COMMON CATALOGUE OF VARIETIES OF AGRICULTURAL PLANT SPECIES

Supplement A 2026/4

(Text with EEA relevance)

(C/2026/2780)

1. This supplement to the common catalogue of varieties of agricultural plant species [1] takes up the modifications which have been necessary to add, in order to take into account information that the Commission has received from the Member States.

2. This supplement covers the notifications received from 1.3.2026 to 31.3.2026.

3. The modifications made to the consolidated version are indicated in the following way:

   — (add.): means a new position introduced into the common catalogue,

   — (mod.): means a modification to an existing position. The indications relating to this position in the current supplement replace those in the consolidated version,

   — (del.): means that the position and all indications which relate to it are deleted from the common catalogue.

4. This supplement concerns the varieties notified for which the provisions laid down in Article 16(1) of Council Directive 2002/53/EC [2] apply.

5. When the code of a maintainer does not appear in the consolidated version, the name of the maintainer and his address may be obtained from the authority indicated in the list for the Member State or EFTA country concerned.
