

COMMISSION IMPLEMENTING DECISION (EU) 2016/2322**of 19 December 2016****on the format of the statement of completion of ship recycling required under Regulation (EU) No 1257/2013 of the European Parliament and of the Council on ship recycling****(Text with EEA relevance)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1257/2013 of the European Parliament and of the Council of 20 November 2013 on ship recycling and amending Regulation (EC) No 1013/2006 and Directive 2009/16/EC ⁽¹⁾, and in particular point (b) of Article 13(3) thereof,

Whereas:

- (1) Regulation (EU) No 1257/2013 lays down requirements for ship recycling companies, ship recycling facilities and operators of ship recycling facilities regarding the recycling of ships flying the flag of a Member State of the Union.
- (2) Pursuant to Article 13(2)(c) of Regulation (EU) No 1257/2013, the operator of a ship recycling facility is to send, within 14 days of the date of the total or partial recycling in accordance with the ship recycling plan, a statement of completion to the administration which issued the ready for recycling certificate for the ship. The format of the statement of completion must be consistent with Appendix 7 to the International Convention for the Safe and Environmentally Sound Recycling of Ships adopted in Hong Kong on 15 May 2009 ('Hong Kong Convention').
- (3) Pursuant to Article 3(6) of Regulation (EU) No 1257/2013, 'ship recycling' means the activity of complete or partial dismantling of a ship. A statement of completion of recycling is therefore needed in the event of partial dismantling. The format of the statement of completion refers to a single ship recycling facility. In the event of dismantling of a single ship taking place across several facilities, a separate statement of completion is required for each facility involved in the process.
- (4) The measures provided for in this Decision are in accordance with the opinion of the Ship Recycling Regulation Committee established under Article 25 of Regulation (EU) No 1257/2013,

HAS ADOPTED THIS DECISION:

Article 1

Statements of completion of ship recycling required under Article 13(2)(c) of Regulation (EU) No 1257/2013 shall comply with the format set out in the Annex to this Decision.

Article 2

This Decision shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

Done at Brussels, 19 December 2016.

For the Commission

The President
