COMMISSION

COMMISSION DECISION
of 20 May 1998
on the establishment of Sectoral Dialogue Committees promoting the Dialogue between the social partners at European level
(notified under document number C(1998) 2334)
(Text with EEA relevance)

(98/500/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Whereas Article 118b of the Treaty states that the Commission is to endeavour to develop the dialogue between management and labour at European level which could, if the two sides consider it desirable, lead to relations based on agreement;

Whereas point 12 of the Community Charter of the Fundamental Social Rights of Workers states that employers or employers’ organizations, on the one hand, and workers’ organizations, on the other, should have the right to negotiate and conclude collective agreements under the conditions laid down by national legislation and practice. The dialogue between the two sides of industry at European level which is to be developed, may, if the parties deem it desirable, result in contractual relations in particular at inter-occupational and sectoral level;

Whereas the Commission in response to the Communication of 18 September 1996 concerning the development of the social dialogue at Community level (1) received a strong support from all involved parties in its suggestion to strengthen the sectoral social dialogue;

Whereas the European Parliament, in its Resolution of 18 July 1997 (2), responding to that Commission Communication, called for a specific importance to be attached to the sectoral social dialogue since the impact of regulation and/or deregulation on employment in the economic sectors can best be assessed within the sectoral dialogue;

Whereas the Economic and Social Committee in its opinion of 29 January 1997 (3), responding to that Commission Communication, stated that the sectoral dialogue must be effective, efficient and well-directed;

Whereas the situation in the various Member States clearly demonstrates the need for the two sides of industry to participate actively in discussions on the improvement of living and working conditions in their sector, whereas a sectoral dialogue committee attached to the Commission is the most appropriate means of ensuring such participation, by creating at Community level a representative forum for the socio-economic interests involved;

Whereas the Commission should endeavour to ensure that the membership and the activities of the Sectoral Dialogue Committees contribute to the promotion of equality between women and men;

Whereas the existing Joint Committees should be replaced by the Sectoral Dialogue Committees; whereas the Decisions establishing those Committees should therefore be repealed,

HAS DECIDED AS FOLLOWS:

Article 1

covered by a Commission decision establishing a Joint
