

**COMMISSION IMPLEMENTING DECISION (EU) 2025/526
of 21 March 2025**

**designating a Union testing facility for electromagnetic compatibility in accordance with Regulation
(EU) 2019/1020 of the European Parliament and of the Council**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2019/1020 of the European Parliament and of the Council of 20 June 2019 on market surveillance and compliance of products and amending Directive 2004/42/EC and Regulations (EC) No 765/2008 and (EU) No 305/2011 ⁽¹⁾, and in particular Article 21(2) thereof,

Whereas:

- (1) Article 1(1) of Commission Implementing Regulation (EU) 2022/1267 ⁽²⁾ provides that public testing facilities of Member States are to be designated as Union testing facilities following a call for expression of interest.
- (2) The Commission launched the call for expression of interest CFEI/GRO/IMA/25/2711/14318 for three categories: construction products, electromagnetic compatibility, and pollutant emissions of non-road mobile machinery.
- (3) The Communications Regulatory Authority of the Republic of Lithuania applied in the context of the call for expression of interest for the selection as Union testing facility for electromagnetic compatibility.
- (4) An evaluation of the application made by Lithuania was carried out pursuant to the applicable rules and the conditions set out in the call for expression of interest.
- (5) Based on the results of the evaluation, the Communications Regulatory Authority of the Republic of Lithuania should be designated as Union testing facility for electromagnetic compatibility.
- (6) In accordance with Article 2 of Implementing Regulation (EU) 2022/1267, the designation of a Union testing facility is to be reviewed on a regular basis and the time-limit for that review is to be set out in a decision to designate the testing facility,

HAS ADOPTED THIS DECISION:
