COMMISSION

Calls for proposals for indirect RTD actions under the specific programme for research, technological development and demonstration: ‘Structuring the European Research Area’

(2005/C 178/09)

2. The present calls for proposals for indirect RTD actions (referred to as ‘the calls’) comprise the present general part and the specific conditions that are described in the annexes. The annexes indicate in particular, the dates of closure for the submission of proposals for indirect RTD actions, an indicative date for the completion of the evaluations, the indicative budget, the instruments and the areas concerned, the evaluation criteria for the evaluation of proposals for indirect RTD actions, the minimum number of participants, and any applicable restrictions.

3. Natural or legal persons fulfilling the conditions stated in the rules for participation and that do not fall under any of the exclusion cases in the rules for participation or in Article 114(2) of the Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 on the Financial Regulation applicable to the general budget of the European Communities (3) (referred to as ‘the proposers’) are invited to submit to the Commission proposals for indirect RTD actions subject to the conditions in the rules for participation and in the call concerned being fulfilled.

In accordance with Article 5(1) of the specific programme, the Commission of the European Communities (referred to as ‘the Commission’) has adopted on 6 December 2002 a work programme (4) (referred to as ‘the work programme’) setting out in greater detail the objectives and scientific and technological priorities of the specific programme, and the timetable for implementation.

In accordance with Article 9(1) of the Regulation of the European Parliament and of the Council, of 16 December 2002, concerning the rules for the participation of undertakings, research centres and universities in, and for the dissemination of research results for, the implementation of the European Community Sixth Framework Programme (2002 to 2006) (5) (referred to as ‘the rules for participation’), proposals for indirect RTD actions should be submitted under the terms of calls for proposals.

The conditions of participation of the proposers will be verified within the framework of the negotiation of the indirect RTD action. Before that however, proposers will have signed a declaration stating that they do not fall under any of the cases given by Article 93(1) of the Financial Regulation. They will also have given the Commission the information listed in Article 173(2) of the Commission Regulation (EC, Euratom) No 2342/2002, of 23 December 2002, laying down detailed rules for the implementation of Council Regulation (EC, Euratom) No 1605/2002 on the Financial Regulation applicable to the general budget of the European Communities (6).

(2) OJ L 294, 29.10.2002, p. 44.
The European Community has adopted an equal opportunities policy and, on this basis, women are particularly encouraged to either submit proposals for indirect RTD actions or participate in the submission of proposals for indirect RTD actions.

4. The Commission makes available to proposers guides for proposers relating to the calls which contain information on the preparation and the submission of a proposal for an indirect RTD action. The Commission also makes available Guidelines on Proposal Evaluation and Selection Procedures (1). These guides and guidelines, as well as the work programme and other information relating to the call, can be obtained from the Commission via the following addresses:

European Commission
The FP6 Information Desk
Directorate General RTD
B-1049 Brussels
Internet address: www.cordis.lu/fp6

5. Proposals for indirect RTD actions are invited to be submitted only as an electronic proposal via the web-based Electronic Proposal Submission System (EPSS (2)). In exceptional cases, however, a coordinator may request permission from the Commission to submit on paper in advance of a call deadline. This should be done by writing to one of the following addresses:

European Commission
The HRM Activity Information Desk
(Call identifier:…….)
Research Directorate General
B-1049 Brussels
or E-mail: rtd-mc-papersubmission@cec.eu.int

The request must be accompanied by an explanation of why the exception is being sought. Proposers wishing to use paper submission take the responsibility for ensuring that such requests for exemption and the associated procedures are completed in time for them to meet the call deadline.

All proposals for indirect RTD actions must contain two parts: the forms (Part A) and the content (Part B).

Proposals for indirect RTD actions should be prepared and submitted on-line. Part B of proposals for indirect RTD actions can only be submitted in PDF (‘portable document format’, compatible with Adobe Version 3 or higher with embedded fonts). Compressed (‘zipped’) files will be excluded.

The EPSS software tool (for on-line usage) is available via the Cordis website www.cordis.lu.

Proposals for indirect RTD actions that are submitted on-line and which are incomplete, illegible or contain viruses will be excluded.

Versions of proposals for indirect RTD actions submitted on a removable electronic storage medium (eg, CD-ROM, diskette), by email or by fax will be excluded.

Any proposal for indirect RTD actions that has been allowed to be submitted on paper and which is incomplete will be excluded.

Further details on the various proposal submission procedures are given in Annex J of the Guidelines on Proposal Evaluation and Selection Procedures.

6. Proposals for indirect RTD actions have to reach the Commission at the latest on the closure date and at the time specified in the call concerned. Proposals for indirect RTD actions arriving after this date and time will be excluded.

Proposals for indirect RTD actions not satisfying the conditions relating to the minimum number of participants indicated in the call concerned will be excluded.

This also applies regarding any additional eligibility criteria given in the work programme.

7. In the case of successive submissions of the same proposal for an indirect RTD action, the Commission will examine the last version received before the closure date and time specified in the call concerned.

8. If foreseen in the relevant call, proposals for indirect RTD actions could be evaluated in the framework of a future evaluation.

9. In all correspondence relating to a call (e.g. when requesting information, or submitting a proposal for an indirect RTD action), proposers are invited to cite the relevant call identifier.

(2) The EPSS is a tool to assist proposers to develop and submit their proposals electronically.
