## COMMISSION IMPLEMENTING DECISION (EU) 2023/1408

of 3 July 2023

**excluding from European Union financing certain expenditure incurred by the Member States under the European Agricultural Guarantee Fund (EAGF) and under the European Agricultural Fund for Rural Development (EAFRD)**

*(notified under document C(2023)3494)*

**(Only the Bulgarian, Croatian, Czech, Dutch, English, French, German, Hungarian, Irish, Italian, Lithuanian, Polish, Portuguese, Romanian, Slovak, Spanish and Swedish texts are authentic)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1306/2013 of the European Parliament and of the Council of 17 December 2013 on the financing, management and monitoring of the common agricultural policy and repealing Council Regulations (EEC) No 352/78, (EC) No 165/94, (EC) No 2799/98, (EC) No 814/2000, (EC) No 1290/2005 and (EC) No 485/2008 <sup>(1)</sup>, and in particular Article 52 thereof,

After consulting the Committee on the Agricultural Funds,

Whereas:

- (1) In accordance with Article 52 of Regulation (EU) No 1306/2013, the Commission is to carry out the necessary verifications, communicate to the Member States the results of those verifications, take note of the comments of the Member States, initiate a bilateral discussion so that an agreement may be reached with the Member States in question and formally communicate its conclusions to them.
- (2) The Member States have had an opportunity to request the launch of a conciliation procedure. That opportunity has been used in some cases and the reports issued on the outcome have been examined by the Commission.
- (3) In accordance with Regulation (EU) No 1306/2013, only agricultural expenditure, which has been incurred in a way that has not infringed Union law may be financed.
- (4) In the light of the verifications carried out, the outcome of the bilateral discussions and the conciliation procedures, part of the expenditure declared by the Member States does not fulfil this requirement and cannot therefore be financed under the EAGF and the EAFRD.
- (5) The amounts that are not recognised as being chargeable to the EAGF and the EAFRD should be indicated. Those amounts do not relate to expenditure incurred more than twenty-four months before the Commission's written notification of the results of the verifications to the Member States.

---

<sup>(1)</sup> OJ L 347, 20.12.2013, p. 549.

- (6) The amounts excluded from Union financing by the present Decision should also take into account any reductions or suspensions in accordance with Article 41 of Regulation (EU) No 1306/2013 due to the fact that such reductions or suspensions are of a provisional nature and without prejudice to decisions taken pursuant to Articles 51 or 52 of that Regulation.
- (7) By Commission Decision C(2020)1857 payments have been suspended to the Czech Republic, amounting to EUR 30 606,96 for expenditure related to the period between 16 October 2018 and 31 December 2018. Commission Implementing Decision (EU) 2022/908<sup>(2)</sup> excluded from Union financing an amount of EUR 3 300 907,65, as expenditure incurred by the Czech Republic under EAFRD, while the net financial impact on the Member State was EUR 3 270 300,69, the difference being the result of the suspension of EUR 30 606,96. It is therefore necessary to clarify that this difference was due to the lifting of the suspension provided for by Decision C(2020)1857. This clarification has no financial impact on the Czech Republic.
- (8) As regards the cases covered by this decision, the assessment of the amounts to be excluded on grounds of non-compliance with Union law was notified by the Commission to the Member States in the summary report on the subject<sup>(3)</sup>.
- (9) This Decision is without prejudice to any financial conclusions that the Commission may draw from the judgments of the Court of Justice of the European Union in cases pending on 9 March 2023,

HAS ADOPTED THIS DECISION:

*Article 1*

The amounts set out in the Annex and related to expenditure incurred by the Member States' accredited paying agencies and declared under the EAGF or the EAFRD shall be excluded from Union financing.

*Article 2*

This Decision is addressed to the Kingdom of Belgium, the Republic of Bulgaria, the Czech Republic, the Federal Republic of Germany, Ireland, the Kingdom of Spain, the French Republic, the Republic of Croatia, the Italian Republic, the Republic of Lithuania, Hungary, the Kingdom of the Netherlands, the Republic of Poland, the Portuguese Republic, Romania, the Slovak Republic and the Kingdom of Sweden.
