

COMMISSION DECISION

of 21 April 1978

authorizing the Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands not to apply Community treatment to blouses and shirt-blouses, knitted or crocheted (not elastic or rubberized) or woven, for women, girls and infants, of wool, of cotton or of man-made textile fibres, falling within subheading ex 60.05 A II or ex 61.02 B of the Common Customs Tariff, originating in the Philippines and in free circulation in the other Member States

(78/425/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 17 April 1978 by the Benelux Governments to the Commission of the European Communities, for authorization not to apply Community treatment to blouses and shirt-blouses, knitted or crocheted (not elastic or rubberized) or woven, for women, girls and infants, of wool, of cotton or of man-made textile fibres, falling within subheading ex 60.05 A II or ex 61.02 B of the Common Customs Tariff, originating in the Philippines and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in the Philippines is covered by an Agreement negotiated between the Community and that country;

Whereas under that Agreement the Philippines has undertaken to take all necessary steps to limit its exports of the products in question to the Community to certain ceilings allocated among the Member States;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets; whereas for that reason disparities persist between the import conditions in the various Member States; whereas uniformity can be achieved only progressively;

Whereas according to the application submitted there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment and a progressive decline in its market share;

Whereas these economic difficulties are caused largely by unequal conditions of competition, whereby exports can be effected at prices appreciably lower than those of the Community products in question;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 ⁽¹⁾, and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:
