

**COMMISSION IMPLEMENTING REGULATION (EU) No 801/2014****of 24 July 2014****setting out the timetable and other implementing conditions related to the mechanism for the allocation of resources for the Union Resettlement Programme under the Asylum, Migration and Integration Fund**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 516/2014 of the European Parliament and of the Council of 16 April 2014 establishing the Asylum, Migration and Integration Fund <sup>(1)</sup>, in particular Article 17(8) thereof,

After consulting the Asylum, Migration and Integration and Internal Security Funds Committee established by Article 59 (1) of Regulation (EU) No 514/2014 of the European Parliament and of the Council of 16 April 2014 laying down general provisions on the Asylum, Migration and Integration Fund and on the instrument for financial support for police cooperation, preventing and combating crime, and crisis management <sup>(2)</sup>,

Whereas:

- (1) In addition to the amounts allocated pursuant to Article 15(1)(a) of Regulation (EU) No 516/2014, Member States receive an additional amount, every two years, for each resettled person.
- (2) The periods to be taken into account for the calculation of the additional amount should be specified. It is appropriate to establish three resettlement periods, in respect of each of which an additional amount may be allocated to a Member State.
- (3) If, in 2017, it appears necessary to provide for a revision in 2019 of the common Union resettlement priorities referred to in Article 17(2) of Regulation (EU) No 516/2014, the third resettlement period, covering the years 2018 to 2020, may be limited to the years 2018 and 2019. If so, this Regulation will be amended to provide for an additional resettlement period for the year 2020.
- (4) In order for the Commission to establish the additional amount to be allocated in respect of resettlement in any given resettlement period, each Member State should submit to the Commission an estimate of the number of persons it plans to resettle during that period. The estimate should be submitted via the electronic data exchange system established by Article 2 of Commission Implementing Regulation (EU) No 802/2014 <sup>(3)</sup>.
- (5) Regulation (EU) No 516/2014 provides that the additional amounts for resettlement are to be allocated to the Member States for the first time in the individual financing decisions approving the national programmes referred to in Article 14 of Regulation (EU) No 514/2014. For the resettlement period covering the years 2014 and 2015, the national programmes to be submitted to the Commission should therefore contain an estimate of the number of persons the Member State plans to resettle during that period. For the other resettlement periods, each Member State should submit an estimate by 15 September of the year preceding the resettlement period concerned.
- (6) The additional amount for resettlement allocated to each Member State is based on an estimate of the number of persons it plans to resettle. To qualify for payment of the additional amount, the persons concerned should have been effectively resettled from the beginning of the period concerned and up to six months following the end of that period.
- (7) In order to be paid the additional amount, which is based on a lump sum for each resettled person, Member States should report to the Commission the number of persons qualifying for payment. They should keep the evidence of these persons qualifying for payment.
