To ensure the Community dimension of the programmes, transnational projects and activities proposed by Romania will be required to include a minimum number of partners from the Member States of the Community. This minimum number will be decided in the framework of the implementation of the programmes, taking into account the nature of the various activities, the number of partners in a given project and the number of countries participating in the programmes.
4. Romania will pay each year a contribution to the general budget of the European Communities to cover the costs resulting from its participation in the programmes (see Annex II). The Association Committee is entitled to adapt this contribution whenever necessary.
