Brussels, 26.1.2009
COM(2009) 19 final

Proposal for a

COUNCIL DECISION

on the position of the Community within the EU-Tunisia Association Council in order to amend Decision No 1/99 of the EU-Tunisia Association Council on the implementation of the provisions on processed agricultural products laid down in Article 10 of the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and the Republic of Tunisia, of the other part

(presented by the Commission)

EXPLANATORY MEMORANDUM

Article 10 of the Euro-Mediterranean Agreement establishing an association between the European Communities and the Republic of Tunisia¹, which was signed in 1995 and came into force in 1998, provides for mutual undertakings for the dismantling of customs barriers for certain processed agricultural products. Pursuant to this Article, Tunisia may maintain part of the customs duties, known as the "agricultural component", on the import of the products listed in Annex 2 to the Agreement, whilst the remainder of these customs duties, known as the "industrial component", must be dismantled pursuant to the same Article. The joint declaration relating to Article 10 of the Agreement provides for the Parties to establish jointly the separate specification by the Republic of Tunisia of this agricultural component. The agricultural component was specified by Decision No 1/99 of the EU-Tunisian Association Council of 25 October 1999², once the Agreement had come into force.

Difficulties were found in the application by Tunisia of Article 10 of the Agreement. The Parties agreed in 2003 to create a group of experts to analyse these difficulties and propose solutions. This group of experts met ten times between 2003 and 2007. It concluded that the definition of the agricultural component of the basic duty, and consequently the Annex to Decision 1/99 of the Association Council, should be amended. This amendment alters neither the basic duty nor the schedule for dismantling laid down in the Agreement.

The aim of this proposal is to amend the Annexes to Decision No 1/99 of the Association Council in accordance with the conclusions of the group of experts.
