**Notice concerning the anti-dumping measures in force in respect of imports into the Union of melamine originating in the People's Republic of China: change of the name of one company subject to the minimum import price**

(2014/C 414/05)

Imports of melamine originating in the People's Republic of China are subject either to a minimum import price or an anti-dumping duty imposed by Council Implementing Regulation (EU) No 457/2011<sup>(1)</sup> ('Regulation (EU) No 457/2011').

On 6 August 2014, Shandong Liaherd Chemical Industry Co., Ltd, a company subject to the minimum import price, notified the Commission of its change of name to Holitech Technology Co., Ltd.

The company argued that their change of name does not affect their right to continue to benefit from the minimum import price.

The Commission has examined the information supplied and concluded that the change of name in no way affects the findings of Regulation (EU) No 457/2011.

Therefore, the reference in Article 1(2) of Regulation (EU) No 457/2011 to:

Shandong Liaherd Chemical Industry Co., Ltd.

should be read as:

Holitech Technology Co., Ltd.

The TARIC additional code A987, previously attributed to Shandong Liaherd Chemical Industry Co., Ltd, shall apply to Holitech Technology Co., Ltd.
