## ANNEX I

**Terms and conditions for the participation of the Republic of Slovenia in the Culture 2000 programme**

1. Slovenia will participate in the activities of the Culture 2000 programme (hereinafter called 'the programme') in conformity, unless otherwise provided for in this Decision, with the objectives, criteria, procedures and deadlines as defined in Decision No 508/2000/EC of the European Parliament and of the Council of 14 February 2000 establishing the Culture 2000 Programme <sup>(1)</sup>.
2. To participate in the programme, Slovenia will pay each year a contribution to the general budget of the European Union according to the detailed arrangements described in Annex II. If necessary in order to take into account programme developments, or the evolution of Slovenia's absorption capacity, the Association Committee is entitled to adapt this contribution, so as to avoid a budgetary imbalance in the implementation of the programme.
3. The terms and conditions for the submission, assessment and selection of applications related to eligible institutions, organisations and individuals of Slovenia will be the same as those applicable to eligible institutions, organisations and individuals of the Community. Slovenian experts may be taken into consideration by the Commission when appointing independent experts according to the relevant provisions of the decision establishing the programme to assist it in the project evaluation.
4. With a view to ensuring the Community dimension of the programme, in order to be eligible for Community financial support, projects and activities will have to include at least a partner from one of the Member States of the Community.
5. The maximum amount of financial support for the activities of the cultural contact points will not exceed 50 % of the total budget for its activities.
6. Without prejudice to the responsibilities of the Commission of the European Communities and the Court of Auditors of the European Communities in relation to the monitoring and evaluation of the programme pursuant to Article 8 of Decision No 508/2000/EC, the participation of Slovenia in the programme will be continuously monitored on a partnership basis involving the Commission of the European Communities and Slovenia. Slovenia will submit to the Commission relevant reports and take part in other specific activities set out by the Community in that context.
7. In conformity with the Community's Financial Regulations, contractual arrangements concluded with, or by, entities of Slovenia shall provide for controls and audits to be carried out by, or under the authority of, the Commission and the Court of Auditors. As far as financial audits are concerned, they may be carried out for the purpose of controlling such entities' income and expenditures, related to the contractual obligations towards the Community. In a spirit of cooperation and mutual interest, the relevant authorities of Slovenia shall provide any reasonable and feasible assistance as may be necessary or helpful under the circumstances to perform such controls and audits.
8. Without prejudice to the procedures referred to in Article 5 of Decision No 508/2000/EC, representatives of Slovenia will participate as observers in the Management Committee for the points which concern them. This committee shall meet without the presence of representatives of Slovenia for the rest of the points, as well as at the time of voting.
9. The language to be used in all sorts of contacts with the Commission, as regards the application process, contracts, reports to be submitted and other administrative arrangements for the programme, will be one of the official languages of the Community.
10. The Community and Slovenia may terminate activities under this Decision at any time upon 12 months' notice in writing. Projects and activities in progress at the time of termination shall continue until their completion under the conditions laid down in this Decision.

## ANNEX II

**Financial contribution of the Republic of Slovenia to Culture 2000**

1. The financial contribution to be paid by Slovenia to the general budget of the European Union to participate in the programme will be the following:

(in EUR)

Year 2002	Year 2003	Year 2004
161 820	161 820	161 820

2. Slovenia will pay the contribution mentioned above, partly from the Slovenian national budget, and partly from Slovenia's PHARE national programme. Subject to a PHARE separate programming procedure, the requested PHARE funds will be transferred to Slovenia by means of a separate Financing Memorandum. Together with the part coming from Slovenia's State budget, these funds will constitute Slovenia's national contribution, out of which it will make payments in response to annual calls for funds from the Commission.
3. PHARE funds will be requested according to the following schedule:

(in EUR)

Year 2002	Year 2003	Year 2004
61 598	61 598	61 598

The remaining part of the contribution of Slovenia will come from the Slovenian State budget.

4. The Financial Regulation applicable to the general budget of the European Communities will apply, in particular to the management of the contribution of Slovenia.

Travel costs and subsistence costs incurred by representatives and experts of Slovenia for the purposes of taking part as observers in the work of the committee referred to in Annex I, point 8 or other meetings related to the implementation of the programme shall be reimbursed by the Commission on the same basis as and in accordance with the procedures currently in force for non-governmental experts of the Member States of the European Union.

5. At the beginning of each year following the entry into force of this Decision, the Commission will send to Slovenia a call for funds corresponding to its contribution to the budget of the programme under this Decision.

This contribution shall be expressed in euro and paid into a euro bank account of the Commission.

Slovenia will pay its contribution according to the call for funds:

- by 1 May for the part financed from its national budget, provided that the call for funds is sent by the Commission before 1 April, or at the latest one month after the call for funds is sent if later,
- by 1 May for the part financed from PHARE, provided that the corresponding amounts have been sent to Slovenia by this time, or at the latest within a period of 30 days after these funds have been sent to Slovenia.

Any delay in the payment of the contribution shall give rise to the payment of interest by Slovenia on the outstanding amount from the due date. The interest rate corresponds to the rate applied by the European Central Bank, on the due date, for its operations in euro, increased by 1,5 percentage points.
