borders, hereinafter referred to as the Convention Implementing the Schengen Agreement, shall be implemented and applied by Switzerland.

3. The acts and measures taken by the European Union and the European Community amending or building upon the provisions referred to in Annexes A and B, to which the procedures set out in this Agreement have been applied, shall also, without prejudice to Article 7, be accepted, implemented and applied by Switzerland.

Article 3

1. A Mixed Committee is hereby established, consisting of representatives of the Swiss Government, members of the Council of the European Union, hereinafter referred to as the "Council", and members of the Commission of the European Communities, hereinafter referred to as the "Commission".

2. The Mixed Committee shall adopt its own Rules of Procedure by consensus.

3. The Mixed Committee shall meet at the initiative of its President or at the request of any of its members.

4. Subject to Article 4(2), the Mixed Committee shall meet at the level of Ministers, senior officials or experts, as circumstances require.

5. The office of President of the Mixed Committee shall be held:
- at the level of experts: by the representative of the European Union;
 - at the level of senior officials and Ministers: alternately, for a period of six months, by the representative of the European Union and by the representative of the Swiss Government.

Article 4

1. The Mixed Committee shall address, in accordance with this Agreement, all matters covered by Article 2 and shall ensure that any concern entertained by Switzerland is duly considered.
2. In the Mixed Committee at ministerial level, the representatives of Switzerland shall have the opportunity:
 - to explain the problems they encounter in respect of a particular act or measure or to respond to the problems encountered by other delegations;
 - to express themselves on any questions concerning the development of provisions of concern to them or the implementation thereof.
3. Meetings of the Mixed Committee at ministerial level shall be prepared by the Mixed Committee at the level of senior officials.
4. The representative of the Swiss Government shall have the right to make suggestions in the Mixed Committee relating to the matters mentioned in Article 1. After discussion, the Commission or any Member State may consider such suggestions with a view to making a proposal or taking an initiative, in accordance with the rules of the European Union, for the adoption of an act or measure of the European Community or the European Union.

Article 5

Without prejudice to Article 4, the Mixed Committee shall be informed about the preparation within the Council of any acts or measures which may be relevant to this Agreement.

Article 6

When drafting new legislation in a field which is covered by this Agreement, the Commission shall informally seek advice from Swiss experts in the same way as it seeks advice from experts of the Member States for drawing up its proposals.

Article 7

1. The adoption of new acts or measures related to the matters referred to in Article 2 shall be reserved to the competent institutions of the European Union. Subject to paragraph 2, such acts or measures shall enter into force simultaneously for the European Union, the European Community and its Member States concerned and for Switzerland, unless those acts or measures explicitly state otherwise. In this context, due account shall be taken of the period of time indicated by Switzerland in the Mixed Committee as being necessary to enable it to fulfil its constitutional requirements.

2. (a) The Council shall notify Switzerland immediately of the adoption of the acts or measures referred to in paragraph 1 to which the procedures set out in this Agreement have been applied. Switzerland shall decide whether to accept their contents and to implement them in its internal legal order. This decision shall be notified to the Council and to the Commission within thirty days of the adoption of the acts or measures concerned.

(b) If the contents of such an act or measure can become binding on Switzerland only after the fulfilment of constitutional requirements, Switzerland shall inform the Council and the Commission of this at the time of its notification. Switzerland shall promptly inform the Council and the Commission in writing upon fulfilment of all constitutional requirements. Where a referendum is not required, notification shall take place as soon as the referendum deadline expires. If a referendum is required, Switzerland shall have a maximum of two years from the date of the Council's notification within which to make its notification. From the date laid down for the entry into force of the act or measure for Switzerland and until it has given notification that the constitutional requirements have been met, Switzerland shall, where possible, implement the act or measure in question on a provisional basis.

If Switzerland cannot implement the act or measure at issue on a provisional basis, and if this causes difficulties that disrupt the operation of Schengen cooperation, the situation shall be examined by the Mixed Committee. The European Union and the European Community may take proportionate, appropriate measures against Switzerland to ensure that Schengen cooperation operates smoothly.

3. Acceptance by Switzerland of the acts and measures referred to in paragraph 2 creates rights and obligations between Switzerland, on the one hand, and the European Union, the European Community and the Member States, in so far as they are bound by these acts and measures, on the other hand.

4. Where:

(a) Switzerland notifies its decision not to accept the contents of an act or measure referred to in paragraph 2 and to which the procedures set out in this Agreement have been applied; or

(b) Switzerland does not carry out notification within the thirty-day time limit referred to in paragraph 2(a) or paragraph 5(a); or

(c) Switzerland does not carry out notification after the referendum deadline has expired or, in the case of a referendum, within the two-year time limit set out in paragraph 2(b), or does not provide for provisional implementation as envisaged in the same subparagraph from the date laid down for the entry into force of the act or measure concerned;

this Agreement shall be considered terminated unless the Mixed Committee, after carrying out a careful examination of ways of continuing the Agreement, decides otherwise within ninety days. Termination of this Agreement shall take effect three months after the expiry of the ninety-day period.

5. (a) If provisions of a new act or measure have the effect of no longer allowing Member States to subject compliance with requests for mutual assistance in criminal matters or the recognition of orders from other Member States to search premises and/or seize items of evidence to the conditions set out in Article 51 of the Convention Implementing the Schengen Agreement, Switzerland may notify the Council and the Commission within the period of thirty days referred to in paragraph 2, point (a) that it will not accept or implement those provisions in its internal legal order where they apply to search and seizure requests or orders made for the purposes of investigating or prosecuting offences in the field of direct taxation which, if committed in Switzerland, would not be punishable under Swiss law with a custodial penalty. In that case this Agreement shall not be considered terminated, contrary to the provisions of paragraph 4.

(b) The Mixed Committee shall convene within two months following a request by one of its members and, taking into account international developments, shall discuss the situation resulting from notification pursuant to point (a).

Once the Mixed Committee has unanimously reached an agreement on the full acceptance and implementation by Switzerland of the relevant provisions of the new act or measure, paragraphs 2, point (b), 3 and 4 shall apply. The information referred to in the first sentence of paragraph 2, point (b) shall be provided within thirty days of the agreement reached in the Mixed Committee.

Article 8

1. In order to achieve the Contracting Parties' objective of ensuring the most uniform possible application and interpretation of the provisions referred to in Article 2, the Mixed Committee shall keep under constant review developments in the case-law of the Court of Justice of the European Communities, hereinafter referred to as the "Court of Justice", and in the case-law relating to such provisions of the competent Swiss courts. To that end a mechanism shall be set up to ensure regular mutual transmission of such case-law.

2. Switzerland shall have the right to submit statements of case or written observations to the Court of Justice in cases where a court in a Member State has applied to the Court of Justice for a preliminary ruling concerning the interpretation of the provisions referred to in Article 2.

Article 9

1. Each year Switzerland shall report to the Mixed Committee on the way in which its administrative authorities and courts have applied and interpreted the provisions referred to in Article 2, as interpreted, where relevant, by the Court of Justice.
2. If, within two months of being notified of a substantial divergence between Court of Justice case-law and that of Switzerland's courts or of a substantial divergence between the authorities of the Member States concerned and the Swiss authorities in their application of the provisions referred to in Article 2, the Mixed Committee is unable to ensure a uniform application and interpretation, the procedure provided for in Article 10 shall be initiated.

Article 10

1. In the event of a dispute about the application of this Agreement or where the situation provided for in Article 9(2) occurs, the matter shall be officially entered as a matter of dispute on the agenda of the Mixed Committee, meeting at ministerial level.
2. The Mixed Committee shall have ninety days to settle the dispute, counting from the date of adoption of the agenda on which the dispute has been placed.
3. Where the dispute cannot be settled by the Mixed Committee within the ninety-day deadline provided for in paragraph 2, this deadline shall be extended by thirty days with a view to reaching a final settlement.

If no final settlement is reached, this Agreement shall be terminated six months after the expiry of the thirty-day period.

Article 11

1. As regards the administrative costs associated with implementing this Agreement, Switzerland shall make an annual contribution to the general budget of the European Communities of 7.286% of an amount of EUR 8 100 000, subject to annual adjustment to reflect inflation in the European Union.
2. As regards the costs of developing the second generation Schengen Information System (SIS II), Switzerland shall contribute to the general budget of the European Communities an annual sum for the relevant financial years starting from the 2002 financial year, calculated in accordance with its gross domestic product as a percentage of the gross domestic product of all the participating States.

The contribution for the financial years preceding the entry into force of this Agreement shall be payable when the Agreement enters into force.

3. In cases where the operating costs associated with implementing this Agreement are not charged to the general budget of the European Communities but are directly payable by the participating Member States, Switzerland shall contribute to these costs in

accordance with its gross domestic product, calculated as a percentage of the gross domestic product of all the participating States.

Where the operating costs are charged to the general budget of the European Community, Switzerland shall share in these costs by contributing to the said budget an annual sum, calculated in accordance with its gross domestic product as a percentage of the gross domestic product of all the participating States.

4. Switzerland shall have the right to receive documents drawn up by the Commission or the Council pertaining to this Agreement and, at meetings of the Mixed Committee, to request interpreting into an official language of the institutions of the European Communities of its choosing.

Article 12

1. This Agreement shall not affect in any respect the agreements concluded between the European Community and Switzerland, or between the European Community and its Member States, of the one part, and Switzerland, of the other part.

2. This Agreement shall not affect the agreements binding Switzerland, of the one part, and one or more Member States, of the other part, in so far as they are compatible with this Agreement. If these agreements are incompatible with this Agreement, the latter shall prevail.

3. This Agreement shall not affect in any respect any future agreements concluded with Switzerland by the European Community, or between the European Community and its Member States, of the one part, and Switzerland, of the other part, or agreements concluded on the basis of Articles 24 and 38 of the Treaty on European Union.

Article 13

1. Switzerland shall conclude an agreement with the Kingdom of Denmark on the creation of rights and obligations between Denmark and Switzerland as regards the provisions of Article 2 which come under Title IV of the Treaty establishing the European Community; the Protocol on the position of Denmark annexed by the Treaty of Amsterdam to the Treaty on European Union and to the Treaty establishing the European Community shall therefore apply to these provisions.

2. Switzerland shall conclude an agreement with the Republic of Iceland and the Kingdom of Norway on the creation of reciprocal rights and obligations by virtue of those states' participation in the implementation, application and development of the Schengen *acquis*.

Article 14

1. This Agreement shall enter into force one month after the day on which the Secretary General of the Council, in his capacity as its depositary, has established that all the formal requirements have been met as regards the expression of consent by, or on behalf of, the Parties to be bound by this Agreement.

2. Articles 1, 3, 4, 5, 6 and 7(2)(a), first sentence, shall apply provisionally as of the time of signature of this Agreement.

3. With respect to acts or measures adopted after this Agreement has been signed but before it enters into force, the thirty-day period referred to in Article 7(2)(a), last sentence shall start to run from the day of entry into force of this Agreement.

Article 15

1. The provisions referred to in Annexes A and B and those already adopted pursuant to Article 2(3) shall be put into effect by Switzerland on a date to be fixed by the Council, acting by unanimity of its Members representing the governments of those Member States which apply all the provisions of Annexes A and B, after consulting the Mixed Committee and after having satisfied itself that the preconditions for implementation of the relevant provisions have been fulfilled by Switzerland and that controls at its external borders are effective.

The Members of the Council representing the governments of Ireland and of the United Kingdom of Great Britain and Northern Ireland shall be involved in taking this decision in so far as it relates to the provisions of the Schengen *acquis* and the acts based on it or related to it in which these Member States participate.

The Members of the Council representing the governments of the Member States to which, in accordance with the Treaty of Accession, only some of the provisions of Annexes A and B apply shall be involved in taking this decision in so far as it relates to the provisions of the Schengen *acquis* that are already applicable to them.

2. Implementation of the provisions referred to in paragraph 1 shall create rights and obligations between Switzerland, of the one part, and, depending on the case, the European Union, the European Community and the Member States, in so far as they are bound by these provisions, of the other part.

3. This Agreement shall be applied only if the agreements referred to in Article 13 are also implemented.

4. Moreover, this Agreement shall be applied only if the agreement between the European Community and Switzerland on the criteria and mechanisms for establishing the State responsible for examining a request for asylum lodged in any of the Member States or in Switzerland is also implemented.

Article 16

1. Liechtenstein may accede to this Agreement.

2. The accession of Liechtenstein shall be the subject of a protocol to this Agreement setting out all the consequences of accession, including the creation of rights and obligations between Liechtenstein and Switzerland, and between Liechtenstein, of the one part, and the European Union, the European Community and its Member States, in so far as they are bound by the provisions of the Schengen *acquis*, of the other part.

Article 17

This Agreement may be terminated by Switzerland or by decision of the Council acting by unanimity of its Members. The depositary shall be notified of termination, which shall take effect six months after notification.

AGREEMENT IN THE FORM OF AN EXCHANGE OF LETTERS

between the Council of the European Union and the Swiss Federation on the committees that assist the European Commission in the exercise of its executive powers

A. Letter from the Community

Sir,

The Council refers to the negotiations concerning the Agreement concerning the association of the Swiss Confederation with the implementation, application and development of the Schengen *acquis* and has taken due note of the request of the Swiss Confederation, in the spirit of its participation in the decision-making process in the fields covered by the Agreement and in order to enhance the smooth operation of the Agreement, to be fully associated with the work of the committees which assist the European Commission in the exercise of its executive powers.

The Council notes that in future, when such procedures will be applied in the fields covered by the Agreement, there will indeed be a need to associate the Swiss Confederation with the work of these committees, *inter alia* in order to ensure that the procedures of the Agreement have been applied to the acts or measures concerned, so that these may become binding on the Swiss Confederation.

The European Community undertakes to negotiate appropriate arrangements with a view to associating the Swiss Confederation with the work of these committees.

As regards Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data:

- The European Commission shall ensure that the experts from the Swiss Confederation participate as widely as possible, where a specific point concerns the application of the Schengen *acquis* and exclusively for that point, in preparing draft measures to be submitted subsequently to the committee established under Article 31 of this Directive, which assists the European Commission in the exercise of its executive powers. Accordingly, when drawing up its proposals, the European Commission shall consult the experts from the Swiss Confederation on the same basis as the experts from the Member States;
- Under the second subparagraph of Article 29(2) of the Directive, the Swiss Confederation may appoint a representative of the supervisory authority or of the authorities designated by the Swiss Confederation to participate as an observer, without voting rights, in meetings of the group for the protection of individuals with regard to the processing of personal data. Participation will take place on the basis of an *ad hoc* invitation where a specific point concerns the application of the Schengen *acquis* and exclusively for that point.

Could you please confirm that your Government agrees to these arrangements?

Yours faithfully,

B. Reply from the Swiss Confederation

Sir,

Thank for your letter dated ..., worded as follows:

“The Council refers to the negotiations concerning the Agreement on the association of the Swiss Confederation with the implementation, application and development of the Schengen *acquis* and has taken due note of the request of the Swiss Confederation, in the spirit of its participation in the decision-making process in the fields covered by the Agreement and in order to enhance the smooth operation of the Agreement, to be fully associated with the work of the committees which assist the European Commission in the exercise of its executive powers.

It is my pleasure to inform you that the Federal Council has indicated its agreement to the above arrangements.

Yours faithfully,

COMMON DECLARATION ON JOINT MEETINGS

The delegations representing the governments of the member states of the European Union,

The delegation of the European Commission,

The delegations representing the governments of the Republic of Iceland and the Kingdom of Norway,

The delegation representing the government of the Swiss Confederation,

Have decided to organize the meetings of the Mixed Committees, established by the agreement on the association of Iceland and Norway with the implementation, application and development of the Schengen *acquis*, on the one hand, and the agreement on the association of Switzerland with the implementation, application and development of the Schengen *acquis*, on the other hand, jointly, no matter the level of the meeting.

Note that holding these meetings jointly calls for pragmatic arrangement regarding the office of presidency of such meetings when that presidency is to be held by the associated States according to the Agreement between the European Union, the European Community and the Swiss Confederation concerning the latter's association with the implementation, application and development of the Schengen *acquis* or the Agreement concluded by the Council of the European Union and the Republic of Iceland and the Kingdom of Norway concerning the latter's association with the implementation, application and development of the Schengen *acquis*.

Note the wish of the associated States to cede, as necessary, the exercise of their presidencies and rotate it among them in alphabetical order of name as of the entry into force of the Agreement between the European Union, the European Community and the Swiss Confederation concerning the latter's association with the implementation, application and development of the Schengen *acquis*.

AGREED MINUTES

of the negotiations on the agreement concluded between the European Union, the European Community and the Swiss Confederation concerning the latter's association with the implementation, application and development of the Schengen *acquis*

The delegations involved in negotiating the agreement

– *declare in respect of Article 7(2)(b) that*

regular, direct contacts will be established between the Council's Secretariat General and the Swiss mission to the European Communities with a view to keeping Switzerland informed of progress in procedures for adopting the relevant European Union acts and measures so that Switzerland can launch its procedure for incorporating the *acquis* as quickly as possible.

– *note, in respect of Annex B to Council Directive 91/477/EEC of 18 June 1991 on control of the acquisition and possession of weapons, that*

the aforementioned Directive does not cover the acquisition and possession by the armed forces, in accordance with national law, of weapons and munitions. The current Swiss system of lending weapons as part of voluntary classes for young marksmen, lending weapons to reservists and allocating service weapons which have been converted into semi-automatic firearms to ex-soldiers is covered by this exception and, as such, is not affected by the Schengen *acquis* but is governed by the relevant Swiss regulation.

– *take note, in respect of Eurojust and the European Judicial Network,*

that it is worthwhile looking into the possibility of Swiss cooperation with the work of Eurojust and, if possible, the European Judicial Network.

BEARING IN MIND the link between the Schengen *acquis* and the Dublin/Eurodac *acquis*.

HAVE AGREED AS FOLLOWS:

Article 1

1. The provisions of the
 - Dublin Regulation;
 - Eurodac Regulation;
 - Eurodac implementing Regulation; and
 - the Dublin implementing Regulation

shall be implemented by the Swiss Confederation, hereinafter referred to as “Switzerland”, and applied in its relations with the Member States of the European Union, hereinafter referred to as “the Member States”.

2. The Member States shall apply the regulations referred to in paragraph 1 to Switzerland.

3. The acts and measures taken by the European Community amending or building upon the provisions referred to in paragraph 1 and the decisions taken in accordance with the procedures set out in those provisions shall also, without prejudice to Article 4, be accepted, implemented and applied by Switzerland.

4. The provisions of the protection of personal data Directive as applicable to the Member States with regard to data processed for the purposes of implementing and applying the provisions referred to in paragraph 1 shall be implemented and applied, *mutatis mutandis*, by Switzerland.

5. For the purposes of paragraphs 1 and 2, references to the “Member States” in the provisions referred to in paragraph 1 shall be deemed to include Switzerland.

Article 2

1. When new legislation is drafted amending or building upon the provisions of Article 1, the Commission of the European Communities, hereinafter referred to as the “Commission”, shall informally consult the Swiss experts in the same way as it consults the experts of the Member States when drafting its proposals.

2. When transmitting its proposals referred to in paragraph 1 to the European Parliament and the Council of the European Union, hereinafter referred to as the “Council”, the European Commission shall transmit copies thereof to Switzerland.

At the request of one of the Contracting Parties, a preliminary exchange of views may be held in the Mixed Committee set up pursuant to Article 3.

3. The Contracting Parties shall consult each other again, at the request of one of their number, in the Mixed Committee, at important points in the stage prior to adoption

of the legislation referred to in paragraph 1, in a continuous process of information provision and consultation.

4. The Contracting Parties shall work together in good faith during the information provision and consultation stage with a view to facilitating the activities of the Mixed Committee at the end of the process, in accordance with this Agreement.

5. The Swiss Government's representatives may put forward suggestions in the Mixed Committee as regards the matters referred to in paragraph 1.

6. The Commission shall ensure that the Swiss experts participate as widely as possible, depending on the areas concerned, in preparing draft measures to be submitted subsequently to the committees which assist the European Commission in the exercise of its executive powers. Accordingly, when drawing up its proposals, the Commission shall consult the Swiss experts on the same basis as the experts from the Member States.

7. Where the matter is referred to the Council in accordance with the procedure applying to the type of committee in question, the Commission must transmit to the Council the views of the Swiss experts.

Article 3

1. A Mixed Committee shall be established consisting of representatives of the Contracting Parties.

2. The Mixed Committee shall adopt its own Rules of Procedure by consensus.

3. The Mixed Committee shall meet at the initiative of its President or at the request of any of its members.

4. The Mixed Committee shall meet at the appropriate level, depending on needs, with a view to examining the implementation and practical application of the provisions referred to in Article 1 and to holding an exchange of views on acts and measures amending or building upon the provisions referred to in Article 1. All exchanges of information concerning this Agreement shall be deemed to have taken place in accordance with the Mixed Committee's terms of reference.

5. The office of President of the Mixed Committee shall be held alternately, for a period of six months, by the representative of the European Community and by the representative of the Swiss Government.

Article 4

1. Subject to paragraph 2, when the Council adopts acts or measures amending or building upon the provisions of Article 1 and when acts or measures are adopted in accordance with the procedures set out in those provisions, those acts or measures shall be applied simultaneously by the Member States and Switzerland, except where express provisions exist to the contrary.

2. The Commission shall notify Switzerland without delay of the adoption of the acts or measures referred to in paragraph 1. Switzerland shall decide whether to accept their contents and to implement them in its internal legal order. This decision shall be notified to the Commission within thirty days of the adoption of the acts or measures concerned.

3. If the contents of such acts or measures can become binding on Switzerland only after the fulfilment of constitutional requirements, Switzerland shall inform the Commission of this at the time of its notification. Switzerland shall promptly inform the Commission in writing upon fulfilment of all constitutional requirements. Where a referendum is not required, notification shall take place as soon as the referendum deadline expires. If a referendum is required, Switzerland shall have a maximum of two years from the date of the Commission's notification in which to effect notification. From the date laid down for the entry into force of the act or measure for Switzerland and until it has given notification that the constitutional requirements have been met, Switzerland shall, where possible, implement the act or measure in question on a provisional basis.

4. If Switzerland cannot implement the act or measure at issue on a provisional basis, and if this causes difficulties that disrupt the operation of Dublin/Eurodac cooperation, the situation shall be examined by the Mixed Committee. The European Community may take proportionate, appropriate measures against Switzerland to ensure that Dublin/Eurodac cooperation operates smoothly.

5. Acceptance by Switzerland of the acts and measures referred to in paragraph 1 shall create rights and obligations between Switzerland and the Member States of the European Union.

6. If:

(a) Switzerland notifies its decision not to accept the contents of an act or measure referred to in paragraph 1 and to which the procedures set out in this Agreement have been applied; or

(b) Switzerland does not carry out notification within the thirty-day time limit referred to in paragraph 2;

(c) Switzerland does not carry out notification after the referendum deadline has expired or, in the case of a referendum, within the two-year time limit set out in paragraph 3, or does not provide for provisional implementation as envisaged in the same subparagraph from the date laid down for the entry into force of the act or measure concerned;

this Agreement shall be suspended.

7. The Mixed Committee shall examine the matter which gave rise to suspension and shall endeavour to deal with the underlying causes of non-acceptance or non-ratification within ninety days. After examining all other options with a view to ensuring that the Agreement continues to operate smoothly, including the possibility of noting that the Contracting Parties' laws and regulations are equivalent, it may decide, on

a unanimous basis, to reinstate this Agreement. If this Agreement is still suspended after ninety days, it shall be considered terminated.

Article 5

1. In order to achieve the Contracting Parties' objective of ensuring the most uniform possible application and interpretation of the provisions referred to in Article 1, the Mixed Committee shall keep under constant review developments in the case-law of the Court of Justice of the European Communities, hereinafter referred to as the "Court of Justice", and in the case-law relating to such provisions of the competent Swiss courts. To that end the Contracting Parties shall ensure the prompt mutual transmission of such case-law.

2. Switzerland shall have the right to submit statements of case or written observations to the Court of Justice in cases where a court in a Member State has applied to the Court of Justice for a preliminary ruling concerning the interpretation of the provisions referred to in Article 1.

Article 6

1. Each year Switzerland shall report to the Mixed Committee on the way in which its administrative authorities and courts have applied and interpreted the provisions referred to in Article 1, as interpreted, where relevant, by the Court of Justice.

2. If, within two months of being notified of a substantial divergence between Court of Justice case-law and that of Switzerland's courts or of a substantial divergence between the authorities of the Member States concerned and the Swiss authorities in their application of the provisions referred to in Article 1, the Mixed Committee is unable to ensure a uniform application and interpretation, the procedure provided for in Article 7 shall be initiated.

Article 7

1. In the event of a dispute about the application or interpretation of this Agreement or where the situation provided for in Article 6(2) occurs, the matter shall be officially entered as a matter of dispute on the agenda of the Mixed Committee.

2. The Mixed Committee shall have ninety days to settle the dispute, counting from the date of adoption of the agenda on which the dispute has been placed.

3. Where the dispute cannot be settled by the Mixed Committee within the ninety-day deadline provided for in paragraph 2, this deadline shall be extended by a further ninety days with a view to reaching a final settlement. If, at the end of that period, the Mixed Committee has not taken a decision, this Agreement shall be considered terminated at the end of the last day of the period in question.

Article 8

1. With regard to the administrative and operating costs associated with the setting-up and operation of the Eurodac central unit, Switzerland shall make a contribution to the general budget of the European Communities amounting to 7.286% of an initial reference amount of €11 675 000 and, from the 2004 financial year, an annual contribution amounting to 7.286% of the corresponding budgetary appropriations for the financial year in question.

As for the other administrative and operating costs associated with implementing this Agreement, Switzerland shall contribute to the general budget of the European Communities an annual sum calculated in accordance with its gross domestic product as a percentage of the gross domestic product of all the participating States.

2. Switzerland shall have the right to receive documents pertaining to this Agreement and, at meetings of the Mixed Committee, to request interpreting into an official language of the institutions of the European Communities of its choosing.

Article 9

The Swiss national supervisory body entrusted with data protection and the independent supervisory body established pursuant to Article 286(2) of the Treaty establishing the European Community shall cooperate to the extent necessary to carry out their duties and, in particular, shall exchange any relevant information. The two bodies shall determine arrangements governing their mutual cooperation by joint agreement.

Article 10

1. This Agreement shall not affect in any respect the other agreements concluded between the European Community and Switzerland.

2. This Agreement shall not affect in any respect any future agreements concluded with Switzerland by the European Community.

Article 11

1. The Kingdom of Denmark may request to participate in this Agreement. The Contracting Parties, acting with the consent of the Kingdom of Denmark, shall lay down the conditions governing such participation in a protocol to this Agreement.

2. Switzerland shall conclude an agreement with the Republic of Iceland and the Kingdom of Norway on the creation of reciprocal rights and obligations pursuant to their respective associations with the implementation, application and development of the Dublin/Eurodac *acquis*.

Article 12

1. This Agreement shall be ratified or approved by the Contracting Parties. Instruments of ratification or approval shall be deposited with the Secretary General of the Council, who shall be the depositary.
2. This Agreement shall enter into force on the first day of the month following notification by the depositary to the Contracting Parties that the final instrument of ratification or approval has been deposited.
3. Articles 2, 3 and 4 of paragraph 2, first sentence, shall apply provisionally as of the date on which this Agreement is signed.

Article 13

With respect to acts or measures adopted after this Agreement has been signed but before it enters into force, the thirty-day period referred to in Article 4(2), last sentence shall start to run from the day of entry into force of this Agreement.

Article 14

1. This Agreement shall be applied only if the agreements referred to in Article 11 are also implemented.
2. In addition, this Agreement shall be implemented only if the agreement concluded between the European Union, the European Community and the Swiss Confederation concerning the latter's association with the implementation, application and development of the Schengen acquis is also implemented.

Article 15

1. Liechtenstein may accede to this Agreement.
2. The accession of Liechtenstein shall be the subject of a protocol to this Agreement setting out all the consequences of accession, including the creation of rights and obligations between Liechtenstein and Switzerland, and between Liechtenstein, of the one part, and the European Community and its Member States, in so far as they are bound by this Agreement, of the other part.

Explanation of the calculation of Switzerland's contribution:

The calculation of Switzerland's contribution is based on the Agreement with Norway and Iceland (OJ L 176 of 10.7.1999, p. 36)

1. Administrative costs:

1.1. Mixed Committee:

The Agreement creates a Mixed Committee (Article 3). This Mixed Committee meets in form of Council working groups, where Switzerland will participate. Thus Switzerland has to contribute to administrative costs of Council Working groups. At the time of the integration of the Schengen acquis, these costs were estimated to be 300 000 000 BEF. Therefore, this amount has been included in the Agreement with Norway and Iceland. For Switzerland, in Article 11 (1) of the Agreement, an amount of 8 100 000 € has been included. This corresponds to the amount of 300 000 000 BEF in the Norway/Iceland Agreement, converted into €, adapted to the inflation between 1999 and 2003 and finally rounded.

The calculation of the percentage of 7,286 for Switzerland has been negotiated and is based on the GDP of Switzerland, Norway and Iceland in 2001 and the percentages of Norway and Iceland in their Agreement.

As this financial contribution of Switzerland concern costs related to the functioning of Council Working groups, the General Secretariat of the Council will be responsible for the recovery of this financial contribution.

1.2. Other administrative costs:

Although Switzerland will participate in Committees assisting the Commission in the exercise of its executive powers, representatives of Switzerland will not be reimbursed for their travel costs and will not receive a daily subsistence allowance.

There are currently no other administrative costs linked to the implementation of the Agreement.

2. Costs related to the functioning of Schengen:

According to Article 11 (2), Switzerland has to contribute to the costs of the Schengen Information System II (SIS II) from the budgetary year 2002 onwards according to its GDP. Therefore, as the Agreement will probably enter into force in 2005, the amount indicated in the financial statement for 2005 concerns Switzerland's contribution for the budgetary years 2002-2005.

According to Article 11 (3), Switzerland has to contribute to other costs related to Schengen also according to its GDP. Currently, other costs related to Schengen concern the Visa Information System (VIS) and the External Border Agency. For the VIS, the amount of 2005 includes the necessary contribution for 2004. For the External Border Agency, the first budgetary year will be 2005.

The calculation of Switzerland's contribution for the budgetary years 2002 and 2003 are based on the consumption of payment appropriations for the corresponding budget lines.

For the year 2004, the calculation is based on commitment appropriations as set out in the budget.

For 2005, the calculation is based on PDB figures (commitment appropriations). The figures for 2006 are based on existing financial programming (commitment appropriations).

Switzerland's prorata of GDP is calculated on the basis of Eurostat GDP figures.

Annex

1.) Explanation of calculation of revenue (section 2.5).

The calculation of Switzerland's contribution is based on the contribution of Iceland and Norway laid down in the Agreement with Iceland and Norway concerning their association with the Dublin and Eurodac acquis (OJ L 93 of 3.4.2001, p. 38).

The percentage of 7,286 to be paid by Switzerland has been negotiated with Switzerland and is calculated on the basis of the GDP of Switzerland, Norway and Iceland in 2001 and the percentages provided for Norway and Iceland in their Agreement.

It has been negotiated, that Switzerland (like Norway and Iceland) has to contribute to the development of the Central Unit of Eurodac from the budgetary year 2000 onwards. Although the Agreement has been initialled in 2004, for reasons due to the history of the negotiations, the amount indicated in Article 8 of the Agreement is only the sum of the amounts of the budgetary years 2000-2003. But the amount of the budgetary year 2004 is included in the calculation indicated in the financial statement of the budgetary year 2005, which consequently covers Switzerland's contribution for the budgetary years 2000-2005.

The calculation of Switzerland's contribution for the budgetary years 2000-2004 are based on the amounts published in the corresponding budgets.

The calculation for Switzerland's contribution for the budgetary year 2005 is based on PDB figures. The figures for 2006 and subsequent years are based on the existing financial programming for the year 2006.

2.) Costs related to meetings of the Joint Committee:

For the Community, there are no additional human resources or administrative costs involved for the meetings of the Joint Committee created by the Agreement (Article 3). This Joint Committee will meet at the same time as the Joint Committee, which has already been created by the Agreement with Norway and Iceland (OJ L 93 of 2.4.2001, p. 40). See also the Common Declaration on joint meetings of the Joint Committees attached to the Agreement.

Thus in practice, although legally there are two Joint Committees, there will be only one meeting where Norway, Iceland and Switzerland are present at the same time.

Travel costs and daily allowances are not reimbursed for the representatives of Switzerland in this Joint Committee.
