

COUNCIL DECISION (CFSP) 2022/667**of 21 April 2022****on an assistance measure taking the form of a general programme for support to the African Union
under the European Peace Facility for the period 2022-2024**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Articles 28(1) and 41(2) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) In accordance with Council Decision (CFSP) 2021/509 ⁽¹⁾, a European Peace Facility (EPF) has been established for the financing by Member States of Union actions under the Common Foreign and Security Policy to preserve peace, prevent conflicts and strengthen international security, in accordance with Article 21(2), point (c), of the Treaty. In particular, pursuant to Article 1(2), second subparagraph, point (ii), of Decision (CFSP) 2021/509, the EPF may finance assistance measures to support the military aspects of peace support operations led by a regional or international organisation.
- (2) Assistance measures under the EPF may take the form of a specific measure or of a general programme for support with a given geographical or thematic focus.
- (3) The Council acknowledges the continued strategic importance of the Africa-EU Peace and Security Partnership, under the Joint Africa-EU Strategy, in particular the cooperation framework established under the African Peace Facility (APF) and the leading role of the African Union (AU) in preserving peace and security on the African continent as specified in Article 16 of the Protocol relating to the establishment of the AU Peace and Security Council. The Council remains committed to building AU capacities in this area, providing assistance to African-led peace support operations and strengthening the African Peace and Security Architecture towards its full operationalisation, in line with the Memorandum of Understanding between the African Union and the European Union on Peace, Security and Governance of 23 May 2018, as well as to sustaining established cooperation mechanisms, in particular an integrated approach based on partnership, consultation and enhanced strategic coordination.
- (4) A seamless transition of Union support from the APF to the EPF was ensured through the adoption of an assistance measure taking the form of a general programme for support to the AU covering the second half of 2021 ⁽²⁾. That general programme covering the second half of 2021 should be followed by a multiannual general programme for support to the AU for the period 2022-2024, allowing for the continued provision of reliable and predictable financing to African-led peace support operations mandated or authorised by the AU Peace and Security Council, while also ensuring the flexibility necessary to effectively and efficiently react to conflict developments on the African continent. It is expected that actions under the assistance measure might be implemented by entities that have experience in the implementation of actions under the APF and under the assistance measure taking the form of a general programme for support to the AU under the EPF covering the second half of 2021.

⁽¹⁾ Council Decision (CFSP) 2021/509 of 22 March 2021 establishing a European Peace Facility, and repealing Decision (CFSP) 2015/528 (OJ L 102, 24.3.2021, p. 14).

⁽²⁾ Council Decision (EU) 2021/1210 of 22 July 2021 on an assistance measure taking the form of a general programme for support to the African Union under the European Peace Facility in 2021 (OJ L 263, 23.7.2021, p. 7).

- (5) By its letter of 1 July 2021 addressed to the High Representative of the Union for Foreign Affairs and Security Policy, the AU requested the Union to provide continued support from 1 July 2021 to African-led peace support operations mandated or authorised by the AU Peace and Security Council.
- (6) Assistance measures are to be implemented taking into account the principles and requirements set out in Decision (CFSP) 2021/509, and in accordance with the rules for the implementation of revenue and expenditure financed under the EPF.
- (7) The Council reaffirms its determination to protect, promote and fulfil human rights, fundamental freedoms and democratic principles, and to strengthen the rule of law and good governance, in compliance with the United Nations Charter, with the Universal Declaration of Human Rights and with international law, in particular international human rights and international humanitarian law,

HAS ADOPTED THIS DECISION:
