REGULATIONS

COUNCIL REGULATION (EC) No 595/2008

of 16 June 2008

amending Regulation (EC) No 1255/96 temporarily suspending the autonomous common customs tariff duties on certain industrial, agricultural and fishery products

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 26 thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) It is in the Community's interest to suspend partially or totally the autonomous common customs tariff duties on a number of new products not listed in the Annex to Council Regulation (EC) No 1255/96 ⁽¹⁾.
- (2) The CN and TARIC codes 5603 12 10 20 and 8504 40 84 20 for two products which are listed in the Annex to Regulation (EC) No 1255/96 should be withdrawn from that list because it is no longer in the Community's interest to maintain suspension of autonomous common customs tariff duties.
- (3) In addition, the descriptions of eight products need to be altered in order to take account of technical product developments and economic trends on the market. Those products should be considered as withdrawn from the list and should as a consequence be inserted in it as new products.
- (4) Experience has shown the need to provide for an expiry date for the suspensions listed in Regulation (EC) No 1255/96 to ensure that account is taken of technological and economic changes. That should not exclude the premature termination of certain measures or their continuation beyond that period, if economic reasons are submitted, in accordance with the principles laid down in the Commission Communication of 1998 concerning autonomous tariff suspensions and quotas ⁽²⁾.

(5) Regulation (EC) No 1255/96 should therefore be amended accordingly.

(6) Having regard to the economic importance of this Regulation, it is necessary to rely on the grounds of urgency provided for in point 1.3 of the Protocol on the role of national parliaments in the European Union annexed to the Treaty on European Union and to the Treaties establishing the European Communities.

(7) Since the suspensions laid down in this Regulation have to take effect from 1 July 2008, this Regulation should apply from the same date and enter into force immediately,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EC) No 1255/96 is hereby amended as follows:

1. the rows for the products listed in Annex I to this Regulation shall be inserted;
2. the rows for the products for which the CN and TARIC codes are given in Annex II to this Regulation shall be deleted.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.

⁽¹⁾ OJ L 158, 29.6.1996, p. 1. Regulation as last amended by Regulation (EC) No 1527/2007 (OJ L 349, 31.12.2007, p. 7).

⁽²⁾ OJ C 128, 25.4.1998, p. 2.

It shall apply from 1 July 2008.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
