COMMISSION REGULATION (EC) No 1327/2004
of 19 July 2004

on a standing invitation to tender to determine levies and/or refunds on exports of white sugar for the 2004/2005 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector (1), and in particular Articles 22(2), 27(5) and (15) and 33(3) thereof,

Whereas:

(1) In view of the situation on the Community and world sugar markets, a standing invitation to tender should be issued as soon as possible for the export of white sugar in respect of the 2004/2005 marketing year which, having regard to possible fluctuations in world prices for sugar, must provide for the determination of export levies and/or export refunds.

(2) The general rules governing invitations to tender for the purpose of determining export refunds for sugar established by Article 28 of Regulation (EC) No 1260/2001 should be applied.

(3) In view of the specific nature of the operation, appropriate provisions should be laid down with regard to export licences issued in connection with the standing invitation to tender and there should be a derogation from Commission Regulation (EC) No 1464/95 of 27 June 1995 on special detailed rules for the application of the system of import and export licences in the sugar sector (2). However, Commission Regulation (EC) No 1291/2000 of 9 June 2000 laying down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products (3), and Commission Regulation (EEC) No 120/89 of 19 January 1989 laying down common detailed rules for the application of the export levies and charges on agricultural products (4), must continue to apply.

(4) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar.

5. Once submitted, a tender may not be withdrawn.

Article 6

1. A security of EUR 11 per 100 kilograms of white sugar to be exported under this invitation to tender must be lodged by each tenderer.

Without prejudice to Article 13(4), where a tender is successful this security shall become the security for the export licence at the time of the application referred to in Article 12(2).
2. The security referred to in paragraph 1 may be lodged at the tenderer's choice, either in cash or in the form of a guarantee given by an establishment complying with criteria laid down by the Member State in which the tender is submitted.

3. Except in cases of force majeure, the security referred to in paragraph 1 shall be released:

(a) to unsuccessful tenderers in respect of the quantity for which no award has been made;

(b) to successful tenderers who have not applied for the relevant export licence within the period referred to in the second subparagraph of Article 12(2), to the extent of EUR 10 per 100 kilograms of white sugar;

(c) to successful tenderers for the quantity for which they have fulfilled, within the meaning of Articles 31(b) and 32(1)(b)(i) of Regulation (EC) No 1291/2000 the export obligation resulting from the licence referred to under Article 12(2) in accordance with the terms of Article 35 of that Regulation.

In the case referred to under (b) of the first subparagraph, the releasable part of the security shall be reduced, as applicable, by:

(a) the difference between the maximum amount of the export refund fixed for the partial invitation concerned and the maximum amount of the export refund fixed for the following partial invitation, when the latter amount is higher than the former;

(b) the difference between the minimum amount of the export levy fixed for the partial invitation concerned and the minimum amount of the export levy fixed for the following partial invitation, when the latter amount is lower than the former.

The part of the security or the security which is not released shall be forfeit in respect of the quantity of sugar for which the corresponding obligations have not been fulfilled.

4. In cases of force majeure, the competent authority of the Member State concerned shall take such action for the release of the security as it considers necessary having regard to the circumstances invoked by the party concerned.
Article 10

1. Where a maximum quantity has been fixed for a partial invitation to tender and if a minimum export levy is fixed, a contract shall be awarded to the tenderer whose tender quotes the highest export levy; if the maximum quantity is not fully covered by that award, awards shall be made to other tenderers in descending order of export levies quoted until the entire maximum quantity has been accounted for.

Where a maximum quantity has been fixed for a partial invitation to tender and if a maximum export refund is fixed, contracts shall be awarded in accordance with the first subparagraph; if after such awards a quantity is still outstanding, or if there are no tenders quoting an export levy, awards shall be made to tenderers quoting an export refund in ascending order of export refunds quoted until the entire maximum quantity has been accounted for.

2. Where an award to a particular tenderer in accordance with paragraph 1 would result in the maximum quantity being exceeded, that award shall be limited to such quantity as is still available. Where offers quote the same export levy or refund and would, if accepted for the full quantity in respect of which they have been submitted, cause the maximum quantity to be exceeded, awards will be made:

(a) by division among the tenderers concerned in proportion to the total quantities in each of their tenders, or

(b) by apportionment among the tenderers concerned by reference to a maximum tonnage to be fixed for each of them, or

(c) by drawing lots.

Article 11

1. The competent authority of the Member State concerned shall immediately notify applicants of the result of their participation in the invitation to tender. It shall also send statements of award to the successful tenderers.

2. Statements of award shall indicate at least:

(a) the procedure to which the tender relates,

(b) the quantity of white sugar to be exported;

(c) the amount, expressed in euro, of the export levy to be charged, or where applicable of the export refund to be granted per 100 kilograms of white sugar of the quantity referred to in (b).

Article 12

1. Every successful tenderer shall have the right to receive, in the circumstances referred to in paragraph 2, an export licence covering the quantity awarded, indicating the export levy or refund quoted in the tender, as the case may be.

2. Every successful tenderer shall be obliged to lodge, in accordance with the relevant provisions of Regulation (EC) No 1291/2000, an application for an export licence in respect of the quantity that has been awarded to him, the application not being revocable in derogation from Article 12 of Regulation (EEC) No 120/89.

The application shall be lodged not later than:

(a) the last working day preceding the date of the partial invitation to tender to be held the following week;

(b) if no partial invitation to tender is due to be held that week, the last working day of the following week.

3. Every successful tenderer shall be obliged to export the tendered quantity and, if this obligation is not fulfilled, to pay, where necessary, the amount referred to in Article 13(4).

4. The rights and obligations referred to in paragraphs 1, 2 and 3 shall not be transferable.

Article 13

1. The period for the issue of export licences referred to in Article 9(1) of Regulation (EC) No 1464/95 shall not apply to the white sugar to be exported under this Regulation.

2. Export licences issued in connection with a partial invitation to tender shall be valid from the day of issue until the end of the fifth calendar month following that in which the partial invitation was issued.

However, export licences issued in respect of the partial invitations held after 1 May 2005 will be valid only until 30 September 2005.

Should technical difficulties arise which prevent export being carried out by the expiry date referred to in the second subparagraph above, the competent authorities in the Member State which issued the export licence may, at the written request of the holder of that licence, extend its validity to 15 October 2005 at the latest, provided that export is not subject to the rules laid down in Articles 4 or 5 of Council Regulation (EEC) No 565/80 (1).

3. The export licences issued in respect of the partial invita-
tions held between 29 July and 30 September 2004 will be
usable only from 1 October 2004.

4. Except in cases of force majeure, the holder of the licence
shall pay the competent authority a specific amount in respect
of the quantity for which the obligation to export resulting
from the export licence referred to in Article 12(2) has not
been fulfilled, if the security referred to in Article 6 is less than:

(a) the export levy indicated on the licence, less the levy
referred to in the second subparagraph of Article 33(1) of
Regulation (EC) No 1260/2001 in force on the last day of
validity of the said licence;

(b) the sum of the export levy indicated on the licence and the
refund referred to in Article 28(2) of Regulation (EC) No
1260/2001 in force on the last day of validity of the said licence;

(c) the export refund referred to in Article 28(2) of Regulation
(EC) No 1260/2001 in force on the last day of validity of
the licence, less the refund indicated on the said licence,

The amount to be paid referred to in the first paragraph shall be
equal to the difference between the result of the valuation made
under (a), (b) or (c), as the case may be, and the security referred
to in Article 6(1).

Article 14

This Regulation shall enter into force on the day of its publi-
cation in the Official Journal of the European Union.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
