

PROCEDURES RELATING TO THE IMPLEMENTATION OF THE COMMON COMMERCIAL POLICY

COMMISSION

Notice of initiation of a partial interim review of the anti-dumping measures applicable to imports of certain welded tubes and pipes of iron or non-alloy steel originating in Ukraine

(2008/C 17/10)

The Commission has received a request for a partial interim review pursuant to Article 11(3) of Council Regulation (EC) No 384/96 of 22 December 1995 on protection against dumped imports from countries not members of the European Community ⁽¹⁾ ('the basic Regulation').

1. Request for review

The request was lodged by the Interpipe Group ('the applicant'), an exporter from Ukraine.

The request is limited in scope to the examination of dumping as far as the applicant is concerned.

2. Product

The product under review is welded tubes and pipes, of iron or non-alloy steel, of circular cross-section and of an external diameter not exceeding 168,3 mm, excluding tubes and pipes of a kind used for oil or gas pipelines, of a kind used in drilling for oil or gas, or with attached fittings for use in civil aircraft, other than precision tubes, originating in Ukraine ('the product concerned'), currently classifiable within CN codes ex 7306 30 41, ex 7306 30 49, ex 7306 30 72 and ex 7306 30 77. These CN codes are given only for information.

3. Existing measures

The measures currently in force are a definitive anti-dumping duty imposed by Council Regulation (EC) No 1697/2002 ⁽²⁾ on imports of certain welded tubes and pipes, of iron or non-alloy steel originating in Ukraine.

4. Grounds for the review

The request pursuant to Article 11(3) is based on the *prima facie* evidence, provided by the applicant, that the circumstances on the basis of which measures were established have changed and that these changes are of lasting nature.

The applicant has provided evidence showing that a comparison of normal value based on its own costs/domestic prices and its

export prices to a third country market comparable to the EU, would lead to a reduction of dumping significantly below the level of the current measures. Therefore, the continued imposition of measures at the existing level, which were based on the level of dumping previously established, is no longer necessary to offset dumping.

5. Procedure for the determination of dumping

Having determined, after consulting the Advisory Committee, that sufficient evidence exists to justify the initiation of a partial interim review, the Commission hereby initiates a review in accordance with Article 11(3) of the basic Regulation.

The investigation will assess the need for the continuation, removal or amendment of the existing measures in respect of the applicant.

If it is determined that measures should be removed or amended for the applicant, it may be necessary to amend the rate of duty currently applicable to imports of the product concerned from companies not mentioned in Article 1 of Regulation (EC) No 1697/2002.

(a) Questionnaires

In order to obtain the information it deems necessary for its investigation, the Commission will send questionnaires to the applicant and to the authorities of the exporting country concerned. This information and supporting evidence should reach the Commission within the time limit set in point 6(a).

(b) Collection of information and holding of hearings

All interested parties are hereby invited to make their views known, submit information other than questionnaire replies and to provide supporting evidence. This information and supporting evidence must reach the Commission within the time limit set in point 6(a).

⁽²⁾ OJ L 259, 27.9.2002, p. 8.

Furthermore, the Commission may hear interested parties, provided that they make a request showing that there are particular reasons why they should be heard. This request must be made within the time limit set in point 6(b).

6. Time limits

(a) *For parties to make themselves known, to submit questionnaire replies and any other information*

All interested parties, if their representations are to be taken into account during the investigation, must make themselves known by contacting the Commission, present their views and submit questionnaire replies or any other information within 40 days of the date of publication of this notice in the *Official Journal of the European Union*, unless otherwise specified. Attention is drawn to the fact that the exercise of most procedural rights set out in the basic Regulation depends on the party's making itself known within the aforementioned period.

(b) *Hearings*

All interested parties may also apply to be heard by the Commission within the same 40-day time limit.

7. Written submissions, questionnaire replies and correspondence

All submissions and requests made by interested parties must be made in writing (not in electronic format, unless otherwise specified) and must indicate the name, address, e-mail address, telephone and fax numbers of the interested party. All written submissions, including the information requested in this notice, questionnaire replies and correspondence provided by interested parties on a confidential basis shall be labelled as '*Limited*'⁽¹⁾ and, in accordance with Article 19(2) of the basic Regulation, shall be accompanied by a non-confidential version, which will be labelled 'FOR INSPECTION BY INTERESTED PARTIES'.

Where it is found that any interested party has supplied false or misleading information, the information shall be disregarded and use may be made, in accordance with Article 18 of the basic Regulation, of the facts available. If an interested party does not cooperate or cooperates only partially, and use of facts available is made, the result may be less favourable to that party than if it had cooperated.

9. Schedule of the investigation

The investigation will be concluded, according to Article 11(5) of the basic Regulation, within 15 months of the date of the publication of this notice in the *Official Journal of the European Union*.

10. Processing of personal data

He acts as an interface between the interested parties and the Commission services, offering, where necessary, mediation on procedural matters affecting the protection of their interests in this proceeding, in particular, with regard to issues concerning access to the file, confidentiality, extension of time limits and the treatment of written and/or oral submission of views.
