**concerning restrictive measures directed against certain persons, entities and bodies in
view of the situation in Egypt**

EXPLANATORY MEMORANDUM

- (1) Council Decision 2011/[...]/CFSP of [...] provides for the adoption of restrictive measures against persons responsible for the misappropriation of Egyptian State funds and who are thus depriving the Egyptian people of the benefits of the sustainable development of their economy and society and are at the same time undermining the development of democracy in the country.

The High Representative of the EU for Foreign Affairs and Security Policy and the Commission propose to give effect to these measures by means of a Regulation based on Article 215 (2) of the Treaty on the Functioning of the European Union (TFEU).

Joint proposal for a

COUNCIL REGULATION

concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Egypt

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215(2) thereof,

Having regard to Council Decision 2011/[...]/CFSP of [...] concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Egypt,

Having regard to the joint proposal from the High Representative of the Union for Foreign Affairs and Security Policy and the Commission,

After consulting the European Data Protection Supervisor,

Whereas:

- (1) Council Decision 2011/[...]/CFSP of [...] provides for the freezing of funds and economic resources of certain persons responsible for the misappropriation of Egyptian State funds, and persons associated with them, who are thus depriving the Egyptian people of the benefits of the sustainable development of their economy and society and undermining the development of democracy in the country. These natural or legal persons, entities and bodies are listed in the Annex to the Decision.
- (2) These measures fall within the scope of the Treaty on the Functioning of the European Union and, therefore, notably with a view to ensuring their uniform application by economic operators in all Member States, regulatory action at the level of the Union is necessary in order to implement them.
- (3) This Regulation respects the fundamental rights and observes the principles recognised in particular by the Charter of Fundamental Rights of the European Union and notably the right to an effective remedy and to a fair trial and the right to the protection of personal data. This Regulation should be applied in accordance with those rights.
- (4) In order to ensure uniform conditions for the implementation of this Regulation, implementing powers should be conferred on the Commission.
- (5) For the implementation of this Regulation, and in order to create maximum legal certainty within the Union, the names and other relevant data concerning natural and legal persons, entities and bodies whose funds and economic resources must be frozen in accordance with this Regulation, must be made public. Any processing of personal

data should comply with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data¹ and Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data².

2. Article 2(2) shall not prevent financial or credit institutions in the Union from crediting frozen accounts where they receive funds transferred to the account of a listed natural or legal person, entity or body, provided that any additions to such accounts will also be frozen. 2. The prohibition set out in Article 2(2) shall not give rise to any liability of any kind on the part of the natural and legal persons, entities and bodies who made funds or economic resources available if they did not know, and had no reasonable cause to suspect, that their actions would infringe the prohibition in question.
