3. Where the applicant authority requests assistance which it would itself be unable to provide if so asked, it shall draw attention to that fact in its request. It shall then be left to the requested authority to decide how to respond to such a request.
4. If assistance is refused, the decision and the reasons therefore must be notified to the applicant authority without delay.

4. Paragraph 3 shall not impede the use of information in any judicial or administrative proceedings subsequently instituted for failure to comply with customs legislation. The competent authority which supplied that information shall be immediately notified of such use.

5. The Parties may, in their records of evidence, reports and testimonies and in proceedings and charges brought before the courts, use as evidence information obtained and documents consulted in accordance with the provisions of this Protocol.

Article 11
Experts and witnesses
An official of a requested authority may be authorised to appear, within the limitations of the authorisation granted, as an expert or witness in judicial or administrative proceedings regarding the matters covered by this Protocol in the jurisdiction of the other Party, and produce such objects, documents or authenticated copies thereof, as may be needed for the proceedings. The request for an appearance must indicate specifically on what matters and by virtue of what title or qualification the official will be questioned.

Article 12
Assistance expenses
The Contracting Parties shall waive all claims on each other for the reimbursement of expenses incurred pursuant to this Protocol, except, as appropriate, for expenses of experts and witnesses and of interpreters and translators who are not public service employees.

EXCHANGE OF LETTERS
between the European Community and the Republic of Tajikistan concerning the establishment of companies

A. Letter from the Government of the Republic of Tajikistan

Dear Sir,

I refer to the Partnership and Cooperation Agreement initialled on 16 December 2003.

As I underlined during the negotiations, the Republic of Tajikistan grants to Community companies establishing and operating in Tajikistan in certain respects a privileged treatment. I explained that this reflects the Tajik policy to promote by all means the establishment of Community companies in the Republic of Tajikistan.

With this in mind, it is my understanding that during the period between the date of initialling of this agreement and the entry into force of the relevant articles on establishment of companies, the Republic of Tajikistan shall not adopt measures or regulations which would introduce or worsen discrimination against Community companies vis-à-vis Tajik companies or companies from any third country as compared to the situation existing on the date of initialling of this Agreement.

I would be obliged if you would acknowledge receipt of this letter.

Please accept, Sir, the assurance of my highest consideration.
