

DECISIONS

COUNCIL DECISION (EU) 2023/1977

of 18 September 2023

on the position to be taken on behalf of the European Union within the Council of Members of the International Olive Council as regards the conditions for the accession of the Government of Bosnia and Herzegovina to the International Agreement on Olive Oil and Table Olives, 2015

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 207(4), first subparagraph, in conjunction with Article 218(9) thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) The International Agreement on Olive Oil and Table Olives, 2015 ('the Agreement') was signed on behalf of the Union in accordance with Council Decision (EU) 2016/1892 ⁽¹⁾ on 18 November 2016, subject to its conclusion at a later date. The Agreement entered into force provisionally on 1 January 2017, in accordance with Article 31(2) thereof.
- (2) The Agreement was approved on behalf of the Union on 17 May 2019 by way of Council Decision (EU) 2019/848 ⁽²⁾.
- (3) Pursuant to Article 29 of the Agreement, the Council of Members of the International Olive Council ('the Council of Members') is to establish the conditions for the accession of a Government to the Agreement.
- (4) The Government of Bosnia and Herzegovina has formally applied to accede to the Agreement. The Council of Members should therefore be invited, during a future session thereof, or within the framework of a procedure for adoption of decisions by the Council of Members by exchange of correspondence, to establish the conditions for the accession of Bosnia and Herzegovina in respect of its participation shares in the International Olive Council and the time limit for the deposit of its instrument of accession.
- (5) Given that Bosnia and Herzegovina is developing its olive sectors as regards consumption and intends to develop its production, its accession could, under certain conditions, reinforce the International Olive Council, in particular as regards the achievement of uniformity in national and international legislation relating to the characteristics of olive products in order to prevent obstacles to trade.
- (6) It is appropriate to establish the position to be taken on the Union's behalf within the Council of Members, as the decisions to be adopted will have legal effects on the Union by impacting the decisional balance within the Council of Members when decisions are not adopted by consensus in accordance with Article 10(4) of the Agreement,

⁽¹⁾ Council Decision (EU) 2016/1892 of 10 October 2016 on the signing, on behalf of the European Union, and provisional application of the International Agreement on Olive Oil and Table Olives, 2015 (OJ L 293, 28.10.2016, p. 2).

⁽²⁾ Council Decision (EU) 2019/848 of 17 May 2019 on the conclusion on behalf of the European Union of the International Agreement on Olive Oil and Table Olives, 2015 (OJ L 139, 27.5.2019, p. 1).

HAS ADOPTED THIS DECISION:

Article 1

The position to be taken on the Union's behalf within the Council of Members of the International Olive Council during a future session thereof, or within the framework of a procedure for adoption of decisions by the Council of Members by exchange of correspondence, as regards the conditions for the accession of the Government of Bosnia and Herzegovina to the Agreement, is set out in the Annex.

Article 2

This Decision shall enter into force on the date of its adoption.

Done at Brussels, 18 September 2023.

For the Council
The President
L. PLANAS PUCHADES

ANNEX

The Union shall support the accession of the Government of Bosnia and Herzegovina to the Agreement, at a future session of the Council of Members or within the framework of a procedure for adoption of decisions by the Council of Members by exchange of correspondence, provided that the participation shares of Bosnia and Herzegovina are calculated according to the formula specified in Article 11 of the Agreement and that the time limit for the deposit of the instrument of accession does not exceed 18 months following the decision of the Council of Members. If the deposit of the instrument is delayed, the Union may support, in subsequent decisions to be adopted by the Council of Members, the extension of the time limit for the deposit of the instrument.
