COUNCIL DECISION (CFSP) 2025/2019

of 3 October 2025

amending Decision (CFSP) 2024/2643 concerning restrictive measures in view of Russia's destabilising activities

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 8 October 2024, the Council adopted Decision (CFSP) 2024/2643 ⁽¹⁾.
- (2) On 18 July 2025, the High Representative of the Union for Foreign Affairs and Security Policy (the 'High Representative') issued a statement on behalf of the Union, in which she condemned Russia's persistent hybrid campaigns against the Union, its Member States and partners. The High Representative stated that, over the past years, the Union has observed a deliberate and systematic pattern of malicious behaviour attributed to Russia, such as cyber-attacks, acts of sabotage, disruption of critical infrastructure, physical attacks, information manipulation and interference, and other covert or coercive actions. Those activities have further escalated since the beginning of the war of aggression against Ukraine and, according to the High Representative, are highly likely to persist in the foreseeable future.
- (3) On the basis of a review of Decision (CFSP) 2024/2643, the Council has decided that the restrictive measures set out therein should be renewed until 9 October 2026.
- (4) The Council considers that the statement of reasons in the entry for one natural person in the list of natural and legal persons, entities and bodies set out in Annex I to Decision (CFSP) 2024/2643 should be amended.
- (5) Decision (CFSP) 2024/2643 should therefore be amended accordingly,

HAS ADOPTED THIS DECISION:

Article 1

Decision (CFSP) 2024/2643 is amended as follows:

- (1) in Article 10, the first paragraph is replaced by the following:

'This Decision shall apply until 9 October 2026.';

- (2) Annex I is amended in accordance with the Annex to this Decision.

⁽¹⁾ Council Decision (CFSP) 2024/2643 of 8 October 2024 concerning restrictive measures in view of Russia's destabilising activities (OJ L, 2024/2643, 9.10.2024, ELI: <http://data.europa.eu/eli/dec/2024/2643/oj>).

Article 2

This Decision shall enter into force on the day following that of its publication in the *Official Journal of the European Union*.

For the Council

The President

M. BJERRE

ANNEX

In Annex I to Decision (CFSP) 2024/2643, in the table headed 'A. Natural persons', entry 20 is replaced by the following:

	Name	Identifying information	Statement of Reasons	Date of listing
'20.	Hüseyin DOGRU	Nationality: Turkish, German Gender: male	<p>Hüseyin Doğru is the founder and representative of AFA Medya A.Ş., which is a media company based in Istanbul. AFA Medya A.Ş. operates "RED", which comprises a number of media platforms, and which has close financial and organisational connections with Russian state propaganda entities and actors, and shares deep structural ties, including interlinkages between, and rotation of, individual personnel with Russian state media organisations.</p> <p>RED has used its media platforms – often publishing under "redstreamnet" or "thered.stream" – to systematically spread false information on politically controversial subjects with the intent of creating ethnic, political and religious discord amongst its predominantly German target audience, including by disseminating the narratives of radical Islamic terrorist groups such as Hamas.</p> <p>During a violent occupation of a German university by anti-Israel rioters, RED personnel coordinated with the occupiers to disseminate images of their vandalism – which included the use of Hamas symbols – through their online channels, thus providing them with an exclusive media platform, facilitating the violent nature of the protest.</p> <p>Hüseyin Doğru continues to spread false information through AFA Medya A.Ş. as well as through his own social media accounts.</p> <p>Through AFA Medya A.Ş. and his personal social media accounts, Hüseyin Doğru thus supports actions by the Government of the Russian Federation which undermine or threaten stability and security in the Union and in one or several of its Member States, including by indirectly supporting and facilitating violent demonstrations and engaging in coordinated information manipulation.</p>	20.5.2025'
