DIRECTIVE 2008/34/EC OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL
of 11 March 2008
amending Directive 2002/96/EC on waste electrical and electronic equipment (WEEE), as regards the
implementing powers conferred on the Commission

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE
EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 175(1) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Economic and Social Committee (1),

After consulting the Committee of the Regions,

Acting in accordance with the procedure laid down in Article 251 of the Treaty (2),

Whereas:

(2) Decision 1999/468/EC has been amended by Decision 2006/512/EC, which introduced the regulatory procedure with scrutiny to be applicable to instruments adopted in accordance with the procedure referred to in Article 251 of the Treaty which are already in force, those instruments must be adjusted in accordance with the applicable procedures.

(3) In accordance with the statement by the European Parliament, the Council and the Commission (5) concerning Decision 2006/512/EC, for the regulatory procedure with scrutiny to be applicable to instruments adopted in accordance with the procedure referred to in Article 251 of the Treaty which are already in force, those instruments must be adjusted in accordance with the applicable procedures.

(4) The Commission should be empowered to adapt the annexes and to adopt rules for monitoring compliance. Since those measures are of general scope and are designed to amend non-essential elements of Directive 2002/96/EC, inter alia, by supplementing it with new non-essential elements, they must be adopted in accordance with the regulatory procedure with scrutiny provided for in Article 5a of Decision 1999/468/EC.

(5) Since the Commission has laid down the detailed rules referred to in Article 7(3) of Directive 2002/96/EC by means of Decision 2005/369/EC (6), it is appropriate to delete the reference to the deadline of 13 August 2004.

(7) Since the amendments made to Directive 2002/96/EC by this Directive are technical in nature and concern committee procedure only, they do not need to be transposed by the Member States. It is therefore not necessary to lay down provisions to that effect.
