| 66. <i>Gossypium</i> spp. Coton .....             | 14 |
| 67. <i>Helianthus annuus</i> L. Tournesol .....   | 14 |
| 68. <i>Linum usitatissimum</i> L. Lin .....       | 14 |
| 70. <i>Sinapis alba</i> L. Moutarde blanche ..... | 14 |
| 71. <i>Glycine max</i> (L.) Merrill Soja .....    | 15 |

### IV. Céréales

|                                                                                                                                                                          |    |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| 73. <i>Avena sativa</i> L. (including <i>A. byzantina</i> K. Koch) Avoine cultivée et avoine byzantine .....                                                             | 16 |
| 75. <i>Hordeum vulgare</i> L. Orge .....                                                                                                                                 | 16 |
| 1 Orge à deux rangs .....                                                                                                                                                | 16 |
| 2 Escourgeon .....                                                                                                                                                       | 18 |
| 76. <i>Oryza sativa</i> L. Riz .....                                                                                                                                     | 18 |
| 78. <i>Secale cereale</i> L. Seigle .....                                                                                                                                | 19 |
| 79. <i>Sorghum bicolor</i> (L.) Moench Sorgho .....                                                                                                                      | 19 |
| 82. × <i>Triticosecale</i> Wittm. ex <i>A. Camus</i> Hybrides résultant du croisement d'une espèce du genre <i>Triticum</i> avec une espèce du genre <i>Secale</i> ..... | 19 |
| 83. <i>Triticum aestivum</i> L. Froment/Blé tendre .....                                                                                                                 | 20 |
| 84. <i>Triticum durum</i> Desf. Blé dur .....                                                                                                                            | 23 |
| 86. <i>Zea mays</i> L. Maïs .....                                                                                                                                        | 23 |

### V. Pommes de terre

|                                                      |    |
|------------------------------------------------------|----|
| 87. <i>Solanum tuberosum</i> L. Pomme de terre ..... | 26 |
|------------------------------------------------------|----|

## LÉGENDE

1. Le premier complément à la trente et unième édition intégrale du catalogue commun des variétés des espèces agricoles <sup>(1)</sup> intègre les modifications qu'il a fallu apporter afin de tenir compte des informations que la Commission a reçues des États membres.
2. Le présent complément suit la subdivision adoptée dans la trente et unième édition intégrale. Il convient de se référer à la légende de ladite édition.
3. La période couverte par le présent complément s'étend jusqu'au 30 novembre 2012.
4. Les modifications par rapport à la trente et unième édition intégrale sont indiquées comme suit dans la quatrième colonne:
  - (add.): signifie qu'une nouvelle position a été introduite dans le catalogue commun,
  - (mod.): signifie qu'une position existante a été modifiée. Les indications relatives à cette position dans le présent complément remplacent celles qui figuraient dans la trente et unième édition intégrale,
  - (del.): signifie que la ligne ainsi que toutes les indications s'y rapportant sont supprimées du catalogue commun.
5. Le présent complément concerne les variétés notifiées auxquelles s'appliquent les dispositions de l'article 16, paragraphe 1, de la directive 2002/53/CE du Conseil <sup>(2)</sup>.
6. Si un code de mainteneur ne figure pas dans la trente et unième édition intégrale, le nom et l'adresse du mainteneur peuvent être obtenus auprès de l'autorité figurant sur la liste des États membres ou du pays de l'AELE concerné.
