COUNCIL DECISION (EU) 2025/2094

of 10 October 2025

authorising the opening of negotiations with the Kingdom of Norway for an agreement on administrative cooperation in the field of direct taxation

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 115, in conjunction with Article 218(3) and (4) thereof,

Having regard to the recommendation from the European Commission,

Whereas:

- (1) The Member States benefit from a solid and well-integrated framework of administrative cooperation in the field of direct taxation laid down in Council Directive 2011/16/EU ⁽¹⁾. That framework aims to ensure tax compliance within the Union while assisting tax authorities in preventing and tackling tax fraud, evasion and avoidance.
- (2) The Kingdom of Norway ('Norway') is a key trade partner of the Union and a contracting party to the Agreement on the European Economic Area ⁽²⁾. It is in the interest of the Member States to broaden the scope of the framework of cooperation in the field of taxation between the Union and Norway, which is currently limited to the field of value added tax.
- (3) To that aim, negotiations should be opened with a view to concluding an agreement on administrative cooperation in the field of direct taxation with Norway, which would broaden the scope of reciprocal automatic exchange of information between the Member States and Norway, by covering the exchange of information as referred to in Article 8(1) and Articles 8a and 8ab of Directive 2011/16/EU.
- (4) The negotiations should also aim to broaden the scope of tax recovery assistance between the Member States and Norway, by covering claims relating to all taxes besides those already covered by the Agreement between the European Union and the Kingdom of Norway on administrative cooperation, combating fraud and recovery of claims in the field of value added tax ⁽³⁾, in line with Council Directive 2010/24/EU ⁽⁴⁾,
