

Official Journal act by act

Coming soon: Official Journal act by act

On 1 October 2023, the *Official Journal of the European Union* (the Official Journal) is switching to act-by-act publication.

In this new production mode, the Official Journal will no longer be a collation of acts with a table of contents.

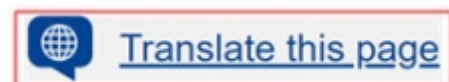

Instead, each act will be published individually as an authentic Official Journal in PDF format.

More detailed information will follow on the EUR-Lex website.
