| 67. <i>Helianthus annuus</i> L. Girasol .....     | 12 |
| 68. <i>Linum usitatissimum</i> L. Lino .....      | 13 |
| 70. <i>Sinapis alba</i> L. Mostaza blanca .....   | 13 |
| 71. <i>Glycine max</i> (L.) Merrill Soja .....    | 14 |

### IV. Cereales

|                                                                                                                                                                               |    |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| 72. <i>Avena nuda</i> L. Avena desnuda / Avena descascarillada .....                                                                                                          | 15 |
| 73. <i>Avena sativa</i> L. (including <i>A. byzantina</i> K. Koch) Avena y Avena roja .....                                                                                   | 15 |
| 75. <i>Hordeum vulgare</i> L. Cebada .....                                                                                                                                    | 15 |
| 1 Cebada de dos carreras .....                                                                                                                                                | 15 |
| 2 Cebada de seis carreras .....                                                                                                                                               | 17 |
| 78. <i>Secale cereale</i> L. Centeno .....                                                                                                                                    | 18 |
| 79. <i>Sorghum bicolor</i> (L.) Moench Sorgo .....                                                                                                                            | 18 |
| 81. <i>Sorghum bicolor</i> (L.) Moench × <i>Sorghum sudanense</i> (Piper) Stapf. Híbridos resultantes del cruce entre <i>Sorghum bicolor</i> y <i>Sorghum sudanense</i> ..... | 18 |
| 82. × <i>Triticosecale</i> Wittm. ex A. Camus Híbridos resultantes del cruce de una especie del género <i>Triticum</i> con una especie del género <i>Secale</i> .....         | 18 |
| 83. <i>Triticum aestivum</i> L. Trigo blando .....                                                                                                                            | 19 |
| 84. <i>Triticum durum</i> Desf. Trigo duro .....                                                                                                                              | 20 |
| 85. <i>Triticum spelta</i> L. Escanda común .....                                                                                                                             | 20 |
| 86. <i>Zea mays</i> L. Maíz .....                                                                                                                                             | 20 |

### V. Patatas

|                                              |    |
|----------------------------------------------|----|
| 87. <i>Solanum tuberosum</i> L. Patata ..... | 23 |
|----------------------------------------------|----|

### NOTAS EXPLICATIVAS

1. Este segundo suplemento a la trigésima primera edición integral del Catálogo común de variedades de especies de plantas agrícolas <sup>(1)</sup> contiene las modificaciones que ha sido necesario realizar para tener en cuenta la información que la Comisión ha recibido de los Estados miembros.
2. El presente suplemento mantiene la subdivisión adoptada en la trigésima primera edición integral. Podrá hacerse referencia a la leyenda de esta edición.
3. El presente suplemento abarca el período hasta el 31 de diciembre de 2012.
4. Las modificaciones introducidas en la trigésima primera edición integral se indican de la manera siguiente en la columna 4:
  - (add.): indica una nueva posición introducida en el Catálogo común,
  - (mod.): indica que se ha modificado una posición existente; las indicaciones relativas a dicha posición en el presente suplemento sustituyen a las que figuraban en la trigésima primera edición integral,
  - (del.): indica que se suprimen del Catálogo común la posición y todas las indicaciones relativas a la misma.
5. El presente suplemento afecta a las variedades notificadas a las que se aplican las disposiciones fijadas en el artículo 16, apartado 1, de la Directiva 2002/53/CE del Consejo <sup>(2)</sup>.
6. Si el código del encargado del mantenimiento no aparece en la trigésima primera edición integral, su nombre y dirección pueden obtenerse de la autoridad indicada en la lista para el Estado miembro o país de la AELC en cuestión.
