Proposal for a

**COUNCIL DECISION**

**on the signing, on behalf of the European Community, and the provisional application of the Agreement in the form of an Exchange of Letters on the amendments to the Protocol setting out, for the period from 18 January 2005 to 17 January 2011, the fishing opportunities and the financial contribution provided for by the Agreement between the European Economic Community and the Republic of Seychelles**

(presented by the Commission)

## **EXPLANATORY MEMORANDUM**

The purpose of this proposal is to amend the existing Protocol to the Agreement on cooperation in the sea fisheries sector between the European Community and the Republic of Seychelles.

Following the meeting of the EC/Seychelles Joint Committee in January 2007, it was decided that the two Parties would organise a meeting of the Joint Committee in accordance with Article 11 of the Protocol and Article 9 of the Agreement in order to submit proposals for amendments to the Protocol. These were discussed at the meeting of the Joint Committee held on 20-21 March in Brussels. The amendments which have been negotiated increase the reference tonnage from 55 000 tonnes to 63 000 tonnes, taking account of the average level of catches over the past three years, introduce financial support for the partnership and increase the share paid by shipowners from EUR 25 to EUR 35 per tonne to bring the Protocol into line with other tuna agreements. The Community contribution is therefore reduced from EUR 75 to EUR 65 per tonne. The total financial contribution therefore increases from EUR 4 125 000 to EUR 5 355 000 and the estimated fee payable by shipowners from EUR 1 375 000 to EUR 2 205 000.

This amended Protocol is to be applied provisionally from 18 January 2008 pending its entry into force in accordance with Article 13 thereof.

The Commission proposes on this basis that the Council adopt by Decision the provisional application of the Agreement in the form of an Exchange of Letters pending its definitive entry into force.

A proposal for a Council Decision on the conclusion of the Agreement in the form of an Exchange of Letters on the amendments to the Protocol is the subject of a separate procedure.

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 37 in conjunction with Article 300(2) thereof,

Having regard to the proposal from the Commission<sup>1</sup>,

Whereas:

- (1) The Protocol setting out, for the period from 18 January 2005 to 17 January 2011, the fishing opportunities and the financial contribution provided for by the Agreement between the European Economic Community and the Republic of Seychelles on fishing off Seychelles was adopted by Council Regulation (EC) No 115/2006 on 23 January 2006.
- (2) In view of the extremely good utilisation of the current fisheries Agreement, the Seychelles authorities' wish to strengthen the partnership and the Community authorities' desire to bring this Protocol into line with other tuna protocols, the two Parties have initialled amendments to the existing Protocol in the form of an Exchange of Letters. The outcome of these amendments has been the subject of an Exchange of Letters and involves an increase in the reference tonnage, the introduction of financial support for the partnership and adjustment of the ratio between the shares paid by shipowners and the Community budget.
- (3) In order for these amendments to the current Protocol to apply from 18 January 2008, the Agreement in the form of an Exchange of Letters should be signed, pending a definitive decision, subject to its definitive conclusion by the Council.

A. Letter from the Government of the Republic of Seychelles:

Sir,

I am delighted that the Republic of Seychelles and European Community negotiators have been able to reach a consensus on amendments to the Protocol setting out the fishing opportunities and the financial contribution and its Annexes.

The negotiations held in Brussels on 20-21 March 2007 have enabled adjustments to be made to the fishing opportunities provided for in the Protocol setting out, for the period from 18 January 2005 to 17 January 2011, the fishing opportunities and the financial contribution provided for by the Fisheries Partnership Agreement between the European Economic Community and the Republic of Seychelles on fishing in Seychelles fishing zones. The amendments made to this Protocol are attached hereto. The amended Protocol having been initialled by the two Parties on 21 March 2007, I would propose continuing in parallel the procedures for approval and/or ratification of the texts of the amended Protocol and its Annex and Appendices in accordance with the procedures in force in the Republic of Seychelles and in the European Community and necessary to their entry into force.

In order to avoid interrupting fishing activities by Community vessels in Seychelles waters, and referring to the Protocol amended on 21 March 2007 and setting out, for the period from 18 January 2008 to 17 January 2011, the fishing opportunities and the financial contribution, I have the honour to inform you that the Government of the Republic of Seychelles is willing to apply this amended Protocol provisionally from 18 January 2008 pending its entry into force in accordance with Article 13 of the Protocol, provided that the European Community is prepared to do likewise.

This is on the understanding that the amended financial contribution laid down by Article 2 of the amended Protocol shall be paid when the two Parties notify each other that they have completed the procedures necessary to the entry into force of the Protocol and its amended Annexes.
