▼B**COMMISSION IMPLEMENTING DECISION (EU) 2019/1956****of 26 November 2019****on the harmonised standards for electrical equipment designed for use within certain voltage limits and drafted in support of Directive 2014/35/EU of the European Parliament and of the Council***Article 1*

The references to harmonised standards for electrical equipment designed for use within certain voltage limits drafted in support of Directive 2014/35/EU, listed in Annex I to this Decision, are hereby published in the *Official Journal of the European Union*.

▼M3

The reference of harmonised standard EN 60335-2-24:2010 drafted in support of Directive 2014/35/EU, and set out in Annex IA to this Decision, is hereby published with restriction in the *Official Journal of the European Union*.

The references of harmonised standards for electrical equipment designed for use within certain voltage limits drafted in support of Directive 2014/35/EU, and listed in Annex IB to this Decision, are hereby published in the *Official Journal of the European Union*. Those references shall be deemed to have been published in the *Official Journal of the European Union* from the dates set out in that Annex.

The references of harmonised standards for electrical equipment designed for use within certain voltage limits drafted in support of Directive 2014/35/EU, listed in Annex IC to this Decision, are hereby published in the *Official Journal of the European Union*. Those references shall be deemed to have been published in the *Official Journal of the European Union* for the periods set out in that Annex.

▼B*Article 2*

The references to harmonised standards for electrical equipment designed for use within certain voltage limits drafted in support of Directive 2014/35/EU, listed in Annex II to this Decision, are hereby withdrawn from the *Official Journal of the European Union* as from the dates set out in that Annex.

Article 3

This Decision shall enter into force on the day of its publication in the *Official Journal of the European Union*.
