THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2021/691 of the European Parliament and of the Council of 28 April 2021 on the European Globalisation Adjustment Fund for Displaced Workers (EGF) and repealing Regulation (EU) No 1309/2013 ([1]), and in particular Article 15(1), first subparagraph, thereof,

Having regard to the Interinstitutional Agreement of 16 December 2020 between the European Parliament, the Council of the European Union and the European Commission on budgetary discipline, on cooperation in budgetary matters and on sound financial management, as well as on new own resources, including a roadmap towards the introduction of new own resources ([2]), and in particular point 9 thereof,

Having regard to the proposal from the European Commission,

Whereas:

(1) The European Globalisation Adjustment Fund for Displaced Workers (EGF) aims to demonstrate solidarity and promote decent and sustainable employment in the Union by providing support for workers made redundant and self-employed persons whose activity has ceased in the case of major restructuring events and assisting them in returning to decent and sustainable employment as soon as possible.

(2) The EGF is not to exceed a maximum annual amount of EUR 30 million (in 2018 prices), as laid down in Article 8 of Council Regulation (EU, Euratom) 2020/2093 ([3]) amended by Council Regulation (EU, Euratom) 2024/765 ([4]), and Article 16 of Regulation (EU) 2021/691.

(3) On 5 May 2026, Finland submitted an application to mobilise the EGF in accordance with Article 8(1) of Regulation (EU) 2021/691, in respect of workers' displacements in Valmet Automotive and five sub-contractors and suppliers in Finland. It was supplemented by additional information provided in accordance with Article 8(5) of Regulation (EU) 2021/691. That application is considered to comply with the conditions for providing a financial contribution from the EGF as laid down in Article 13 of Regulation (EU) 2021/691, on the basis of the assessment made by the Commission in the Proposal for a mobilisation decision of the European Parliament and of the Council ([5]).
