(b) With respect to a receiving TARGET participant, a claim for an administration fee shall be considered if due to a malfunctioning such TARGET participant did not receive a TARGET payment that it was expecting to receive on the day of malfunctioning. In this event a claim for an interest compensation shall also be considered if:

(i) such TARGET participant had recourse to the marginal lending facility or, if a TARGET participant does not have access to the marginal lending facility, such TARGET participant was left with a debit balance or had a spill-over from intraday credit into overnight credit on its RTGS account at the close of business of TARGET or had to borrow amounts from the respective NCB;

and

(c) The calculation method for the interest compensation as referred to in paragraph 3.1(c) above shall apply, except that the interest compensation shall be based on the difference between the marginal lending rate and the reference rate, and shall be calculated on the amount of the recourse to the marginal lending facility as a result of the malfunctioning.

(d) With respect to receiving TARGET participants of (i) national RTGS systems of participating Member States that are not counterparties to the Eurosystem monetary policy operations, and (ii) national RTGS systems of non-participating Member States, to the extent that a debit balance or a spill-over from intraday credit into overnight credit or the need to borrow amounts from the respective NCB can be attributed to the malfunctioning, that part of the applicable penalty rate (as stipulated by the applicable RTGS rules in such cases) which is above the marginal lending rate, shall be waived (and disregarded in future cases of spill-over) and for TARGET
