**DECISION No 1/2025 OF THE EU-UKRAINE ASSOCIATION COMMITTEE IN TRADE  
CONFIGURATION  
of 13 March 2025  
modifying Part A of Appendix XVII-3 (Rules applicable to telecommunication services) of  
Annex XVII to the Association Agreement between the European Union and the European Atomic  
Energy Community and their Member States, of the one part, and Ukraine, of the other part  
[2025/1351]**

THE ASSOCIATION COMMITTEE IN TRADE CONFIGURATION (hereinafter referred to as the 'Trade Committee'),

Having regard to the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part <sup>(1)</sup>, and in particular Article 465(3) thereof and Article 11 of Annex XVII thereto,

Whereas:

- (1) The Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part (the 'Agreement') entered into force on 1 September 2017.
- (2) Article 1(2), point (d), of the Agreement provides that the aim of the Agreement is, inter alia, to support Ukrainian efforts to complete the transition into a functioning market economy by means of, inter alia, the progressive approximation of its legislation to that of the Union.
- (3) In Article 124 of the Agreement, the Parties recognise the importance of the approximation of Ukraine's existing legislation to that of the Union in the telecommunication services sector. Ukraine committed to ensure that its existing laws and future legislation are made compatible with the Union *acquis*. Such approximation is foreseen to gradually extend to all the elements of the Union *acquis* referred to in Appendices XVII-2 to XVII-5 of Annex XVII to the Agreement and should, once the conditions for it have been fulfilled, lead to Ukraine's gradual integration into the internal market of the Union, notably through the reciprocal granting of internal market treatment in accordance with Article 4(3) of Annex XVII to the Agreement.
- (4) Ukraine has requested further integration with regard to roaming on public mobile communications networks in the Union, in particular internal market treatment for the purpose of roaming on public mobile communications networks.
- (5) In order to enable Ukraine's gradual transition to full enactment and complete and full implementation of the applicable provisions for the telecommunications sector, in particular those on roaming on public mobile communications networks, Decision No 1/2023 of the EU-Ukraine Association Committee in Trade configuration <sup>(2)</sup> complemented Appendix XVII-3 (Rules applicable to telecommunication services) of Annex XVII to the Agreement with the relevant Union acts relating to roaming on public mobile communications networks.
- (6) Pursuant to Article 4(2) of Annex XVII to the Agreement, on 7 November 2024, Ukraine notified the Union that it considered that the conditions for enacting and implementing the Union *acquis* regarding roaming on public mobile communications networks had been met and requested the Union to carry out a comprehensive assessment in the sector of roaming on public mobile communications networks.

<sup>(1)</sup> OJ EU L 161, 29.5.2014, p. 3, ELI: [http://data.europa.eu/eli/agree\\_internation/2014/295/oj](http://data.europa.eu/eli/agree_internation/2014/295/oj).

<sup>(2)</sup> Decision No 1/2023 of the EU-Ukraine Association Committee in Trade configuration of 24 April 2023 modifying Appendix XVII-3 (Rules applicable to telecommunication services) of Annex XVII to the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part [2023/930] (OJ EU L 123, 8.5.2023, p. 38, ELI: <http://data.europa.eu/eli/dec/2023/930/oj>).

- (7) Based on the regular assessments and monitoring pursuant to Appendix XVII-6 of Annex XVII to the Agreement and the ongoing assessment under Article 4(2) of Annex XVII to the Agreement and taking into account the impact of Russia's ongoing war of aggression against Ukraine, it is appropriate to introduce certain additional specific adaptations to Part A of Appendix XVII-3 of Annex XVII to the Agreement.
- (8) In view of the particular difficulties faced by Ukraine, as a result of Russia's ongoing war of aggression, it is appropriate to grant Ukraine additional time to fully implement Article 7(2), Article 8(1) and Article 30(6) of Directive (EU) 2018/1972 of the European Parliament and of the Council <sup>(3)</sup>, without postponing the possibility of an eventual decision by the Trade Committee to grant internal market treatment for roaming pursuant to Article 4(3) of Annex XVII to the Agreement.
- (9) The adaptations to Article 7(2), Article 8(1) and Article 30(6) of Directive (EU) 2018/1972 provide a specific deadline within which Ukraine needs to take further action in view of fully satisfying its obligations on regulatory approximation. It should be clarified that, in the event of granting internal market treatment pursuant to Article 4(3) of Annex XVII to the Agreement for roaming on public mobile communication networks, Article 5(4) to (6) of Annex XVII to the Agreement applies *mutatis mutandis* to the specific adaptations to Article 7(2), Article 8(1) and Article 30(6) of Directive (EU) 2018/1972.
- (10) Certain provisions of Directive (EU) 2018/1972, Regulation (EU) 2022/612 of the European Parliament and of the Council <sup>(4)</sup>, Regulation (EU) 2018/1971 of the European Parliament and of the Council <sup>(5)</sup>, Commission Implementing Regulation (EU) 2016/2286 <sup>(6)</sup> and Commission Delegated Regulation (EU) 2021/654 <sup>(7)</sup> are not relevant for the purpose of Ukraine's obligations on regulatory approximation in the roaming service subsector. To ensure legal certainty, it is appropriate to specify which provisions in Appendix XVII-3 of Annex XVII to the Agreement are relevant in this regard. This is done without prejudice to Ukraine's obligation to implement Directive (EU) 2018/1972 fully and completely for the purpose of an eventual decision by the Trade Committee to grant internal market treatment for telecommunication services pursuant to Article 4(3) of Annex XVII to the Agreement.
- (11) The due date for Ukraine's implementation of Directive (EU) 2018/1972 lapsed on 31 December 2024. It is therefore necessary to set a new timetable in view of Ukraine's specific circumstances.
- (12) Once Ukraine has been granted internal market treatment for roaming services, the average wholesale roaming charges set out in Regulation (EU) 2022/612 and the termination rates set out in Delegated Regulation (EU) 2021/654 may be subject to amendments. To ensure reciprocity with respect to the level of average wholesale roaming charges or termination rates applicable to undertakings during the period necessary for Ukraine to transpose and implement any amendments into its legal order, it is necessary to provide specific rules for the date of applicability of the rules for amended average wholesale roaming charges and termination rates.

<sup>(6)</sup> Commission Implementing Regulation (EU) 2016/2286 of 15 December 2016 laying down detailed rules on the application of fair use policy and on the methodology for assessing the sustainability of the abolition of retail roaming surcharges and on the application to be submitted by a roaming provider for the purposes of that assessment (OJ EU L 344, 17.12.2016, p. 46, ELI: [http://data.europa.eu/eli/reg\\_impl/2016/2286/oj](http://data.europa.eu/eli/reg_impl/2016/2286/oj)).

<sup>(7)</sup> Commission Delegated Regulation (EU) 2021/654 of 18 December 2020 supplementing Directive (EU) 2018/1972 of the European Parliament and of the Council by setting a single maximum Union-wide mobile voice termination rate and a single maximum Union-wide fixed voice termination rate (OJ EU L 137, 22.4.2021, p. 1, ELI: [http://data.europa.eu/eli/reg\\_del/2021/654/oj](http://data.europa.eu/eli/reg_del/2021/654/oj)).

- (13) The approach adopted by Ukraine in transposing and implementing the Union Regulations referred to in Part A of Appendix XVII-3 of Annex XVII to the Agreement, has led to certain textual discrepancies between those Union Regulations and the acts incorporating them into the Ukrainian legal order. It is thus necessary to provide that, in the event of a conflict, the text of those Union Regulations prevails over the text of any act incorporating them into the Ukrainian legal order,

In particular, measures aimed at abolishing the obligation for regulatory legal acts of the national regulatory authority of Ukraine to undergo the procedure of state registration by the Ministry of Justice of Ukraine shall be adopted. - (3) as regards the power of the national regulatory authority of Ukraine to take urgent interim measures to remedy the situation in advance of reaching a final decision, where it has evidence of a breach of the conditions of the general authorisation, Article 30(6) of Directive (EU) 2018/1972 shall be fully implemented within 5 years of the date specified in an eventual decision by the Trade Committee for the granting of internal market treatment for roaming pursuant to Article 4(3) of Annex XVII. This adaptation is without prejudice to Ukraine’s obligation to implement all other requirements set out in Article 30(6) of Directive (EU) 2018/1972.
