

Prior notification of a concentration
(Case M.8470 — DAAM/InfraVia/FIH/AI)
(Text with EEA relevance)
(2017/C 197/08)

1. On 13 June 2017, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾ by which the undertakings Deutsche Alternative Asset Management (Global) Limited ('DAAM', United Kingdom), InfraVia Capital Partners ('InfraVia', France), and Finanziaria Internazionale Holding SpA ('FIH', Italy) acquire within the meaning of Article 3(1)(b) of the Merger Regulation control of the whole of Agorà Investimenti SpA ('AI', Italy), by way of purchase of shares.

2. The business activities of the undertakings concerned are:

- for DAAM: investment management and fund management services. It is a wholly owned subsidiary of Deutsche Bank, a global provider of financial services. DAAM indirectly controls, among others, TCR CapVest SA, a specialist provider of aviation ground support equipment providing rental, maintenance/repair/ramp assistance and fleet management services;
- for InfraVia: infrastructure fund management across sectors including transportation, environment, energy and social infrastructure;
- for FIH: holding of investments in companies operating in investment banking and asset management, business process outsourcing and proprietary investments;
- for AI: holding of investments in SAVE, the parent company of a group which has integrated operations in the passenger service sector and operates mainly in the airport management business area. SAVE holds interests in the managing companies of the airports of Venice (IT), Treviso (IT), Verona (IT), Brescia (IT) and Charleroi (B). AI is currently a subsidiary of FIH.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. Observations can be sent to the Commission by fax (+32 22964301), by email to COMP-MERGER-REGISTRY@ec.europa.eu or by post, under reference M.8470 — DAAM/InfraVia/FIH/AI, to the following address:
