Aid No: XA 448/08

Member State: Italy

Region: Regione Marche

Title of aid scheme or name of company receiving an individual aid: «rimozione e distruzione delle carcasse bovine ed ovicaprine in azienda della Regione Marche» art. 16 del regolamento (CE) n. 1857/2006 lettera d.

Legal basis:
— D.D.P.F. n. 63/PEA_10 del 7 agosto 2008 e 67/PEA_10 del 10 settembre 2008
— Decreto Posizione di Funzione «Competitività e sviluppo dell'impresa agricola» n.146/CSI_10 del 11.5.2009

Annual expenditure planned under the scheme or overall amount of individual aid granted to the company: The planned expenditure for the provision of the services covered by this aid scheme will not exceed EUR 400 000 (including VAT).

Maximum aid intensity: The aid intensity is up to 100% of the total cost of removal of fallen stock and up to 75% of the cost of the destruction of cattle and sheep and goat carcasses.

Date of implementation: From the date of publication of the registration number of the request for exemption on the website of the Commission’s Directorate-General for Agriculture and Rural Development.

Duration of scheme or individual aid award: Until 2013 at the latest.

Objective of aid: The aim of the regional aid scheme is to compensate cattle, sheep and goat breeders for the expenditure incurred in connection with the collection and disposal of fallen stock between 1 January and 31 December 2009, with the possibility of an extension each year until 2013, at the request of the regional veterinary services, in an efficient and uniform manner throughout the region and thus guarantee that all breeders can have their fallen stock removed in a limited period of time.

Sector(s) concerned: Agriculture

Name and address of the granting authority:
Regione Marche — Servizio Agricoltura Forestazione e Pesca — PF Competitività e sviluppo dell’impresa agricola
Via Tiziano 44
60125 Ancona AN

Aid No: XA 226/09

Member State: Spain

Region: Cataluña

Title of aid scheme or name of company receiving an individual aid: Ayudas para instalaciones de aprovechamiento de biomasa leñosa para usos térmicos que valoren la biomasa mediante procesos termoquímicos en el Marco del Programa de Energías Renovables

Legal basis: Orden ECF/XXX/2009, de xxx, por la que se aprueban las bases reguladoras para la concesión de las subvenciones en régimen de concurrencia competitiva en el Marco del Programa de Energías Renovables, y se abre la convocatoria para el año 2009.

Annual expenditure planned under the scheme or overall amount of individual aid granted to the company: The expenditure planned under the scheme is EUR 0.237 million per year.

Maximum aid intensity: The maximum aid intensity is stipulated to be 30 % of eligible expenditure. The maximum amount of aid granted to a given company will not exceed EUR 400 000 over a period of three fiscal years. This sum may be increased to EUR 500 000 if the company is located in a less-favoured area or in areas referred to in Article 36(a)(i), (ii) or (iii) of Regulation (EC) No 1698/2005.

Date of implementation: From the date of publication of the registration number of the request for exemption on the website of the Commission's Directorate-General for Agriculture and Rural Development.

Duration of scheme or individual aid award: Until April 2010.

Objective of aid:

The objective is the conservation and improvement of the natural environment, through promoting the adoption of renewable energy, particularly solar thermal energy.

Article 4. Investment in agricultural holdings. Eligible expenditure will include:

(a) the construction, acquisition or improvement of immovable property;

(b) the purchase or lease-purchase of machinery and equipment, including computer software up to the market value of the asset;

(c) general costs linked to expenditure under points (a) and (b), such as architects’, engineers’ and consultants’ fees, feasibility studies, and the acquisition of patents and licences.

Costs connected with a leasing contract other than those listed in points (a) and (b), such as tax, the lessor’s margin, interest refinancing costs, overheads insurance, charges, etc. will not be considered eligible expenditure.
Sector(s) concerned: Any subsector within the plant and animal production sectors.

Name and address of the granting authority:

Institut Català d’Energia
Calle Pamplona, 113, tercera planta
08018 Barcelona
ESPAÑA
