

LIST OF COMMITTEES WHICH ASSIST THE COMMISSION IN THE EXERCISE OF ITS IMPLEMENTING POWERS

(2000/C 225/02)

Article 7(4) of Council Decision 1999/468/EC of 28 June 1999 'laying down the procedures for the exercise of implementing powers conferred on the Commission' stipulates the publication by the Commission of a list of all the committees which assist the Commission in the exercise of its implementing powers, specifying — for each committee — the basic instrument(s) pursuant to which the Committee is established. The Commission is publishing this list in accordance with that stipulation and for the purposes of transparency, indicating for each committee:

1. The committee's official name or the designation given to it.
2. The procedure(s) which apply, using the following abbreviations:
 - I = advisory procedure pursuant to Decision 87/373/EEC
 - II a = 'variant a' management procedure pursuant to Decision 87/373/EEC
 - II b = 'variant b' management procedure pursuant to Decision 87/373/EEC
 - III a = 'variant a' regulatory procedure pursuant to Decision 87/373/EEC
 - III b = 'variant b' regulatory procedure pursuant to Decision 87/373/EEC
 - IV a = 'variant a' safeguard procedure pursuant to Decision 87/373/EEC
 - IV b = 'variant b' safeguard procedure pursuant to Decision 87/373/EEC
 - I = advisory procedure pursuant to Decision 1999/468/EC
 - II = management procedure pursuant to Decision 1999/468/EC
 - III = regulatory procedure pursuant to Decision 1999/468/EC
 - S = safeguard procedure pursuant to Decision 1999/468/EC

Where these abbreviations are given in brackets, they indicate the procedure applying to a sub-part of the committee in question.

Some procedures are not exactly in line with the provisions of Decisions 87/373/EEC and 1999/468/EC; this is indicated by an asterisk in the list.

This list contains a number of committees which, while being given the task in some cases of assisting the Commission in the exercise of its implementing powers, may also fulfil other tasks, which sometimes constitute their main function.

3. The basic instrument(s) pursuant to which a committee has been set up and those stipulating for the first time the procedures governing it; the list does not set out all the legislative instruments pursuant to which each of the committees listed operates.

The legal instruments cited follow the nomenclature contained in the Directory of Community legislation in force and in the Celex base, in the form of a document number consisting of a combination of digits and letters indicating the following:

- 3 = sector of secondary law in Celex system
- 1999 = year of adoption or publication of legal instrument
- D.L.R. = legal form of instrument (D = Decision; L = Directive; R = Regulation)
- 0468 = serial number of legal instrument

4. The relevant publication reference(s) consisting of the following:

- L = Official Journal series (L = legislation)
- 184 = Official Journal number
- 17.7.1999 = publication date
- S. 23 = page number
