Remarks

The Internal Security Fund shall contribute to the following specific objectives:

- supporting a common visa policy to facilitate legitimate travel, provide a high quality of service to visa applicants, ensure equal treatment of third country nationals and tackle illegal immigration,
- supporting integrated borders management, including promoting further harmonisation of border management-related measures in accordance with common Union standards and through sharing of information between Member States and between Member States and Frontex, to ensure, on one hand, a uniform and high level of control and protection of the external borders, including by the tackling of illegal immigration, and, on the other hand, the smooth crossing of the external borders in conformity with the Schengen *acquis*, while guaranteeing access to international protection for those needing it, in accordance with the obligations contracted by the Member States in the field of human rights, including the principle of non-refoulement and with due regard for the specific characteristics of the people concerned and for the gender perspective.

This appropriation is intended to cover the expenditure related to actions in or by Member States and in particular the following:

- infrastructures, buildings and systems required at border crossing points and for surveillance between border crossing points to prevent and tackle unauthorised border crossings, illegal immigration and cross-border criminality as well as to guarantee smooth travel flows,

CHAPTER 18 02 — INTERNAL SECURITY (*cont'd*)**18 02 01** (*cont'd*)18 02 01 01 (*cont'd*)

- operating equipment, means of transport and communication systems required for effective and secure border control and the detection of persons,
- IT and communication systems for efficient management of migration flows across borders, including investments in existing and future systems,
- infrastructures, buildings, communication and IT systems and operating equipment required for the processing of visa applications and consular cooperation, as well as other actions aimed at improving the quality of service for the visa applicants,
- training regarding the use of that equipment and those systems and the promotion of quality management standards and training of border guards, including where appropriate in third countries, regarding the execution of their surveillance, advisory and control tasks with respect to international human rights law, and taking into consideration a gender-sensitive approach, including the identification of victims of human trafficking and people smuggling,
- secondment of Immigration Liaisons Officers and document advisers in third countries and the exchange and secondment of border guards between Member States or between a Member State and a third country,
- studies, training, pilot projects and other actions gradually establishing an integrated management system for external borders as referred to in Article 3(3) of Regulation (EU) No 515/2014 including actions aiming to foster interagency cooperation either within Member States or between Member States and actions relating to the interoperability and harmonisation of border management systems,
- studies, pilot projects and actions aiming to implement the recommendations, operational standards and best practices resulting from the operational cooperation between Member States and Union agencies.

This appropriation is also intended to cover the expenditure related to actions in relation to and in third countries and in particular the following:

- information systems, tools or equipment for sharing information between Member States and third countries,
- actions relating to operational cooperation between Member States and third countries, including joint operations,
- projects in third countries aimed at improving surveillance systems to ensure cooperation with the Eurosur,
- studies, seminars, workshops, conferences, training, equipment and pilot projects to provide ad hoc technical and operational expertise to third countries,

COMMISSION

CHAPTER 18 02 — INTERNAL SECURITY (*cont'd*)18 02 01 (*cont'd*)18 02 01 01 (*cont'd*)

- studies, seminars, workshops, conferences, training, equipment and pilot projects implementing specific recommendations, operational standards and best practices, resulting from the operational cooperation between Member States and Union agencies in third countries.

This appropriation is also intended to cover foregone fees from visas issued for the purpose of transit and additional costs incurred in implementing the Facilitated Transit Document (FTD) and the Facilitated Rail Transit Document (FRTD) scheme in accordance with Council Regulation (EC) No 693/2003 of 14 April 2003 establishing a specific Facilitated Transit Document (FTD), a Facilitated Rail Transit Document (FRTD) and amending the Common Consular Instructions and the Common Manual (OJ L 99, 17.4.2003, p. 8) and Council Regulation (EC) No 694/2003 of 14 April 2003 on uniform formats for Facilitated Transit Documents (FTD) and Facilitated Rail Transit Documents (FRTD) provided for in Regulation (EC) No 693/2003 (OJ L 99, 17.4.2003, p. 15).

At the Commission's initiative, this appropriation may be used to finance transnational actions or actions of particular interest to the Union. To be eligible for funding, those actions shall in particular pursue the following objectives:

- to support preparatory, monitoring, administrative and technical activities, required to implement external borders and visa policies, including to strengthen the governance of the Schengen area by developing and implementing the evaluation mechanism as established by Council Regulation (EU) No 1053/2013 of 7 October 2013 establishing an evaluation and monitoring mechanism to verify the application of the Schengen *acquis* and repealing the Decision of the Executive Committee of 16 September 1998 setting up a Standing Committee on the evaluation and implementation of Schengen (OJ L 295, 6.11.2013, p. 27), to verify the application of the Schengen *acquis* and the Schengen Borders Code in particular mission expenditure for experts of the Commission and the Member States participating in on site visits,
- to improve the knowledge and understanding of the situation prevailing in the Member States and third countries through analysis, evaluation and close monitoring of policies,
- to support the development of statistical tools, including common statistical tools, and methods and common indicators,
- to support and monitor the implementation of Union law and Union policy objectives in the Member States, and assess their effectiveness and impact, including with regard to the respect of human rights and fundamental freedoms, as far as the scope of this instrument is concerned,
- to promote networking, mutual learning, identification and dissemination of best practices and innovative approaches amongst different stakeholders at European level,
- to promote projects aiming at harmonisation and interoperability of border management-related measures in accordance with common Union standards with a view to developing an integrated European border management system,
- to enhance awareness of Union policies and objectives among stakeholders and the general public, including corporate communication on the political priorities of the Union,
- to boost the capacity of European networks to assess, promote, support and further develop Union policies and objectives,

CHAPTER 18 02 — INTERNAL SECURITY (*cont'd*)**18 02 01** (*cont'd*)18 02 01 01 (*cont'd*)

- to support particularly innovative projects developing new methods and/or technologies with a potential for transferability to other Member States, especially projects aiming at testing and validating research projects,
- to support actions in relation to and in third countries as referred to in Article 4(2) of Regulation (EU) No 1053/2013,
- awareness-raising, information and communication activities in relation to Union home affairs policies, priorities and achievements.

This appropriation shall also cover financial assistance to address urgent and specific needs in the event of an emergency situation which means a situation of urgent and exceptional pressure where a large or disproportionate number of third-country nationals cross or are expected to cross the external border of one or more Member States.

This appropriation will provide for reimbursement of the costs incurred by the Commission and Member States experts for the on-the-spot evaluation visits (travel cost and accommodation) regarding the application of the Schengen *acquis*. The cost of supplies and equipment needed for the on-the-spot evaluation visits and for their preparation and follow-up must be added to these costs.

Any revenue from the contributions of Iceland, Norway, Switzerland and Liechtenstein entered in Item 6 3 1 3 of the statement of revenue may give rise to the provision of additional appropriations in accordance with Article 21(2)(e) of the Financial Regulation.

Remarks

This appropriation is intended to contribute to strengthen and develop all aspects of the Common European Asylum System, including its external dimension and to enhance the solidarity and responsibility sharing between the Member States, in particular towards those most affected by migration and asylum flows, including through practical cooperation.

In the case of the Common European Asylum System, this appropriation is intended to cover actions relating to reception and asylum systems and actions enhancing the capacity of Member States to develop, monitor and evaluate their asylum policies and procedures.

This appropriation is also intended to cover actions related to the resettlement, transfer of applicants for and beneficiaries of international protection and other ad hoc humanitarian admission

COMMISSION

CHAPTER 18 03 — ASYLUM AND MIGRATION (*cont'd*)**18 03 01** (*cont'd*)18 03 01 01 (*cont'd*)

At the Commission's initiative, the appropriation may be used to finance transnational actions or actions of particular interest to the Union. These actions shall, in particular, support:

- the furthering of Union cooperation in implementing Union law and in sharing good practices in the field of asylum, notably on resettlement and transfer of applicants for and/or beneficiaries of international protection from one Member State to another including through networking and exchanging information, including arrival support and coordination activities to promote resettlement with the local communities that are to welcome resettled refugees,
- the setting-up of transnational cooperation networks and pilot projects, including innovative projects, based on transnational partnerships between bodies located in two or more Member States designed to stimulate innovation, and to facilitate exchanges of experience and good practice,
- studies and research on possible new forms of Union cooperation in the field of asylum, and relevant Union law, the dissemination and exchange of information on best practices and on all other aspects of asylum policies, including corporate communication on the political priorities of the Union,
- development and application by Member States of common statistical tools, methods and indicators for measuring policy developments in the field of asylum,
- preparatory, monitoring, administrative and technical support, development of an evaluation mechanism, required to implement the policies on asylum,
- cooperation with third countries on the basis of the Union's Global Approach to Migration and Mobility, in particular in the framework of the implementation mobility partnerships, regional protection programmes,
- awareness-raising, information and communication activities in relation to Union home affairs policies, priorities and achievements.

This appropriation shall also cover urgent and specific needs in the event of an emergency situation.
