(2017/C 222/07)

Base rates calculated in accordance with the Communication from the Commission on the revision of the method for setting the reference and discount rates (OJ C 14, 19.1.2008, p. 6.). Depending on the use of the reference rate, the appropriate margins have still to be added as defined in this communication. For the discount rate this means that a margin of 100 basispoints has to be added. The Commission Regulation (EC) No 271/2008 of 30 January 2008 amending Regulation (EC) No 794/2004 foresees that, unless otherwise provided for in a specific decision, the recovery rate will also be calculated by adding 100 basispoints to the base rate.

Modified rates are indicated in bold.
