EUROPEAN COMMISSION

Calls for proposals under the multi-annual work programme 2012 for grants in the field of the Trans-European Transport Network (TEN-T) for the period 2007-2013**(Commission Decision C(2012) 1574 as amended by Commission Decision C(2012) 8508)**

(2012/C 368/08)

The European Commission, Directorate-General for Mobility and Transport is hereby launching six calls for proposals, under the multi-annual work programme for the Trans-European Transport Network (TEN-T) for the period 2007-2013, in order to award grants to the following fields:

- Priority Projects concerning rail, road and inland waterways (PPs) — the indicative amount available for the selected proposals is EUR 731 million,
- European Rail Traffic Management Systems (ERTMS) — the indicative amount available for the selected proposals is EUR 100 million,
- River Information Services (RIS) — the indicative amount available for the selected proposals is EUR 10 million,
- Air Traffic Management (ATM) — the indicative amount available for the selected proposals is EUR 50 million,
- Motorways of the Sea (MoS) — the indicative amount available for the selected proposals is EUR 80 million,
- Intelligent Transport Systems (ITS) including the European Electronic Toll Service (EETS) — the indicative amount available for the selected proposals is EUR 50 million.

The deadline for the submission of proposals is **28 February 2013**.

The complete texts of the calls for proposals are available on:
