Proposal for a

COUNCIL REGULATION

imposing certain restrictive measures on the illegal authorities of the island of Anjouan
in the Union of the Comoros

(presented by the Commission)
EXPLANATORY MEMORANDUM

1. Considering the situation on the island of Anjouan in the Comoros, and in view of the measures taken by the Peace and Security Council of the African Union and its request to the EU for support, the Council decided, on XX/XX/2008, to impose restrictive measures on the illegal authorities of Anjouan and certain associated persons who are obstructing the process of reconciliation and threatening peace and security in the Comoros.

2. Common Position 2008/XXX/CFSP provides inter alia for the freezing of the funds and economic resources of the persons specified by the Council.

3. The freezing of funds and economic resources of designated persons falls within the scope of the Treaty. The Commission therefore proposes to implement it by means of a Council Regulation.

4. This Regulation should be accompanied by a notice regarding procedures for updating the lists of persons subject to the restrictive measures.
Proposal for a

COUNCIL REGULATION

imposing certain restrictive measures on the illegal authorities of the island of Anjouan in the Union of the Comoros

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Articles 60 and 301 thereof,

Having regard to Common Position 2008/XXX/CFSP concerning restrictive measures against the illegal authorities of the island of Anjouan in the Union of the Comoros¹,

Having regard to the proposal from the Commission,

Whereas:

(1) On 25 October 2007, by letter addressed to the Secretary General/High Representative, the President of the African Union Commission asked for the support of the European Union and its Member States in the enforcement of the sanctions imposed by the Peace and Security Council of the African Union on the illegal authorities of Anjouan and certain associated persons.

(2) Common Position 2008/XXX/CFSP provides for restrictive measures to be imposed on the illegal authorities of Anjouan and certain associated persons. The restrictive measures provided for in Common Position 2008/XXX/CFSP include freezing funds and economic resources belonging to the persons concerned.

(3) This measure falls within the scope of the Treaty establishing the European Community. Accordingly, notably with a view to ensuring their uniform application by economic operators in all Member States, Community legislation is necessary to implement them as far as the Community is concerned.

(4) For reasons of expediency, the Commission should be empowered to publish and amend the list of persons, entities and bodies whose funds and economic resources should be frozen.

(5) This Regulation should enter into force on the day of its publication to ensure the effectiveness of the measures for which it provides,

   (vii) documents evidencing an interest in funds or financial resources;

   (b) ‘freezing of funds’ means preventing any move, transfer, alteration, use of, access to, or dealing with funds in any way that would result in any change in their volume, amount, location, ownership, possession, character, destination or other change that would enable the funds to be used, including portfolio management;

   (c) ‘economic resources’ means assets of every kind, whether tangible or intangible, movable or immovable, which are not funds but may be used to obtain funds, goods or services;

   (d) ‘freezing of economic resources’ means preventing their use to obtain funds, goods or services in any way, including, but not limited to, by selling, hiring or mortgaging them;

   (e) ‘territory of the Community’ means the territories of the Member States to which the Treaty is applicable, under the conditions laid down in the Treaty.

2. No funds or economic resources shall be made available, directly or indirectly, to or for the benefit of natural or legal persons, entities or bodies listed in Annex I.
3. The participation, knowingly and intentionally, in activities the object or effect of which is, directly or indirectly, to circumvent the measures referred to in paragraphs 1 and 2 shall be prohibited.

4. The prohibition set out in paragraph 2 shall not give rise to liability of any kind on the part of the natural or legal persons or entities concerned, if they did not know, and had no reasonable cause to suspect, that their actions would infringe this prohibition.

**Article 3**

Article 5

The freezing of funds and economic resources or the refusal to make funds or economic resources available, carried out in good faith on the basis that such action is in accordance with this Regulation, shall not give rise to liability of any kind on the part of the natural or legal person or entity implementing it, or its directors or employees, unless it is proved that the funds and economic resources were frozen as a result of negligence.

Article 6

1. Without prejudice to the applicable rules concerning reporting, confidentiality and professional secrecy, natural and legal persons, entities and bodies shall:
   (a) supply immediately the competent authorities indicated in the websites listed in Annex II where they are resident or located with any information which would facilitate compliance with this Regulation, such as accounts and amounts frozen in accordance with Article 2, and shall forward such information, directly or through these competent authorities, to the Commission;

2. Any information provided or received in accordance with this Article shall be used only for the purposes for which it was provided or received.
