Proposal for a

COUNCIL DECISION

**on the signature of the Agreement between the European Union
and the Republic of Armenia on the readmission of persons residing without
authorisation**

EXPLANATORY MEMORANDUM

1. POLITICAL AND LEGAL FRAMEWORK

The EU and Armenia have agreed to move forward with the deepening and broadening of EU- Armenia relations within the Eastern Partnership (EaP) framework. In this framework, the EU has recognized the importance of enhanced people-to-people contacts. During the Prague Eastern Partnership Summit in May 2009, the EU reaffirmed its political support towards full liberalization of the visa regime in a secure environment, and towards promoting mobility by concluding visa facilitation and readmission agreements with EaP countries. According to the common approach for the development of EU policy on visa facilitation agreed at the level of COREPER by the Member States in December 2005, a visa facilitation agreement would not be concluded without a readmission agreement being in place.

In 19 December 2011, the Council formally authorised the Commission to negotiate a readmission agreement between the European Union and Armenia.

In February 2012 the Commission transmitted a draft text to the Armenian authorities following which the first round of formal negotiations was held in Yerevan on 27-28 February 2012. Two further formal rounds of negotiations took place, lastly in Yerevan on 19 July 2012. The agreed text was subsequently initialled on 18 October 2012 in Brussels.

Member States have been regularly informed and consulted at all (informal and formal) stages of the readmission negotiations.

On the part of the Union, the legal basis for the Agreement is Article 79(3), in conjunction with Article 218 of TFEU.

The attached proposal constitutes the legal instrument for the signature of the readmission agreement. The Council will decide by qualified majority. The European Parliament's consent will be required for the conclusion of the Agreement, in accordance with Art. 218(6)(a) of TFEU.

2. OUTCOME OF THE NEGOTIATIONS

The Commission considers that the objectives set by the Council in its negotiating directives were attained and that the draft Readmission Agreement is acceptable to the Union.

The final content of this Agreement can be summarised as follows:

- The Agreement is divided into 8 sections with 24 articles altogether. The Agreement also contains 6 annexes, which form an integral part of it, and 2 joint declarations.
- The agreement contains an opening clause, reaffirming that the agreement shall be applied so as to ensure respect for human rights, and for the obligations and responsibilities of the Requested State and Requesting State under relevant international instruments applicable to them, and reiterating that the Requested State shall in particular ensure the protection of the rights of persons readmitted to its territory in compliance with those international instruments. The same clause

confirms that the Requesting State should give preference to voluntary return over forced return.

- The readmission obligations set out in the Agreement (Articles 3 - 6) are drawn up in a fully reciprocal way, comprising own nationals (Articles 3 and 5) as well as third country nationals and stateless persons (Articles 4 and 6).
- The obligation to readmit own nationals includes also former own nationals who have renounced their nationality without acquiring the nationality of another State.
- The readmission obligation with regard to own nationals covers also family members (i.e. spouses and minor unmarried children) regardless of their nationality and who do not have an independent right of residence in the Requesting State.
- The obligation to readmit third country nationals and stateless persons (Articles 4 and 6) is linked to the following prerequisites: (a) the person concerned holds, at the time of submission of the readmission application, a valid visa or residence permit issued by the Requested State or (b) the person concerned illegally and directly entered the territory of the Requesting State after having stayed on, or transited through, the territory of the Requested State. Exempted from these obligations are persons in airside transit.
- For own nationals as well as for third country nationals or stateless persons, in case of expiry of the specified delay, Armenia accepts the use of the EU's standard travel document for expulsion purposes (Articles 3(5) and 4(3)).
- Section III of the Agreement (Articles 7 to 13 in conj. with annexes 1 to 5) contains the necessary technical provisions regarding the readmission procedure (readmission application, means of evidence, time limits, transfer modalities and modes of transportation) and 'readmission in error' (Article 13). Some procedural flexibility is provided by the fact that no readmission application will be needed in cases where the person to be readmitted is in possession of a valid travel document or identity card (Article 7(2)).
- In its Article 7(3), the Agreement sets out the so-called accelerated procedure, which has been agreed upon for persons apprehended in the "border region", i.e. within an area which extends up to 15 kilometres from the territories of seaports including custom zones and from international airports of the Member States or Armenia. Under the accelerated procedure, readmission applications have to be submitted within 2 days, and replies have to be given within 2 working days whereas under the normal procedure, the time limit for replies is 12 calendar days (Article 11(2)).
- The Agreement contains a section on transit operations (Articles 14 and 15 in conj. with annex 6).
- Articles 16, 17 and 18 contain the necessary rules on costs, data protection and the relation to other international obligations.
- The Joint Readmission Committee will be composed, and have the tasks and powers, as set out in Article 19.

- In order to facilitate the implementation of this Agreement, Article 20 creates the possibility for Armenia and individual Member States to conclude bilateral implementing Protocols. The relation between the bilateral implementing Protocols and this Agreement is clarified by Article 21.
- The final provisions (Art. 22 to 24) contain the necessary rules on entry into force, duration, possible amendments, suspension, termination and the legal status of the annexes to the agreement.
- The specific situation of Denmark is reflected in the preamble, Article 1(d) and Article 22(2). The close association of Norway, Iceland, Liechtenstein and Switzerland to the implementation, application and development of the Schengen Acquis has been taken into account, and in the case of Iceland, reflected in a relevant joint declaration to the Agreement.

3. CONCLUSIONS

In the light of the above-mentioned results, the Commission proposes that the Council

- decide that the Agreement be signed on behalf of the Union and authorise the President of the Council to appoint the person(s) duly empowered to sign on behalf of the Union.

SECTION I
READMISSION OBLIGATIONS BY ARMENIA

Article 3
Readmission of own nationals

1. Armenia shall readmit, upon application by a Member State and without further formalities other than those provided for in this agreement, all persons who do not, or who no longer, fulfil the conditions in force for entry to, presence in, or residence on, the territory of the requesting Member State provided that it is proved, or may be validly assumed on the basis of prima facie evidence furnished, that they are nationals of Armenia.

2. Armenia shall also readmit:

- minor unmarried children of the persons mentioned in paragraph 1, regardless of their place of birth or their nationality, unless they have an independent right of residence in the Requesting Member State or hold a valid residence permit issued by another Member State,

4. After Armenia has given a positive reply to the readmission application, the competent diplomatic or consular representation of Armenia shall, irrespective of the will of the person to be readmitted, immediately, free of charge and not later than within three working days, issue the travel document required for the return of the person to be readmitted with a period of validity of 120 days. If Armenia has not, within three working days, issued the travel document, it shall be deemed to accept the use of the EU standard travel document for expulsion purposes¹.
5. If, for legal or factual reasons, the person concerned cannot be transferred within the period of validity of the travel document that was initially issued, the competent diplomatic or consular representation of Armenia shall, within three working days and free of charge, issue a new travel document with a period of validity of the same duration. If Armenia has not, within three working days, issued the new travel document, it shall be deemed to accept the use of the EU standard travel document for expulsion purposes².

- (a) hold at the time of submission of the readmission application a valid visa or residence permit issued by Armenia; or

¹ In line with the form set out in EU Council recommendation of 30 November 1994.

² Ibid.

- (b) illegally and directly entered the territory of the Member States after having stayed on, or transited through, the territory of Armenia.
2. The readmission obligation in paragraph 1 shall not apply if the third country national or stateless person has only been in airside transit via an International Airport of Armenia.

Article 5

Readmission of own nationals

1. A Member State shall readmit, upon application by Armenia and without further formalities other than those provided for in this agreement, all persons who do not, or who no longer, fulfil the conditions in force for entry to, presence in, or residence on, the territory of Armenia provided that it is proved, or may be validly assumed on the basis of prima facie evidence furnished, that they are nationals of that Member State.
2. A Member State shall also readmit:
- minor unmarried children of the persons mentioned in paragraph 1, regardless of their place of birth or their nationality, unless they have an independent right of residence in Armenia,
 - spouses, holding another nationality or being stateless, of the persons mentioned in paragraph 1, provided they have the right to enter and stay or receive the right to enter and stay in the territory of the Requested Member State, unless they have an independent right of residence in Armenia.

4. After the Requested Member State has given a positive reply to the readmission application, the competent diplomatic or consular representation of that Member State shall, irrespective of the will of the person to be readmitted, immediately, free of charge and not later than within three working days, issue the travel document required for the return of the person to be readmitted with a period of validity of 120 days.

¹ Ibid.

5. If, for legal or factual reasons, the person concerned cannot be transferred within the period of validity of the travel document that was initially issued, the competent diplomatic or consular representation of that Member State shall, within three working days and free of charge, issue a new travel document with a period of validity of the same duration.

Article 6

Readmission of third-country nationals and stateless persons

1. A Member State shall readmit, upon application by Armenia and without further formalities other than those provided for in this Agreement, all third-country nationals or stateless persons who do not, or who no longer, fulfil the conditions in force for entry to, presence in, or residence on, the territory of Armenia provided that it is proved, or may be validly assumed on the basis of prima facie evidence furnished, that such persons:

If all of the documents have already expired, the readmission obligation in paragraph 1 is for the Member State that issued the document with the most recent expiry date. If no such documents can be presented, the readmission obligation in paragraph 1 is for the Member State of last exit.

4. Without prejudice to Article 7(2), after the Member State has given a positive reply to the readmission application, Armenia issues the person whose readmission has been accepted the travel document required for his or her return.

SECTION III

READMISSION PROCEDURE

Article 7

Principles

1. Subject to paragraph 2, any transfer of a person to be readmitted on the basis of one of the obligations contained in Articles 3 to 6 shall require the submission of a readmission application to the competent authority of the Requested State.
2. If the person to be readmitted is in possession of a valid travel document or identity card and, in the case of third country nationals or stateless persons, a valid visa or residence permit of the Requested State, the transfer of such person can take place without the Requesting State having to submit a readmission application or written notification referred to in Article 12(1) to the competent authority of the Requested State.
3. Without prejudice to paragraph 2, if a person has been apprehended in the border region, including airports, of the Requesting State after illegally crossing the border coming directly from the territory of the Requested State, the Requesting State may submit a readmission application within two working days following this person's apprehension (accelerated procedure).

Article 8

Readmission application

1. To the extent possible, the readmission application is to contain the following information:
 - (a) the particulars of the person to be readmitted (e.g. given names, surnames, date of birth, and – where possible – place of birth, and the last place of residence) and, where applicable, the particulars of minor unmarried children and/or spouses;
 - (b) in case of own nationals, indication of the means with which proof or *prima facie* evidence of nationality as set out by Annexes 1 and 2 respectively;
 - (c) in case of third country nationals and stateless persons, indication of the means with which proof or *prima facie* evidence of the conditions for the readmission of third-country nationals and stateless persons as provided for by Annexes 3 and 4 respectively;
 - (d) photograph of the person to be readmitted.
2. To the extent possible, the readmission application shall also contain the following information:

- (a) a statement indicating that the person to be transferred may need help or care, provided the person concerned has explicitly consented to the statement;
 - (b) any other protection, security measure or information concerning the health of the person, which may be necessary in the individual transfer case.
3. A common form to be used for readmission applications is attached as Annex 5 to this Agreement.
 4. A readmission application may be submitted by any means of communication including electronic ones.

Article 9

Means of evidence regarding nationality

1. Proof of nationality pursuant to Article 3 (1) and Article 5 (1) can be particularly furnished through the documents listed in Annex 1 to this Agreement, including documents the validity of which has expired by up to 6 months. If such documents are presented, the Member States and Armenia shall mutually recognise the nationality without further investigation being required. Proof of nationality cannot be furnished through false documents.
2. *Prima facie* evidence of nationality pursuant to Article 3 (1) and Article 5 (1) can be particularly furnished through the documents listed in Annex 2 to this Agreement, even if their period of validity has expired. If such documents are presented, the Member States and Armenia shall deem the nationality to be established, unless they can prove otherwise. *Prima facie* evidence of nationality cannot be furnished through false documents.
3. If none of the documents listed in Annexes 1 or 2 can be presented, the competent diplomatic or consular representations of the Requested State concerned shall, upon a request from the Requesting State which is to be included in the readmission application, interview the person to be readmitted without undue delay, at the latest within five working days from the date of receipt of the readmission application in accordance with Article 11(2), in order to establish his or her nationality. The procedure for such interviews may be established in the implementing Protocols provided for in Article 20 of this Agreement.

Article 10

Means of evidence regarding third-country nationals and stateless persons

1. Proof of the conditions for the readmission of third-country nationals and stateless persons laid down in Article 4 (1) and Article 6 (1) shall be particularly furnished through the means of evidence listed in Annex 3 to this Agreement; it cannot be furnished through false documents. Any such proof shall be mutually recognised by the Member States and Armenia without any further investigation being required.

2. *Prima facie* evidence of the conditions for the readmission of third-country nationals and stateless persons laid down in Article 4 (1) and Article 6 (1) shall be particularly furnished through the means of evidence listed in Annex 4 to this Agreement; it cannot be furnished through false documents. Where such *prima facie* evidence is presented, the Member States and Armenia shall deem the conditions to be established, unless they can prove otherwise.

3. The unlawfulness of entry, presence or residence shall be established by means of the travel documents of the person concerned in which the necessary visa or other residence permit for the territory of the Requesting State are missing. A statement by the Requesting State that the person concerned has been found not having the necessary travel documents, visa or residence permit shall likewise provide *prima facie* evidence of the unlawful entry, presence or residence.

Article 11 *Time limits*

1. The application for readmission must be submitted to the competent authority of the Requested State within a maximum of nine months after the Requesting State's competent authority has gained knowledge that a third-country national or a stateless person does not, or does no longer, fulfil the conditions in force for entry, presence or residence. Where there are legal or factual obstacles to the application being submitted in time, the time limit shall, upon request by the Requesting State, be extended but only until the obstacles have ceased to exist.

2. A readmission application must be replied to in writing

- within two working days if the application has been made under the accelerated procedure (Article 7(3));
- within twelve calendar days in all other cases.

This time limit begins to run with the date of receipt of the readmission request. If there was no reply within this time limit, the transfer shall be deemed to have been agreed to.

Reply to a readmission application may be submitted by any means of communication including electronic ones.

3. Reasons shall be given in writing for the refusal of a readmission request.

4. After agreement has been given or, where appropriate, after expiry of the time limits laid down in paragraph 2, the person concerned shall be transferred within three months. On request of the Requesting State, this time limit may be extended by the time taken to deal with legal or practical obstacles.

Article 12
Transfer modalities and modes of transportation

1. Without prejudice to Article 7(2), before returning a person, the competent authorities of the Requesting State shall notify in writing at least two working days in advance the competent authorities of the Requested State regarding the transfer date, the point of entry, possible escorts and other information relevant to the transfer.
2. Transportation may take place by any means including by air. Return by air shall not be restricted to the use of the national carriers of Armenia or the Member States and may take place by using scheduled or charter flights. In the event of escorted returns, such escorts shall not be restricted to authorised persons of the Requesting State, provided that they are authorised persons by Armenia or any Member State.
3. If the transfer takes place by air, possible escorts shall be exempted from having to obtain necessary visas.

Article 13
Readmission in error

The Requesting State shall take back any person readmitted by the Requested State if it is established, within a period of six months after the transfer of the person concerned, that the requirements laid down in Articles 3 to 6 of this Agreement are not met.

In such cases the procedural provisions of this Agreement shall apply *mutatis mutandis* and all available information relating to the actual identity and nationality of the person to be taken back shall be provided.

SECTION IV
TRANSIT OPERATIONS

Article 14
Principles

1. The Member States and Armenia should restrict the transit of third-country nationals or stateless persons to cases where such persons cannot be returned to the State of destination directly.
2. Armenia shall allow the transit of third-country nationals or stateless persons if a Member State so requests, and a Member State shall authorise the transit of third-country nationals or stateless persons if Armenia so requests, if the onward journey in possible other States of transit and the readmission by the State of destination is assured.
3. Transit can be refused by Armenia or a Member State:

- (a) if the third-country national or the stateless person runs the real risk of being subjected to torture or to inhuman or degrading treatment or punishment or the death penalty or of persecution because of his race, religion, nationality, membership of a particular social group or political conviction in the State of destination or another State of transit; or
 - (b) if the third-country national or the stateless person shall be subject to criminal sanctions in the Requested State or in another State of transit; or
 - (c) on grounds of public health, domestic security, public order or other national interests of the Requested State.
4. Armenia or a Member State may revoke any authorisation issued if circumstances referred to in paragraph 3 subsequently arise or come to light which stand in the way of the transit operation, or if the onward journey in possible States of transit or the readmission by the State of destination is no longer assured. In this case, the Requesting State shall take back the third-country national or the stateless person, as necessary and without delay.

Article 15
Transit procedure

1. An application for transit operations must be submitted to the competent authority of the Requested State in writing and is to contain the following information:
- (a) type of transit (by air, sea or land), possible other States of transit and intended final destination
 - (b) the particulars of the person concerned (e.g. given name, surname, maiden name, other names used/by which known or aliases, date of birth, sex and – where possible – place of birth, nationality, language, type and number of travel document);
 - (c) envisaged point of entry, time of transfer and possible use of escorts;
 - (d) a declaration that in the view of the Requesting State the conditions pursuant to Article 14 (2) are met, and that no reasons for a refusal pursuant to Article 14 (3) are known of.

A common form to be used for transit applications is attached as Annex 6 to this Agreement.

A transit application may be submitted by any means of communication including electronic ones.

2. The Requested State shall, within three working days after receipt of the application and in writing, inform the Requesting State of the admission, confirming the point of entry and the envisaged time of admission, or inform it of the admission refusal and of the reasons for

such refusal. If there was no reply within three working days the transit shall be deemed to have been agreed to.

Reply to a transit application may be submitted by any means of communication including electronic ones.

3. If the transit operation takes place by air, the person to be readmitted and possible escorts shall be exempted from having to obtain an airport transit visa.

4. The competent authorities of the Requested State shall, subject to mutual consultations, assist in the transit operations, in particular through the surveillance of the persons in question and the provision of suitable amenities for that purpose.

5. Transit of the persons shall be carried out within 30 days of receipt of consent to the request.

SECTION V COSTS

Article 16

Transport and transit costs

Without prejudice to the right of the competent authorities to recover the costs associated with the readmission from the person to be readmitted or third parties, all transport costs incurred in connection with readmission and transit operations pursuant to this Agreement as far as the border of the State of final destination shall be borne by the Requesting State.

SECTION VI DATA PROTECTION AND RELATION TO OTHER INTERNATIONAL OBLIGATIONS

Article 17 ***Data Protection***

The communication of personal data shall only take place if such communication is necessary for the implementation of this Agreement by the competent authorities of Armenia or a Member State as the case may be. The processing and treatment of personal data in a particular case shall be subject to the domestic laws of Armenia and, where the controller is a competent authority of a Member State, to the provisions of Directive 95/46/EC and of the national legislation of that Member State adopted pursuant to this Directive. Additionally the following principles shall apply:

- (a) personal data must be processed fairly and lawfully;
- (b) personal data must be collected for the specified, explicit and legitimate purpose of implementing this Agreement and not further processed by the communicating authority nor by the receiving authority in a way incompatible with that purpose;
- (c) personal data must be adequate, relevant and not excessive in relation to the purpose for which they are collected and/or further processed; in particular, personal data communicated may concern only the following:
 - the particulars of the person to be transferred (e.g. given names, surnames, any previous names, other names used/by which known or aliases, sex, civil status, date and place of birth, current and any previous nationality),
 - passport, identity card or driving licence (number, period of validity, date of issue, issuing authority, place of issue),
 - stop-overs and itineraries,
 - other information needed to identify the person to be transferred or to examine the readmission requirements pursuant to this Agreement;
- (d) personal data must be accurate and, where necessary, kept up to date;
- (e) personal data must be kept in a form which permits identification of data subjects for no longer than is necessary for the purpose for which the data were collected or for which they are further processed;

Joint Declaration concerning Articles 3(3) and 5(3)

The Contracting Parties take note that, according to the nationality laws of the Republic of Armenia and the Member States, it is not possible for a citizen of the Republic of Armenia or the European Union to be deprived of his or her nationality.

The Parties agree to consult each other in due time, should this legal situation change.

Joint Declaration concerning the Republic of Iceland

The Contracting Parties take note of the close relationship between the European Union and the Republic of Iceland, particularly by virtue of the Agreement of 18 May 1999 concerning the association of this country with the implementation, application and development of the Schengen acquis. In such circumstances it is appropriate that Armenia concludes a readmission agreement with the Republic of Iceland in the same terms as this Agreement.
