AGREEMENT

between the European Union and the Republic of Serbia establishing a framework for the participation of the Republic of Serbia in European Union crisis management operations

THE EUROPEAN UNION,
of the one part, and
THE REPUBLIC OF SERBIA
of the other part,
hereinafter referred to as the 'Parties',

Whereas:

(1) The European Union (EU) may decide to take action in the field of crisis management.
(2) The European Union will decide whether third States will be invited to participate in an EU crisis management operation. The Republic of Serbia may accept the invitation by the European Union and offer its contribution. In such case, the European Union will decide on the acceptance of the proposed contribution of the Republic of Serbia.
(3) Conditions regarding the participation of the Republic of Serbia in EU crisis management operations should be laid down in an agreement establishing a framework for such possible future participation, rather than defining those conditions on a case-by-case basis for each operation concerned.
(4) Such an agreement should be without prejudice to the decision-making autonomy of the European Union, and should not prejudge the case-by-case nature of the decisions of the Republic of Serbia to participate in an EU crisis management operation.
(5) Such an agreement should only address future EU crisis management operations and should be without prejudice to any existing agreements regulating the participation of the Republic of Serbia in an EU crisis management operation that has already been deployed.
