A. *Letter from the Union*

Dear Sir/Madam,

I have the honour to refer to the negotiations which took place in accordance with the Euro-Mediterranean Roadmap for agriculture (Rabat Roadmap) adopted on 28 November 2005, by the Ministers for Foreign Affairs at the Euro-Mediterranean conference, for the acceleration of liberalisation of trade in agricultural products, processed agricultural products, fish and fishery products under Articles 16 and 18 of the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and the Kingdom of Morocco, of the other part (hereinafter the 'Association Agreement'), in force since 1 March 2000, which provides for the gradual implementation of greater liberalisation of reciprocal trade in agricultural products, processed agricultural products, fish and fishery products.

At the end of the negotiations the European Union and the Kingdom of Morocco agreed upon the following amendments to the Association Agreement:

(1) the text of Article 7 shall be replaced by the following text:

'The provisions of this Chapter shall apply to products originating in the European Union or in Morocco other than those listed in Chapters 1 to 24 of the Combined Nomenclature (CN) and those listed in Annex 1, paragraph 1, (ii) of the WTO Agreement on Agriculture.';

(2) Article 10 is deleted;

(3) the title of Chapter II shall be replaced by the following:

'AGRICULTURAL PRODUCTS, PROCESSED AGRICULTURAL PRODUCTS, FISH AND FISHERY PRODUCTS';

(4) the text of Article 15 shall be replaced by the following text:

'The expressions "agricultural products" "processed agricultural products" and "fish and fishery products" refer to the products listed in Chapters 1 to 24 of the Combined Nomenclature (CN) and those listed in Annex 1, paragraph 1, (ii) of the WTO Agreement on Agriculture.';

(5) the text of Article 17 shall be replaced by the following text:

'1. Agricultural products, processed agricultural products, fish and fishery products originating in Morocco listed in Protocol No 1 shall be subject to the arrangements set out in that Protocol on importation into the European Union.

The provisions of this chapter shall not preclude the retention by the European Union of an agricultural component on imports of fructose (CN code 1702 50 00) originating in Morocco.

This agricultural component reflects the gaps between the prices on the market of the European Union of agricultural products considered as used in the production of fructose and the price of imports of such products from third countries.

2. Agricultural products, processed agricultural products, fish and fishery products originating in the European Union listed in Protocol No 2 shall be subject to the arrangements set out in that Protocol on importation into Morocco.

The provisions of this chapter shall not preclude the separate specification by Morocco of an agricultural component in the import duties in force on the products listed in subchapter HS 1902 (pasta) and included in list 3 attached to Protocol No 2.';

(6) the text of Article 18(1) shall be replaced by the following text:

'1. **Cooperation**

1.   For the purposes of managing the provisions set out in paragraph 1 of Article 3, and in order to ensure supplies to the Moroccan market as well as the stability and continuity of that market and to stabilise prices on the Moroccan market and preserve traditional trade flows, the following cooperation arrangements shall apply in the cereals sector: the parties shall hold consultations before the beginning of each marketing year, no later than the first half of June.

2.   The purpose of these consultations will be to discuss the market situation for cereals including, in particular, production forecasts for Moroccan common wheat, the situation of stocks, consumption, producer and export prices and possible market development as well as possibilities of adapting supply to demand.

*Article 5*

**Rendezvous clause**

The parties shall meet no later than three years from the date of entry into force of this Protocol to consider the possibility of granting each other further preferential concessions, taking into account the agricultural policy, sensitivity and specific characteristics of each product concerned.

*Article 6*

**Safeguard measure**

Without prejudice to the provisions of Articles 25 to 27 of the Agreement, if, given the particular sensitivity of the agricultural markets, there are such increased quantities of imports of products from the European Union which are the subject of concessions granted under this Protocol that they cause serious market disturbance and/or serious disturbance to the production sector, both Parties shall hold consultations immediately to find an appropriate solution. Pending such solution, the importing Party is authorised to take the measures it deems necessary.

The safeguard measure, taken pursuant to the previous paragraph, may only be applied for a maximum duration of one year, which may be renewed just once on the decision of the Association Committee.

*Article 7*

**Sanitary and phytosanitary provisions and technical standards and regulations**

With a view to eliminating barriers to trade for agricultural products, processed agricultural products, fish and fishery products, the Parties agree to apply the following sanitary and phytosanitary provisions and technical standards and rules to their bilateral trade:

(1) the rights and obligations of the parties with regard to the sanitary and phytosanitary measures derive from the WTO Agreement on the Application of Sanitary and Phytosanitary Measures (SPS Agreement);

(2) the application of sanitary and phytosanitary measures should take account of the standards, procedures and recommendations of international standards organisations, including the Codex Alimentarius Commission, the World Organisation for Animal Health, the International Office of Epizootic Diseases, the International Plant Protection Convention, and the European and Mediterranean Plant Protection Organisation;

(3) the rights and obligations of the Parties with regard to standards, technical regulations, and conformity assessments are governed by the provisions of the WTO Agreement on Technical Barriers to Trade (WTO Agreement);

(4) the Parties shall communicate the names and contact details of the contact points to facilitate the processing and resolution of problems linked to the application of paragraphs 1, 2 and 3.

*Article 8*

**Geographical indications**

The two Parties engaged in discussions with a view to promoting and developing quality products and protecting the distinctive quality marks in accordance with the terms of the 2005 Euromed roadmap for agriculture.

Following those discussions and, having regard to both Parties having a shared interest in concluding an agreement on the protection of geographical indications for agricultural products, processed agricultural products, fish and fishery products, the Parties agreed to open negotiations no later than three months after the date of entry into force of this Protocol.

(ᴬ) The quota will be increased from the second year from the entry into force of this Protocol.

(ᴮ) The customs duties for the products will be reduced by 50 % once the Agreement enters into force. The remaining customs duties will be dismantled on a linear basis in nine equal tranches. (10th year 0 %).

(*) In accordance with the particular specifications concerning the categories of meat and the zootechnical provisions for imports agreed by the Parties at the time of signing the Agreement.

*ANNEX*

**Joint declaration**

The Parties agree that the entry price mechanism is maintained in the terms provided by this Agreement. If, after the entry into force of this Agreement, the European Union grants more favourable concessions on entry prices to one of the Mediterranean partner countries, the European Union undertakes to open immediate consultations with a view to granting the same conditions to Morocco.

The two Parties shall open consultations with a view to improving access conditions for the products covered by CN codes 0703 20 00 and 0805 20 10 when the quota levels fixed under column "b" of the Annex to Protocol No 1 are reached.'

B. *Letter from the Kingdom of Morocco*

Dear Sir/Madam,

I have the honour to acknowledge receipt of your letter of today's date which reads as follows:

'I have the honour to refer to the negotiations which took place in accordance with the Euro-Medi-terranean Roadmap for agriculture (Rabat Roadmap) adopted on 28 November 2005, by the Ministers for Foreign Affairs at the Euro-Mediterranean conference, for the acceleration of liberalisation of trade in agricultural products, processed agricultural products, fish and fishery products under Articles 16 and 18 of the Euro-Mediterranean Agreement establishing an association between the European Communities and their Member States, of the one part, and the Kingdom of Morocco, of the other part (hereinafter the "Association Agreement"), in force since 1 March 2000, which provides for the gradual implementation of greater liberalisation of reciprocal trade in agricultural products, processed agricultural products, fish and fishery products.

At the end of the negotiations the European Union and the Kingdom of Morocco agreed upon the following amendments to the Association Agreement:

(1) the text of Article 7 shall be replaced by the following text:

"The provisions of this Chapter shall apply to products originating in the European Union or in Morocco other than those listed in Chapters 1 to 24 of the Combined Nomenclature (CN) and those listed in Annex 1, paragraph 1, (ii) of the WTO Agreement on Agriculture.";

(2) Article 10 is deleted;

(3) the title of Chapter II shall be replaced by the following:

"AGRICULTURAL PRODUCTS, PROCESSED AGRICULTURAL PRODUCTS, FISH AND FISHERY PRODUCTS";

(4) the text of Article 15 shall be replaced by the following text:

"The expressions 'agricultural products', 'processed agricultural products' and 'fish and fishery products' refer to the products listed in Chapters 1 to 24 of the Combined Nomenclature (CN) and those listed in Annex 1, paragraph 1, (ii) of the WTO Agreement on Agriculture.";

(5) the text of Article 17 shall be replaced by the following text:

"1. Agricultural products, processed agricultural products, fish and fishery products originating in Morocco listed in Protocol No 1 shall be subject to the arrangements set out in that Protocol on importation into the European Union.

The provisions of this chapter shall not preclude the retention by the European Union of an agricultural component on imports of fructose (CN code 1702 50 00) originating in Morocco.

This agricultural component reflects the gaps between the prices on the market of the European Union of agricultural products considered as used in the production of fructose and the price of imports of such products from third countries.

2. Agricultural products, processed agricultural products, fish and fishery products originating in the European Union listed in Protocol No 2 shall be subject to the arrangements set out in that Protocol on importation into Morocco.

The provisions of this chapter shall not preclude the separate specification by Morocco of an agricultural component in the import duties in force on the products listed in subchapter HS 1902 (pasta) and included in List 3 attached to Protocol No 2.";

(6) the text of Article 18(1) shall be replaced by the following text:

"1. The parties shall meet no later than three years from the date of entry into force of this agreement to consider the possibility of granting each other further preferential concessions, taking into account the agricultural policy, sensitivity and specific characteristics of each product concerned.";

(7) Protocols 1, 2 and 3 and their Annexes shall be replaced by those set out in Annexes I and II attached to this exchange of letters.

This Agreement in the form of an exchange of letters shall enter into force on the first day of the third month following the date of deposit of the last instrument of approval.

I would be grateful if you could confirm the agreement of your Government to the above.'

I have the honour to confirm the agreement of my Government with the contents of this letter.

Please accept, Sir/Madam, the assurance of my highest consideration.
