

**Calls for proposals under the multi-annual work programme for grants in the field of the trans-European transport infrastructure under the Connecting Europe Facility for the period 2014-2020**

**(Commission Decision C(2014) 1921)**

(2014/C 308/07)

The European Commission, Directorate-General for Mobility and Transport is hereby launching four calls for proposals, under the multi-annual work programme for the Trans-European Transport Network (TEN-T) for the period 2014-2020, in order to award grants to the following funding objectives:

- Funding Objective 1: Removing bottlenecks and bridging missing links, enhancing rail interoperability, and, in particular, improving cross-border sections — the indicative amount available for the selected proposals is EUR 5 954,786 million.
- Funding Objective 2: Ensuring sustainable and efficient transport systems in the long run, with a view to preparing for expected future transport flows, as well as enabling all modes of transport to be decarbonised through transition to innovative low-carbon and energy-efficient transport technologies, while optimising safety — the indicative amount available for the selected proposals is EUR 249 million.
- Funding Objective 3: Optimising the integration and interconnection of transport modes and enhancing the interoperability of transport services, while ensuring the accessibility of transport infrastructures — the indicative amount available for the selected proposals is EUR 731,24 million.
- Funding Objective 4: Cohesion Fund allocation — the indicative amount available for the selected proposals is EUR 3 984,08 million.

The deadline for the submission of proposals is **26 February 2015**.

The complete texts of the calls for proposals are available on:
