under the European Agenda on Migration**

EXPLANATORY MEMORANDUM

The Council Regulation (EU, EURATOM) No 1311/2013 of 2 December 2013 laying down the multiannual financial framework for the years 2014-2020¹ allows for the mobilisation of the Flexibility Instrument to allow the financing of clearly identified expenditure which could not be financed within the limits of the ceilings available for one or more headings of the multiannual financial framework.

In accordance with Article 11 of Council Regulation No 1311/2013 and point 12 of the Interinstitutional Agreement of 2 December 2013 between the European Parliament, the Council and the Commission on budgetary discipline, on cooperation in budgetary matters on and sound financial management², after having examined all possibilities for re-allocating appropriations and exhausted any unallocated margin under the expenditure heading *Security and Citizenship* (heading 3), the Commission proposes to mobilise the Flexibility Instrument. This mobilisation concerns an amount of EUR 66,1 million beyond the ceiling of heading 3 of the multiannual financial framework, and is intended to finance support for measures for managing the refugee crisis.

The payment appropriations corresponding to the proposed mobilisation of the Flexibility Instrument are EUR 52,9 million in 2016 and EUR 13,2 million in 2017.
