

**New national side of euro coins intended for circulation**

(2008/C 125/06)

*National side of the new 2-euro commemorative coin intended for circulation and issued by Slovenia*

Euro coins intended for circulation are legal tender throughout the euro area. For the purpose of informing the public and all parties involved who handle the coins, the Commission publishes a description of the designs of all new coins <sup>(1)</sup>. In accordance with the Council conclusions of 8 December 2003 <sup>(2)</sup>, euro-area Member States and those countries that have concluded a Monetary Agreement with the Community providing for the issuing of euro coins intended for circulation are allowed to issue certain quantities of commemorative euro coins for circulation, on condition that not more than one new coin design is issued per country per year and that only the 2-euro denomination is used. These coins have the technical features of normal euro circulation coins, but bear a commemorative design on the national side.

**Issuing country:** Slovenia

**Subject of commemoration:** 500th anniversary of Primož Trubar's birth

**Description of the design:** The inner part of the coin features an effigy of Primož Trubar in left profile. On the left, in two semi-circles, the inscriptions 'PRIMOŽ TRUBAR' and '1508-1586'. Towards the bottom on the right, in semi-circle, the inscription 'SLOVENIJA 2008'.

The coin's outer ring contains the 12 stars of the European flag.

**Number of coins to be issued:** 1 million

**Approximate date of issue:** May 2008

**Edge lettering:** 'SLOVENIJA' followed by an engraved dot.
