Prior notification of a concentration

(Case COMP/M.6741 — Vivendi Group/N/C+ Entity)

Candidate case for simplified procedure

(Text with EEA relevance)

(2012/C 339/10)

1. On 26 October 2012, the Commission received a notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾ by which Canal+ Group SA, ('Canal+', France — ultimately owned by Vivendi SA ('Vivendi')) acquires, within the meaning of Article 3(1)(b) of the Merger Regulation, control of the whole of N/C + Entity ('N/C+', Poland) by way of contract.

2. The business activities of the undertakings concerned are:

- for Canal +: the production, distribution and marketing of television channels and services over all platforms,
- for N/C+: the provision of pay-TV services via direct to home satellite in Poland.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the EC Merger Regulation. However, the final decision on this point is reserved. Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under the EC Merger Regulation ⁽²⁾ it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. Observations can be sent to the Commission by fax (+32 22964301), by e-mail to COMP-MERGER-REGISTRY@ec.europa.eu or by post, under reference number COMP/M.6741 — Vivendi Group/N/C+ Entity, to the following address:
