THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1225/2009 of 30 November 2009 on protection against dumped imports from countries not members of the European Community<sup>(1)</sup> (the basic Regulation) and in particular Articles 11(4), 13(4) and 14(5) thereof,

After having consulted the Advisory Committee,

Whereas:

## A. EXISTING MEASURES

(1) The Council, by Regulation (EC) No 1796/1999<sup>(2)</sup> imposed anti-dumping measures on steel ropes and cables originating, inter alia, in the People's Republic of China (the original measures). By Regulation (EC) No 1858/2005<sup>(3)</sup>, the Council maintained the original measures following an expiry review in accordance with Article 11(2) of the basic Regulation. By Implementing Regulation (EU) No 400/2010<sup>(4)</sup>, the Council extended the measures to steel ropes and cables consigned from the Republic of Korea, whether declared as originating in the Republic of Korea or not ('the extended measures'), with the exception of those produced by companies specially mentioned in Article 1 of that Regulation.

<sup>(1)</sup> OJ L 343, 22.12.2009, p. 51.

<sup>(2)</sup> OJ L 217, 17.8.1999, p. 1.

<sup>(3)</sup> OJ L 299, 16.11.2005, p. 1.

<sup>(4)</sup> OJ L 117, 11.5.2010, p. 1.

(2) The measures currently in force are a definitive anti-dumping duty imposed by Council Implementing Regulation (EU) No 102/2012<sup>(5)</sup> following an expiry review pursuant to Article 11(2) of the basic Regulation, under which, inter alia, imports into the European Union of the product under review consigned from the Republic of Korea are subject to a definitive anti-dumping duty of 60,4 %, with the exception of the product manufactured by companies which have been exempted.

## B. REQUEST FOR A REVIEW

(3) On 6 May 2013 Line Metal Co., Ltd (the applicant) lodged a request for an exemption from the anti-dumping measures applicable to imports of steel ropes and cables originating in the People's Republic of China, as extended to imports consigned from the Republic of Korea, whether declared as originating in the Republic of Korea or not, as far as the applicant is concerned, pursuant to Articles 11(4) and 13(4) of the basic Regulation.

## C. PRODUCT

(4) The product under review is steel ropes and cables including locked coil ropes, excluding ropes and cables of stainless steel, with a maximum cross-sectional dimension exceeding 3 mm, consigned from the Republic of Korea, whether declared as originating in the Republic of Korea or not (the product under review), currently falling within CN codes ex 7312 10 81, ex 7312 10 83, ex 7312 10 85, ex 7312 10 89 and ex 7312 10 98 (TARIC codes 7312 10 81 13, 7312 10 83 13, 7312 10 85 13, 7312 10 89 13 and 7312 10 98 13).

<sup>(5)</sup> OJ L 36, 9.2.2012, p. 36.

**D. GROUNDS FOR THE REVIEW**

- (5) The applicant claims that it did not export the product concerned to the European Union during the investigation period used in the investigation that led to the extended measures, i.e. from 1 July 2008 to 30 June 2009.
- (6) Furthermore, the applicant claims that it is not related to exporting producers subject to measures, and that it has not circumvented the measures applicable to steel ropes and cables of Chinese origin.
- (7) The applicant further claims that it has begun exporting the product concerned to the Union after the end of the investigation period used in the investigation that led to the extended measures.

**E. PROCEDURE**

- (8) Union producers known to be concerned have been informed of the above application and have been given an opportunity to comment.
- (9) Having examined the evidence available, the European Commission (Commission) concludes that there is sufficient evidence to justify the initiation of an investigation pursuant to Articles 11(4) and 13(4) of the basic anti-dumping Regulation for the purposes of determining the possibility of granting the applicant an exemption from the extended measures.
- (a) Questionnaires**
- (10) In order to obtain information it deems necessary for its investigation, the Commission will send a questionnaire to the applicant.
- (b) Collection of information and holding of hearings**
- (11) All interested parties are hereby invited to make their views known in writing and to provide supporting evidence. Furthermore, the Commission may hear interested parties, provided that they make a request in writing showing that there are particular reasons why they should be heard.

**F. REPEAL OF THE ANTI-DUMPING DUTY IN FORCE AND REGISTRATION OF IMPORTS**

- (12) Pursuant to Article 11(4) of the basic Regulation, the anti-dumping duty in force should be repealed with regard to imports of the product under review which are produced and sold for export to the Union by the applicant. At the same time, such imports should be made subject to registration in accordance with Article 14(5) of the basic Regulation, in order to ensure that, should the review result in a finding of circumvention in respect of the applicant, anti-dumping duties can be levied retroactively to the date of the initiation of this review. The amount of the applicant's possible future liabilities cannot be estimated at this stage of the proceeding.

**G. TIME LIMITS**

- (13) In the interest of sound administration, time limits should be stated within which:
- interested parties may make themselves known to the Commission, present their views in writing and submit the replies to the questionnaire mentioned in recital 10 of this Regulation or provide any other information to be taken into account during the investigation
  - interested parties may make a written request to be heard by the Commission.
- (14) Attention is drawn to the fact that the exercise of most procedural rights set out in the basic Regulation depends on the party's making itself known within the time-limits indicated in Article 4 of this Regulation.

**H. NON-COOPERATION**

- (15) In cases in which an interested party refuses access to or does not provide the necessary information within the time-limits, or significantly impedes the investigation, findings, affirmative or negative, may be made in accordance with Article 18 of the basic Regulation, on the basis of the facts available.
- (16) Where it is found that an interested party has supplied false or misleading information, the information shall be disregarded and use may be made of facts available.
- (17) If an interested party does not cooperate or cooperates only partially and findings are therefore based on the facts available in accordance with Article 18 of the basic Regulation, the result may be less favourable to that party than if it had cooperated.

**I. SCHEDULE OF THE INVESTIGATION**

- (18) The investigation will be concluded, pursuant to Article 11(5) of the basic Regulation, within nine months of the entry into force of this Regulation.

**J. PROCESSING OF PERSONAL DATA**

- (19) It is noted that any personal data collected in this investigation will be treated in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data <sup>(1)</sup>.

<sup>(1)</sup> OJ L 8, 12.1.2001, p. 1.
