Having regard to Regulation (EC) No 1107/2009 of the European Parliament and of the Council of 21 October 2009 concerning the placing of plant protection products on the market and repealing Council Directives 79/117/EEC and 91/414/EEC ⁽¹⁾, and in particular Article 20(1) thereof,

Whereas:

- (1) The approval of the active substance 2,4-D, as set out in Part A of the Annex to Commission Implementing Regulation (EU) No 540/2011 ⁽²⁾, expires on 31 December 2015.
- (2) An application for the renewal of the inclusion of 2,4-D in Annex I to Council Directive 91/414/EEC ⁽³⁾ was submitted in accordance with Article 4 of Commission Regulation (EU) No 1141/2010 ⁽⁴⁾ within the time period provided for in that Article.
- (3) The applicant submitted the supplementary dossiers required in accordance with Article 9 of Regulation (EU) No 1141/2010. The application was found to be complete by the rapporteur Member State.
- (4) The rapporteur Member State prepared a renewal assessment report in consultation with the co-rapporteur Member State and submitted it to the European Food Safety Authority (hereinafter 'the Authority') and the Commission on 4 March 2013.
- (5) The Authority communicated the renewal assessment report to the applicant and to the Member States for comments and forwarded the comments received to the Commission. The Authority also made the supplementary summary dossier available to the public.
- (6) On 7 August 2014 and 11 March 2015 ⁽⁵⁾ the Authority communicated to the Commission its conclusion on whether 2,4-D can be expected to meet the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009. The Commission presented the draft review report for 2,4-D to the Standing Committee on Plants, Animals, Food and Feed on 28 May 2015.

- (8) It is therefore appropriate to renew the approval of 2,4-D.
- (9) In accordance with Article 14(1) of Regulation (EC) No 1107/2009 in conjunction with Article 6 thereof and in the light of current scientific and technical knowledge, it is, however, necessary to include certain conditions and restrictions.
