(2012/350/EU)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Decision 2009/470/EC of 25 May 2009 on expenditure in the veterinary field ⁽¹⁾, and in particular Article 4 thereof,

Whereas:

(1) In accordance with Article 75 of the Financial Regulation and Article 90(1) of the Implementing Rules, the commitment of expenditure from the Union budget shall be preceded by a financing decision setting out the essential elements of the action involving expenditure and adopted by the institution or the authorities to which powers have been delegated by the institution.

(2) Decision 2009/470/EC lays down the procedures governing the financial contribution from the Union towards specific veterinary measures, including emergency measures. With a view to helping to eradicate avian influenza as rapidly as possible the Union should contribute financially to eligible expenditure borne by the Member States. Article 4(3) first and second indents of that Decision lays down rules on the percentage that must be applied to the costs incurred by the Member States.

(3) Article 3 of Commission Regulation (EC) No 349/2005 of 28 February 2005 laying down rules on the Community financing of emergency measures and of the campaign to combat certain animal diseases under Council Decision 90/424/EEC ⁽²⁾ sets rules on the expenditure eligible for Union financial support.

(4) Commission Decision 2008/557/EC of 27 June 2008 on a financial contribution from the Community towards emergency measures to combat avian influenza in Poland in 2007 ⁽³⁾ granted a financial contribution by the Union towards emergency measures to combat avian influenza in Poland in 2007. An official request for reimbursement was submitted by Poland on 13 March 2008, as set out in Article 7(1) and 7(2) of Regulation (EC) No 349/2005.

(5) The payment of the financial contribution from the Union is to be subject to the condition that the

planned activities were actually implemented and that the authorities provided all the necessary information within the set deadlines. Decision 2008/557/EC provided that a first tranche of EUR 845 000,00 be paid as part of the Union's financial contribution. Commission Implementing Decision 2011/799/EU ⁽⁴⁾ provided that a second tranche of EUR 750 000,00 be paid as part of the Union's financial contribution.

(6) Poland has in accordance with Article 3(4) of Decision 2009/470/EC without delay informed the Commission and the other Member States of the measures applied in accordance with Union legislation on notification and eradication and the results thereof. The request for reimbursement was, as required in Article 7 of Regulation (EC) No 349/2005, accompanied by a financial report, supporting documents, an epidemiological report on each holding where the animals have been slaughtered or destroyed and the results of respective audits.

(7) An audit according to Article 10 of Regulation (EC) No 349/2005 was carried out by the Commission's services. The Commission's observations, method of calculating the eligible expenditure and final conclusions were communicated to Poland on 23 December 2011. Poland agreed by letter dated 3 April 2012.

(8) Consequently the total amount of the financial support from the Union to the eligible expenditure incurred in connection with the eradication of avian influenza in Poland in 2007 can now be fixed.

(9) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

HAS ADOPTED THIS DECISION:
